

**Press Releases of
COMMUNIST PARTY OF INDIA (MAOIST)
CENTRAL COMMITTEE
(July 2010 - July 2012)**

Publisher's Note

We are publishing here the statements issued by the CC, CPI (Maoist) from July 2010 to July 2012. This period is one of the most turbulent periods in our country and the world and one of the toughest in terms of intensification of the offensive of the Indian state on the revolutionary movement in India. CPI (Maoist) responded to the various political changes happening in the world and in our country in this period and categorically stated its stand through these statements.

In view of the historical significance of these statements we have compiled them and are placing the compilation before the cadres, the people and all Maoist, progressive and democratic organizations, parties and intellectuals in our country and abroad who stand in solidarity with the Maoist movement. This compilation would be useful in informing the organizations, parties and intellectuals who support the Maoist movement about the viewpoint and stands of the party on various issues and would also educate the cadres and the people about the same. The calls given by the party on various issues in these statements were implemented by the party cadres and thus these statements had significance in revolutionary practice too.

In the backdrop of the ruling classes' foul and vicious propaganda increasing at an unprecedented scale as part of its psychological warfare that is itself an integral part of the Low-Intensity Conflict strategy implemented in our country under the guidance and full support of the US imperialists, it has become utterly necessary for revolutionary propaganda also to pose a formidable challenge to it. We hope that this compilation also would play its role in countering the psy-war of the ruling classes on the CPI (Maoist) and the revolutionary movement led by it. We appeal to our cadres and sympathizers and supporters of our movement to use this as a weapon in revolutionary propaganda in the fight against the foul propaganda of the Indian State.

On the occasion of bringing this compilation, we humbly pay our red homage to our beloved leaders Comrade Cherukuri Rajkumar (Politburo member) and Comrade Mallojhala Koteswarlu (Politburo member) who were spokespersons for the Central Committee and the Eastern Regional Bureau respectively for their contribution in the field of political propaganda in Protracted People's War as spokespersons of the party. We had lost both these great leaders of Indian Revolution in this period and this compilation includes statements that paid rich tributes to them.

With Revolutionary Greetings

Central Committee

CPI (Maoist)

A bright star of the Indian revolution fallen down! Three days back, Com. Cherukuri Rajkumar (Azad), the great leader of the proletariat who played a key role in the Indian revolutionary movement for nearly four decades; the central committee member of Communist Party of India (Maoist), the Politburo member and the official spokesperson of the Central Committee, and the beloved leader of the Indian toiling masses, was brutally killed along with a freelance Journalist, Hemachandra Pandey by the watch dogs of the Imperialism, i.e. the Indian ruling classes.

Com. Azad had to come to Dandakaranya in the first week of July, to teach political economy classes to the party cadre. For that purpose, he set up an appointment with the Special Zonal Committee of Dandakaranya, on July 1st, in Nagpur town. He even informed the Dandakaranya Comrades about his arrival on 30th June. The Dandakaranya Committee sent a comrade to bring him in. But that comrade returned as Com. Azad didn't turn up at the specified place and time. The police arrested Com. Azad along with the journalist Hemachandra Pandey at the wee hours of 1st and 2nd July and brutally killed them in an 'encounter' in Adilabad district of Andhra Pradesh. As Com. Azad informed that he had started on 30th of June and

not reached the particular place on July 1st suggests that, the murderous and monstrous APSIB personnel might have abducted them during his journey to Nagpur or after reaching the Nagpur town. The murderers tortured them cruelly and shot them up on the same night in Adilabad district.

We appeal to all to condemn this dastardly murder with one voice. We appeal all the people to agitate against the cruel and suppressive acts of the ruling classes, which on one side are hunting and brutally killing the revolutionaries standing for the cause of the people, and chanting the mantras of democracy, peace, law and justice with that same blood spilling mouth on the other side.

Some exploiting powers are trying very hardly to pocket our beloved country for their will or to mortgage it to their imperialist masters and are even trying to sell it. As a part of that they are giving out our forests, mines and the rivers to the imperialists. The innumerable agreements including the nuclear deal that our ruling classes made with the imperialist countries and multi national companies stand as naked evidences to this. Digging out the minerals from our mines is the part of this exploitation only. The projects on our rivers that are under construction and to be constructed are meant only for the speedy shifting of our fortunes through the ships by the imperialists; and the widening roads are to pave the way to exploitation. The proposed SEZs, corporate farmlands are for the interests of the imperialists only. The ruling classes fondly named this exploitation as 'development'! This 'development' is meant for the exploiting classes only and it is a fact that even 1% of this 'development' wouldn't reach the large sections of the Indian masses. Because of this 'development', our lands, the land produce, our water resources and our culture have been alienated from us. This unconditional surrender of the ruling classes is a great shame to us and it throws us into slavery. These exploiting powers which are selling our beloved mother land are shamelessly calling themselves as patriots.

