

## **Martyr Nubar Ozanyan Battalion Commemorates Hrant Dink**

Martyr Nubar Ozanyan Armenian Battalion commemorated Hrant Dink with a military ceremony and event. TEV-Dem, Armenian Social Council, Syriac Military Council and Armenian families from Rojava attended the commemoration.

In the speech made on behalf of the Martyr Nubar Ozanyan Armenian Battalion after the military ceremony and a minute's silence, Hrant Dink's friendship with Armenak Bakırcıyan was mentioned. It was said that the struggle carried out by Hrant Dink was not only the struggle of the Armenian nation, but the struggle of all the nations that were wanted to be destroyed by the fascist Turkish state. It was said that the unity and resistance of the peoples will be won against the attacks of the fascist Turkish state against Karabakh and Rojava.

Then there was a video screening. The Haseke Armenian Social Council, who attended the event, said in a speech in Arabic, Kurdish and Armenian that the efforts of the Turkish state that killed Hrant Dink against the Armenian nation were voided. It was said that the Armenian Social Assembly, which was established by following the path of revolutionaries such as Armenak Bakırcıyan and Hrant Dink, continues its activities against the assimilation policies in Syrian lands. It was emphasised that the murdered revolutionaries were immortalized with these works.