The oppressed people of our country endeavored to demolish this conspiracy of these traitors in the guise of patriots, and chose the path of revolution. The workers, peasants, adivasis, students, intellectuals, women

and minorities, the true inheritors of this country, are actively taking part in this movement. The Communist Party of India (Maoist) is the inspiration to this struggle and stood in solidarity with the struggle, and proudly leading this movement. Because of this only, in the view of Sonia, Manmohan and Chidambaram clique, the Party became a serious threat to the internal security of the country. This clique and its imperialist masters clearly know that Maoist Party is not at all a threat to the country's internal security but indeed a threat to their security and their interests of the exploitation. This clique is trying to deceit the people and is day dreaming to gain authenticity to the ruthless suppression that it is launching on the struggling people, by showing the Party as a serious threat to the internal security. From the day it dubbed the Party as a serious threat to the internal security of the country, it is enforcing serious repression on the Party and the people that are struggling under the leadership of the Party. It is thinking that by making the people to believe that the Maoist Party as an internal threat, it can suppress anyone, who opposes its exploitation, by dubbing them as Maoists. We all see that the government is suppressing the people's movements that are not at all in any way related to the Maoist Party, by dubbing them as Maoist related movements.

To overcome the serious economic crisis that they are facing now, the imperialists have no alternative other than intensifying the exploitation. As a part of that they are severely trying to rob the produce of our forests, especially they are keeping their eyes on the forests of Dandakaranya, Odisha, Bihar, Jharkhand, West Bengal and Andhra Pradesh, the rich sources of minerals. But it's becoming impossible to them to move the assets from these areas, as these areas are under the influence of Maoist Party. That is why; they tried to suppress the movement in the name of Salwa Judum and Sendra. But the people and our Party defeated the attack by resisting heroically, and so they put forward the Operation Green Hunt now. From 10 months to till date, they brutally killed hundreds of ordinary people, from infants to elderly people, and killing more and more people in the name of Green Hunt. They are resorting to mass rapes on women, putting fire to hundreds of villages and demolishing the people's property. In Dandakaranya only, they killed 150 ordinary people, put fire to innumerable villages and resorted to sexual violence on hundreds of women.

While killing the general people on one side, they are targeting and hunting the Maoist Party and trying to wipe out the leadership to the people. The brutal killing of Com. Azad is a part in that. Com. Azad worked with strong conviction for the Indian Revolution for the past four decades. He began his journey as a Radical student and in a very short period spread to several arenas. He completed his M.Tech. in Warangal Regional Engineering College and dedicated his life to the revolution with the inspiration of martyr Com. Surapaneni Janardan and Com. Kondapalli Seetharamaiah, the then leader of the movement. He exhibited extraordinary intelligence and capabilities right from his childhood and maintained the same heights in the study of revolutionary ideology, its implementation and revolutionary practice. He laid foundation to build the revolutionary movement in Karnataka state. He was elected to the Central Committee, became the member of Politburo. He worked hardily in different arenas like ideological, political and constructive work and also worked as an official spokes person of the oppressed masses, targeted against the ruling classes.

The murder of Com. Azad is significantly notable. For some time, the home minister Chidambaram, with his high-flown talk, about bringing to an end to the Naxalite violence and trying to conceal the inhuman violence that they are executing on the people. While Chidambaram has been waging an unlawful war against the people of the country and concealing innumerable atrocities that he was committing against the people, resorting to bad propaganda in a big way against the resistance of revolutionary forces; Com. Azad had been instantly and incessantly made the Party's viewpoint and the voice of toiling masses, audible loudly to the world. When some democrats along with Swami Agnivesh came with peace proposals recently, Com. Azad put "forward the Party's opinion. He proposed that to solve this problem, the Operation Green Hunt should be stopped immediately and the ceasefire should take place from both sides at a time. While pretending to continue this process and prevaricating the people on one side, the Sonia, Manmohan, Chidambaram clique determined to kill Com. Azad. That is why Chidambaram impeded Swami Agnivesh's initiation. It is crystal clear that Com. Azad's murder was a part of a big conspiracy and the clique of the ruling classes has no sincerity in peace, peace talks, and solving the problems of the people.

The main reason for the murder of the freelance journalist, Hemachandra Pandey, who is traveling with Com. Azad, is only to erase the evidence to Azad's killing. This is also a warning given by the ruling classes to the journalists and democrats that are with the people. The brutal murder of Hemachandra Pandey is also a warning to some journalists and intellectuals who visited Dandakaranya recently and exposed the factual situation to the world. It is a good example to understand that how hostile the ruling classes can be with the freedom of the press.

The ruling classes are day dreaming to eradicate the movements by murdering the leaders of the revolutionary movement. With the murder of Com. Azad, the toiling masses of our country lost a great revolutionary intellectual, a great communist warrior, and a great scientist of Marxism. It is indeed a big loss. But, the people and the revolutionary movement themselves created and will create a great leader like Azad. Thousands of the country's youth will definitely fulfill the loss of Com. Azad by following the path that shown by him, and will make the Indian Revolution a success. This is an indisputable historical truth.

We, the Central Committee appeal the people of this country to observe a protest week from July 8th to 14th, to organize protest rallies, dharnas, and meetings for five days i.e., from 8th July to 12th July, and to make the 48-hour Bandh, i.e., on 13th and 14th of July, a success. We are exempting the emergency services like medical services from the bandh. We also appeal all the masses, to demand in several forms, for the complete investigation of this fake encounter, for the severe punishment to the culprits of these brutal murders, and for the immediate withdrawal of Operation Green Hunt.

**Hail the Historic 6th Anniversary of
the Party Formation Day!**

Defeat the fascist Operation Green Hunt!!

**Come together for a united struggle against
the loot of our country!!!**

**Call of the Politburo of CPI (Maoist) on the occasion of
the 6th anniversary of the party to be celebrated with
revolutionary enthusiasm and great fervor from
September 21 to 27, 2010**

Our beloved comrades and people!

On the 6th anniversary of our party formation day on September 21, 2010, our PB extends hearty revolutionary greetings to the Party, PLGA, Revolutionary people's committees and comrades of all mass organizations and to the revolutionary people who are advancing the people's war by fearlessly fighting back Operation Green Hunt, the countrywide massive counter-revolutionary military offensive of the enemy, who is bent upon annihilating our party. On this fervent occasion our PB also congratulates the comrades in the jails who are bravely facing the enemy.

Our PB humbly pays homage to the more than 10,000 great martyrs, 1500 of them after the unified party was formed in 2004, and 300 in one year, who sacrificed their invaluable lives for the success of the New Democratic Revolution in India and for the achievement of the greatest cause of human kind, i.e. socialism and communism. The fact that a majority of these martyrs are common people, revolutionary mass organizations' members and militia member shows how the vast masses of India are thronging into the revolution.

Since we celebrated our party formation day last year, the war between

revolution and counter-revolution in our country has intensified further. There have been many significant changes of strategic importance in this period which would affect the Indian revolution for a long time to come. It is necessary to look into our strengths and weaknesses, the favourable and unfavourable conditions for the revolution on this occasion and place before the people and the ranks of the party.

Firstly - starting from May 2009 to July 2010, eight topmost comrades including PBM and beloved leader Azad and ten state level comrades had either been caught and killed by the enemy or had been put behind bars. Many leadership comrades from district level to lower ranks were either arrested or killed. These losses had all affected our party and movement seriously. Particularly, losing comrade Azad who had been fulfilling key responsibilities in the highest committee and had been rendering multi-faceted services most efficiently in many fields is a great loss.

The formation of the new party in 2004 placed before the people of our country enriched political, organizational, military lines, a strong party, a strong leadership, a people's army, the PLGA and a vast mass base and struggle areas. This created very favourable conditions for the advancement of the revolution. Fearing all these favorable conditions, the enemy sought to crush our party and all the losses in 2005 and 2006 occurred due to this conspiracy. Yet, the Unity Congress - 9th congress had strengthened the unity of the party and the party leadership and laid down a thorough plan for the advancement of the revolution. Though Andhra Pradesh movement and North Chhattisgarh movement suffered setback and though we suffered heavy losses in North Odisha, the successes won filled the revolutionary camp with self-confidence.

The successful completion of the Unity Congress and the later successes worried the enemy camp to no end and so the enemy had intensified war on people at an unprecedented level to annihilate the party leadership. These losses which occurred since 2009 May are larger in number and more serious in nature than before. However, serious they may be, in the past 45 years, revolutionary movement had been giving birth to new leadership constantly and it will do so again. As long as masses need a revolution, they give birth to its leaders too.

Secondly - UPA-2 had launched the fascist 'Operation Green Hunt' (OGH) as a concrete form of the multi-pronged offensive strategy. Of all the offensive strategies formulated by the Indian ruling classes to crush the revolutionary movement in India, the one which started from mid-2009 (and continuing) is unprecedented, country-wide, most severe, deceptive, centralized and protracted one till date. The military suppression campaign is concentrated on our strong rural areas and guerilla zones, especially Dandakaranya, Jharkhand-Bihar, Lalgarh and bordering areas of Jharkhand-Odisha, Andhra-Odisha and Telangana-Chhattisgarh. This 'War on People' has intensified social contradictions. No other suppression campaign had earned the wrath and resistance of people as much as the OGH in the past 45 areas.

Thirdly - after UPA came to power for second time, there was a qualitative change in implementing the counter-insurgency theories which are restructuring or influencing the state machinery, Indian constitution, judiciary, legislating bodies, administrative bodies, politics, economy, culture, media and so on. This is inspired and led by the 'War on Terror' waged by the imperialists under the leadership of US imperialists. This will lead our country to a disastrous situation. The more they try to wage this brutal war, the more protest and resistance they would encounter from the vast masses. Such resistance is clearly seen all over the country.

Due to the struggles waged by us in all the fields and due to the immense sacrifices of our most revered and beloved three hundred martyrs in the past one year we have won significant successes. They are:

1. The successful attacks in Singanamadugu, Mukaram (Tadimetla) and Kongera of Chhattisgarh; Laheri in Maharashtra; Sankrel and Silda in Bengal; Gumla, Vishnupur and Latehar in Jharkhand; Sono, government toll plaza (Gaya) and Tandwa bazaar in Bihar; Potakal and Baipharguda in Odisha, particularly the historical Mukram (Tadimetla) attack had broken down the initiative of the enemy and increased that of the guerilla forces. These attacks had armed the PLGA with more weapons and new experiences in guerilla war. Tadimetla experience is of the highest level of all these. If not for this active resistance of our forces and people,

the enemy would have found more ground to obliterate our movement. These great experiences would definitely help us in fighting back the enemy forces employed for a bigger attack. It was nothing else but the active support of the people which served as the foundation for all these successes.

2. The struggles of Kalinganagar, Singur and Nandigram shook the ruling classes and later Lalgarh and Narayanpatna struggles had burst forth on an extensive and higher scale than these struggles. These were led by our party against revisionism or right opportunism and were waged against the enemy classes, imperialists and the state. We had not seen a deluge of such vast, militant, long drawn mass uprisings in the past 25 years. The lessons of these revolutionary mass uprisings for the development of people's war in our country are invaluable.
3. Lalgarh armed peasant movement which had erupted, spread and consolidated in a period when the enemy had deployed forces on a large scale and was attempting to crush the peasant uprising, is very significant and earned a special place in the annals of Indian armed agrarian revolutionary struggle history.
4. Vast masses under our party's leadership have successfully thwarted the attempts of the MNCs and CBB corporations to loot the natural resources in Eastern and Central India. Our PB sends revolutionary greetings to all the people, revolutionary, democratic, progressive and patriotic organizations and individuals who stood firmly in these struggles and promises that our party would stand in the forefront in these struggles.
5. Our party had conducted ideological and political propaganda war against the enemy's psychological war, under the leadership of Comrade Azad. If our entire party had not fought along with Com. Azad at various levels, the people's war would not have won this much credit. His services in this field are most significant and paramount. Let us continue the struggle in this field with Com. Azad's inspiration.

Along with these five main successes, in some states, we had expanded

to new areas, consolidated party, PLGA, politically and militarily, consolidated the existing Revolutionary People's Committees/Janatana Sarkars and expanded them in newer areas. All these successes had won us the support of many revolutionary forces, intellectuals, democrats, progressive and patriotic forces.

Comrades!

Our losses had been very severe. Unless each committee from the CC to the lower committees and the entire party strives very hard to build up new forces in a planned manner on a wide scale and continues the rectification campaign effectively we will not be able to fulfill the losses incurred, particularly that of Com. Azad and other leadership comrades at central and state level.

Only when we understand the real reasons behind the losses, we can prevent them and only then we can strengthen the party as an impregnable fort to the enemy. To identify the real reasons we have to take lessons from the experiences of our party and Maoist parties of other countries.

We have to expand and intensify the self-defensive war waged under the party's leadership by PLGA, people and by uniting with all struggling forces of our country and other countries. If we firmly rely on the masses and make use of our PLGA properly in the war, we would definitely be able to defeat Green Hunt.

Let us prepare ourselves to wage people's war with utmost courage and determination. Celebrate the 6th anniversary of our party formation day with brimming revolutionary enthusiasm and zeal. Let us propagate widely the successes won even amidst severe repression in the past one year.

Our beloved comrades and people of India!

The CPI (Maoist) is issuing a call to all the people of our country to unify under the leadership of the party and rise against the feudal and comprador rulers who are selling our country to the imperialists. We cannot liberate our country from the clutches of these predators without a revolutionary party. The party calls upon all the resistance struggles against the loot of our country to come together which would lead to a broad

united front. The fight for land to the tiller, democratic power to the people and basic needs and against SEZs, displacement, corporate mining, plunder of our natural resources, price rise, corruption and all such burning problems have to be carried out in an united manner. We can win only through our unified strength. As our fight intensifies, the state onslaught on all the democratic and revolutionary struggles would also intensify. Let us prepare ourselves for this. Jan Jagrans, Salwa Judums, Sendras and Green Hunts can never break a determined people or their revolutionary party. Final Victory belongs to the people.

- ★ *Let us consolidate our party as an impregnable fortress and avoid huge losses to leadership and ranks !*
- ★ *Hail and follow the exemplary model battle of Tadimetla to defeat 'Operation Green Hunt' !*
- ★ *Let us unite with and bring together all resistance movements paving the way for a countrywide strong United Front !*
- ★ *Let us hail and follow the exemplary model of Comrade Azad in effectively fighting back the enemy's psychological warfare !*
- ★ *Let us extend to vast areas to fulfill the multi-faceted tasks of People's War!*

**Stay alert to the heinous attempts of
the ruling classes to divide us
in the name of religion and
stop killing each other in their interests !**

Court judgment on the demolition of Babri Masjid was initially awaited on September 24, 2010, which has been postponed for a week today. Even before the judgment is delivered the air is reeking with apprehension and trepidation. The uneasy memories of that fateful day (December 6, 1992) are giving fear to all democratic sections in the country and needless to say, especially to the Muslims all over the sub-continent. Any sane person who wants to learn history in order not to repeat it is waking up with a start from the nightmare of our history of communal flare ups. The unprecedented deployment of police and paramilitary forces in all the states and Union Territories on the eve of the judgment is creating doubts as to what is to be awaited from the court which is but an organ of the Hindu religion and upper caste-biased state that is the Indian government. The callous, cold-hearted, pro-imperialist, anti-Indian people, traitorous judgment in the Bhopal gas leak case is sending alarm chills down the spines of concerned citizens and is issuing warning calls. There is not much in our whole history of court judgments which could reassure the people.

We, the CPI (Maoist) appeal to all the people of India to stay alert to the possibilities of a flare up of communal tensions with the instigation of the ruling classes, especially by the saffron fascist brigades in the wake of this judgment. Whatever may be the judgment, what they would like to do is to divert the people from their problems, struggles and political and economic crises. Since the days of the Partition, many a time lakhs of Hindus, Muslims, Sikhs and people of other religions and minorities in the sub-continent had fallen victim to the vicious propaganda of the ruling classes and massacred each other. In the context of India, the main perpetrators had been the Hindu chauvinist fascist gangs and the main victims had been

Muslims and other religious minorities. The state is not an accomplice; in fact it is the main actor in all these massacres. The main culprits among the political parties are the Congress and the BJP.

We appeal to the people that it is high time we realize the conspiracies of the ruling classes in dividing us. Let us say a big NO to their scheming. Let us stand united against their devious plans to massacre us, especially the Muslims. However hard they may try to make us raise swords against each other, let us stand united and turn those swords against those who are trying to drive this wedge of communalism between us.

CPI (Maoist) has been the most consistent among all the political parties of this country in unequivocally condemning the demolition of the Babri Masjid and demanding its reconstruction at the same place. It has stood firmly in support of the minorities, especially of Muslims and Christians and had put up a bitter struggle against the Hindu chauvinist Sangh Parivar and the pseudo secularism of the Congress. We once again firmly reiterate that reconstruction of the ancient, historical monument at the same place is the only solution to this issue.

We appeal to all the Hindus of the country not to believe the divide and rule policy of Congress and Hindu chauvinist fascist propaganda of BJP and Sangh Parivar. We appeal that as the majority community in the country more responsibility lies in their hands as massacres are perpetrated only through their known and unknown collaboration. It is the duty of every concerned citizen of our country to stand in support of the victims of communal pogroms and do everything possible to stop genocide of innocent people, whatever may be their religion. We appeal to the people of Muslim community to stay alert to the opportunistic attempts by some fundamentalists to stoke the fires instead of taking up a united resistance of all peoples against the common enemy. Our party stands with people and would do everything possible to stop massacres of innocent people.

- Stand united against the malicious attempts of the ruling classes to divide us in the name of religion and community !
- Fight back the communal pogroms on minorities, especially Muslims

which may be perpetrated in the wake of the judgment on demolition of Babri Masjid !

- No more killing of our own brothers and sisters, no more innocence in being at the receiving end of the false propaganda of all hues of communalism, particularly Hindu communalism, Indian state and the US imperialists !

**Condemn the brutal killings of Kashmiris
who are agitating for their freedom by the
Indian ruling classes !**

**Participate in huge numbers in the 24 hour
bandh called on September 30, 2010
in protest of the massacre of Kashmiris by the
government armed forces and
in support of the just movement of the
Kashmiri people!**

Massacres of people in Kashmir by the state is out bursting all limits. People are conducting protest marches all over the Kashmir valley against the innumerable atrocities, indiscriminate firings and endless curfew hours. The slogan of AZADI is reverberating all over the valley. More than a hundred Kashmiris have lost their lives since June 11 in the firings done by the paramilitary, army and police forces to suppress the just struggle of the Kashmiri people. Most of those who died are youngsters below 20 years of age and children. Hundreds of protestors have been injured. The exploitative and expansionist Indian ruling classes who claim that this is the biggest democracy in the world are shamelessly deploying the armed forces to suppress the Kashmiris who are conducting peaceful, unarmed and just protests. While the UPA government led by the Congress and all parliamentary parties including the so called left parties CPI, CPI(M) are supporting directly or indirectly this massacre of the Kashmiri people, the Hindu chauvinist BJP is repeatedly inciting the government to suppress the Kashmiri people in cruelest manner. The Omar Abdullah government which is working as a stooge of the Indian ruling classes is participating in this brutal suppression and has been completely isolated from the people.

Kashmiri people hate these traitors. Firing, tear gas shelling and lathi charges on each and every procession have become the order of the day. It is in this background that the Kashmiri youth are resorting to counter offensive by hurling stones. This resistance done in self-defence against the brutal massacres is completely justified and democratic.

Kashmir people had never considered themselves a part of India. By 1947 when a sham 'independence' was handed over to India and Pakistan by the British rulers, Kashmir was an independent state under the rule of Raja Hari Singh. The Indian and Pakistani ruling classes who are stooges of the British imperialists had integrated Kashmir into their countries for their own interests and against the aspirations and desires of the Kashmiris. One part was occupied by the Indian expansionists and the other half was occupied by Pakistan. Thus Kashmir was divided into two parts in the most atrocious manner. In order to cool down the fury of the Kashmiris, Nehru government had promised to the people of Kashmir and the UNO in writing to conduct a plebiscite and promised that it would give them independence if people wanted to secede. Nehru had reiterated this promise many more times. But within a short time Nehru began suppressing the Kashmiris under the iron heels of his armed forces. This promise had been deeply buried by every ruling class party which had come to power from Nehru to Sonia-Manmohan's UPA. Indian expansionists had always used repression against the Kashmiris whenever they agitated for their independence. The Indian ruling classes had been conducting a planned propaganda that Kashmir is an integral part of India by hiding even the recent past and burying the promises. The desire for independence has been simmering inside the hearts of the Kashmiris since then and it turned into a militant armed movement in the 90s. Many militant organizations conducted armed struggle. Though there are some differences in the political aims of these organizations, they got the support of the people because they expressed the national liberation aspirations of the Kashmiris. But the fascist Indian ruling classes had deployed more than 7 lakh para military and military forces all over the Kashmir valley and had already killed more than 80 thousand Kashmiri people. Thousands of Kashmiris had gone missing. It is no exaggeration to say that no other government had carried out such a cruel repression on any nationality struggle by

deploying armed forces in such large numbers on such a massive scale. The Indian ruling classes had resorted to all kinds of conspiracies and scheming and had ignited differences between Kashmiri Hindus and Muslims using divide and rule policy. They are still conspiring to counter pose the Kashmiri Pandits against the just movement of the Kashmiri people. Particularly, the role of the expansionist chauvinist Congress, and role played by the saffron Hindu chauvinist Sangh Parivar in the past and present is outrightly heinous. With the excuse that there are pro-Pakistan forces and Islamic forces in the movement of the Kashmiris, Indian rulers are propagating that the movement of the Kashmiris is aimed at seceding from India and integrating in Pakistan. This is nothing but an utter lie. The only aspiration of the Kashmiris right from the beginning is to win liberation for their nationality. That is why, though the Indian ruling classes had been repeatedly stating that they had put down militancy in Kashmir, in fact, it had never been extinguished. Though this movement has been erupting under various circumstances as a response to different problems, the fact that the main slogan of all these agitations is AZADI is testimony to this. CPI (Maoist) firmly reiterates that Kashmiri movement for the liberation of Kashmiris, for their right to self-determination is completely just and that neither India nor Pakistan have any rights over them.

Freedom-loving people of Kashmir,

Our party supports and stands in complete support of your struggle for independence and right to self-determination against the expansionist Indian ruling classes. Our party is sending revolutionary greetings to you on behalf of the entire revolutionary, democratic and struggling people of India and salutes the determination you are demonstrating in your agitations braving police firings, lathi charges, curfews, continuous searching operations and unending insults. Though dozens of youngsters are being killed in indiscriminate firings, you are hoisting the dead on your shoulders and are participating in the funeral marches in thousands all the while demanding AZADI. Your determination and sacrifice will forever be etched in the annals of history. Our party expresses deep condolences to all the martyrs' families, their near and dear and to the whole Kashmiri society who had lost their beloved sons and daughters to the bullets of the mercenary troops

of the Indian expansionists. It is the ruling classes who are trying to isolate you by branding you as anti-national and your movement as a secessionist movement who are the real enemies of all the oppressed nationalities and peoples all over the sub-continent. So let's fight unitedly against this common enemy of ours. Let us intensify our struggles.

Justice-loving people of India,

Our party is appealing to all of you to not to believe the chauvinist lies propagated by the Indian exploitative ruling classes, particularly by Congress and saffron terrorist brigade against the just struggle of the Kashmiris. It is appealing to all of you to verify facts and stand in firm support of this just struggle. We are calling upon all of you to participate in huge numbers in observing a 24 hour bandh on September 30, 2010, in support of the just struggle of the Kashmiris and against the massacres perpetuated by the government armed forces.

The concrete demands of our party in this context are as follows

- 1. Stop immediately the massacres of Indian armed forces in Kashmir!**
- 2. Withdraw immediately military and para military forces from Kashmir !**
- 3. Immediately repeal the Armed Forces Special Powers Act (AFSPA) which authorizes the armed forces to kill the people indiscriminately !**
- 4. Plebiscite should be conducted in Kashmir and Kashmiris should be allowed to decide their future on their own !**
- 5. Release all political prisoners unconditionally !**

We are calling upon the people of six states (Bihar, Jharkhand, West Bengal, Chhattisgarh, Odisha and Andhra Pradesh), people of Gadchiroli, Gondia, Chandrapur districts of Maharashtra and people of Balaghat in Madhya Pradesh to close down all rail and road traffic, banks, government and private offices, industries, educational institutions and business

establishments and refuse to attend them. We are excluding essential services like hospitals and other services from this bandh call.

Defy the Orders to Kill Fighting People of Jangal Mahal!

Dear Friends,

You are the soldiers of the Nagaland Indian Reserve Battalion. You have been deployed in this mountainous terrain of Purulia district of West Bengal to fight against the Maoists and the poorest of the poor people who have dared to struggle against extreme poverty, visible and invisible murders every day, every moment and against this unjust system. You the Naga soldiers will be compelled to kill, injure and brutalize the poverty-stricken people in exchange for a fixed salary to look after your poor parents in Nagaland. With this monthly income the government of the rich uses you as cannon fodder in this war against the class of people who are like your parents, brothers and sisters. The government considers you as ambush expert Nagas who can easily kill and get killed in the battle-zone of the Ayodhya Hills of Purulia district in West Bengal. Your precious lives are of no value to the government of the rich. They think you are like robots who can be utilized like lifeless machines. And with such a hatred and disdain the central government has sent you to risk your lives in this treacherous battle field.

You do not know why this unequal war of the State against the exploited people continues in Jangal Mahal. But you are definitely aware that this same State has never stopped its brutal war on the Naga people in your native land struggling for freedom and justice. This Indian State thinks you the Naga soldiers are like beasts who are adept at ambushes. So you can be deployed here for the most risky and brutal war against the uprising of the people of Jangal Mahal. And as this is a war against the Maoists and the common people, retaliation shall inevitably kill and injure many of you. A few years back even after our earnest appeal to your colleagues in Chhattisgarh not to participate in anti-people operations, they did not heed to it and many got killed. You must remember that common people in Nagaland protested then against sending the Naga soldiers to Chhattisgarh

to battle against the Maoists. You must keep it in mind that you are inviting an inglorious end to your lives and infamy to the freedom-loving Naga people.

Here in West Bengal we the Maoist are struggling against centuries-old exploitation and oppression. The Congress-led Central government and the state government here controlled by the fake Marxist CPI (M) want to sell out natural resources, acquire land and destroy livelihoods of the people by any means in the interests of native and foreign corporates. The Operation Green Hunt in West Bengal in collaboration with the armed CPI (M) goons is to clear the land of Maoist patriots and fighting masses. You have been brought here to fight their war against the people and the Maoists dedicated to the interests of the poor people.

It is your duty as sons of the freedom-loving Naga people to resist this conspiracy against the exploited people and their leaders. **The CPI (Maoist) appeals to you: revolt against the Orders to do battle against people, desist from pumping bullets into the bodies of your brothers and sisters and defy all Orders to dispatch you from one place to another at the diktat and whims of your superiors to kill people and get killed.**

**Oppose Firmly Barack Obama's visit to India,
who is the Gang Leader of US Imperialism and
The No. 1 Enemy of the World People!**

Raise the Slogan in One Voice

'OBAMA! GO BACK!!'

Loudly Throughout the Country!

US President Barack Obama will be coming to our country on November 6. The comprador rulers of India are busy laying red carpet to welcome him and trying to beautify Mumbai and Delhi. This is a great insult to democracy-loving, peace-loving and patriotic people of our country. US imperialism, which has been plundering the poor countries across the world, suppressing the oppressed nationalities, pushing the notorious thugs and dictators into the power, bullying those countries who wouldn't cooperate, going to any extent to loot oil, minerals and all other natural wealth and sources, is the no. 1 enemy of world people. Its leader Barack Obama is such a person whom the entire humanity must hate. As his predecessor George Bush had accumulated the hate across the globe, US imperialist masters brought Barack Obama in a plan that people could be deceived with his skin color. Though Obama was so much rhetorical opposing the policies of Bush, after entering into the White House, all the policies and decisions taken by him till this day are nothing but continuation of the Bush administration. In fact the difference between George Bush and Barack Obama lies just in their color and in the name of their representing parties. There is no difference between them in exploiting and suppressing the world people, oppressed nationalities, countries and working class of the US. It's an irrefutable fact that this black color President was selected by the most notorious white vultures of US monopolistic corporations.

The US imperialists are killing innocent people everyday in Afghanistan and western Pakistan by indiscriminate bombing and drone attacks. The

endless massacres are still going on in Iraq. Obama has proved himself a warmonger by sending 30 thousand more US troops to Afghanistan. The US imperialism, which has stood upon the huge mountains of most destructive arms which could smash this globe at least for ten times, has been instigating wars and waging wars itself so as to keep away its war industry getting caught in crisis which constitutes the mammoth of its economy. On the other hand, it's been issuing threats to Iran and North Korea in the pretext that they were acquiring nuclear capabilities. Now it's targeting Yemen alleging that it had become a hub for Al Qaeda. 'War on terror', initiated by George Bush after 9/11 attacks, is now being continued without any letting by Democratic Barack Obama with indiscriminate attacks in the name of dealing with Al Qaeda, Talibans and so-called Islamic terrorists. Obama did not try to stop or condemn the inhuman attacks of Israeli Zionists on Gaza, which had become a hell on the ground, and the conspired assassinations of notorious Mosad. Thus Obama holds responsibility for the death of hundreds of Palestine people.

A significant phenomenon that has come to the fore in Obama's rule, is that the US intelligence agency FBI has been provoking the innocent American Muslims, particularly the American youths of Pakistani origin, for attacks and then by covert operations it's arresting them with all evidences and propagating its victory in a big way. Thus it's has been able to keep the insecurity feeling alive among the masses of America and to divert huge amounts of people's money into its 'war on terror'. By this, the Obama administration is creating endless waves of hopelessness and despair among the Muslim community in America in particular and among entire toiling masses of the US on the whole.

Today, the US economy is caught in a quagmire of severe economic crisis. Present crisis which was initially ignited as a sub-prime crisis, now has taken such a severe form that was never seen after 1930s. Unemployment rate in US is 10% now which is unprecedented. But Obama has been pouring hundreds of billions of dollars of money collected from tax-paying people into the huge bellies of greedy monopolistic corporate lords by pushing American people, particularly working class and middle class people into a state of agony. He cut so many schemes meant for the welfare of the people. Despite all these steps, as there seems no ray of

hope of getting out of this cyclone of crisis, he's been trying to intensify the plunder of resources from backward and poor nations so as to revitalize his economy. Now Obama along with the host of rapacious corporate bosses is not going to come here to enjoy the beauty of Mumbai or Delhi. They're going to visit our country only to push more capital here and to sign many more agreements which would plunder our country's wealth further more. Thus, they are eager to plan to push their burden of their crisis onto the shoulders of India even more. They are coming here only to give suggestions to suppress the Maoist movement which is the biggest obstacle in robbing away the resources of this country indiscriminately, along with all other people's movements, with more barbarity.

During UPA-I, Prime Minister Manmohan Singh ignoring stiff opposition from the people, had civilian nuclear deal with the US passed proving himself a trustworthy servant of the US imperialists. The Nuclear Liability Bill which has been passed by the Parliament recently is nothing but a continuation of this servility. Regarding the Bhopal gas leak accident which led to gruesome death of thousands of people and disaster for hundreds of thousands of people in Bhopal, the wounds in the hearts and minds of the people of India continue to pain till this day. And now the UPA government has in a most shameless manner dared to prepare this Bill enabling many more 'Bhopals' to make their way and ensuring even if such holocausts take place, the foreign capitalists responsible for those would be set free with far less 'liability' (just like Warren Anderson and Dow Chemicals were set free). While BJP has helped UPA government in passing this Bill, the parliamentary Left parties who call themselves Communists, have once again proved their compromising nature by not opposing this traitorous Bill firmly and not initiating people's movement against this. Manmohan Singh worked hard to ensure this Bill passed before the arrival of Obama.

Indian government is acting as a tool in the hands of the US in its geo-political strategy of encircling China which has been rising recently as a new player in the arena of international capitalism. The US is one hand keeping both India and Pakistan of this region in its firm grip and on the other hand, ensuring the enmity between these countries sustained. It's been selling arms to both of these countries and plundering the markets of

both countries. It's been implementing its strategy of global hegemony by tightening the grip over this region on the whole. Indian ruling classes are not at all dissenting and thus supporting the regular bombings and drone attacks of the US on Afghanistan and western Pakistan. In response to this, US is supporting India's policies of intervention and plunder in south Asia region. Now, the Obama's visit and the warm welcome being offered by these comprador rulers and other opposition parties are an integral part of this collusion.

Instead of opposing Obama's visit firmly, the parliamentary Left parties are so showing their eagerness and glad to listen this warmonger. They are cheating the people by saying Obama is not Bush. They are trying to hide the fact that the difference between these two would be equivalent only to the difference between a monster and a beast. BJP is singing the welcome tunes along with Congress showing to its comprador nature as well.

Dear people of India! Democrats!! Welcoming Obama means nothing but a betrayal to the values of sovereignty, freedom, independence, self-reliance, peace, justice and democracy. Inviting Obama to our beloved country means showing servility to its warmongering, invasive, exploitative and hegemonic policies. That's why the Central Committee of the Communist Party of India (Maoist) is calling upon entire people, revolutionary and democratic organizations and all patriotic forces of India to register your protest in various forms and to raise the slogan 'OBAMA! GO BACK!!' loudly in one voice. On this occasion through distributing leaflets, posters and banners and conducting meetings and seminars, we also call upon the people to register your protest to Obama's visit to India and to oppose the UPA government and other bankrupt parliamentary parties who're ridiculing the sovereignty of our country by bowing their heads before the US imperialists.

**Army recruitment campaigns
should be immediately stopped
in areas of 'Naxal influence'!**

Our party, the CPI (Maoist) severely condemns the army recruitment campaigns in areas of 'Naxal influence'. Rosaiah, the Chief Minister of Andhra Pradesh stated that the army recruitment campaigns carried out in Warangal and Karimnagar districts should be extended to all areas of naxal influence in the state as these campaigns would be very useful in pulling out the youth from under naxal influence. This very clearly shows what the stance of the central and state governments is towards the naxal issue.

Already army headquarters and Air Force headquarters were established in Raipur, the capital of Chhattisgarh. In states of naxal influence unified commands have been formed and it was decided that army officers should lead them. The paramilitary and special forces deployed in these areas are being trained under the leadership of the army officers and then sent. All the anti-naxal operations are guided closely by the army experts. In the background of the Mukaram (Tadimetla) ambush where 76 security personnel were wiped out in the valiant attack of our PLGA, the central government had come to the understanding that none of forces other than the army are sufficient for solving the naxal problem and has intensified the preparations to deploy the army. These army recruitment campaigns taken up by the defence ministry are also a part of this.

The central defence ministry which is at present facing a shortage in forces to deploy army in areas of naxal influence, is trying to fill up the deficit by recruiting as many as possible into the army in the next two to three years. The defence ministry is taking up these recruitment campaigns in a scheming manner as it had come to the conclusion that in order to decimate the naxalite movement completely local youth familiar with the local terrain, language and culture of the people are very much necessary and that they could not fight back the naxalite movement without increasing recruitment from them. As part of the LIC (Low Intensity Conflict) strategy

and tactics it is trying to continue army recruitments by luring the youth born in areas of revolutionary movement with the 'promise of jobs' in order to damage the unity among the people through bringing a divide and making them fight each other. The Indian ruling classes want to solve the naxal problem thus through the army.

In 2005 as part of the counter-revolutionary 'Salwa Judum' taken up with the same goal, thousands of SPOs were recruited from local adivasis by the government of Chhattisgarh and ignited the 'civil war' among the people. Now all the people of our country know how 'Salwa Judum' was defeated. The adivasi people had vehemently opposed the white terror created by the Salwa Judum and had defeated it through large scale attacks on the SPO system it had given birth to. The youth had strongly voiced their opposition to the 'SPO job' which creates a divide between the people.

But the central and state governments which have not taken any lessons from this are following the bankrupt policies of recruiting youth into the army by luring with the promise of a job without solving the basic problems of the people who are fighting for 'Jal-Jungle-Zameen' and for the liberation of the country. Our party is giving a call to all sections of people in our country including the democrats, patriotic forces and adivasi mass organizations to oppose this recruitment campaign. The governments have signed hundreds of MoUs to hand over for peanuts the abundant forest and mineral resources in areas where adivasi population lives in large numbers to the MNCs and the Indian comprador big bourgeoisie. The goal of these army recruitment campaigns is to decimate the revolutionary movement which is very strong in exactly the same adivasi areas. Their ultimate aim is to carry on unrestrained offensive on people and revolutionaries in those areas by using the locally recruited youth as a shield and destroy the naxalite movement, chase away the adivasis from the forests and carry on their exploitation without any hindrance. Every citizen should oppose the attempt to build the army from sections of the oppressed people to suppress and annihilate the adivasis and the oppressed people.

Our party is calling upon the youth to boycott these army recruitment campaigns. If they had already been selected, we appeal to them to take

the interests of their people and their class to heart and cancel the selections. In the name of patriotism and by propagating that Maoists are the ‘biggest threat to internal security’ the Indian ruling classes are filling the brains of the youth with poison and are trying to realize their interests by making them cannon fodder. The people of Kashmir and North-East states would tell you what would happen if army is deployed. People would be killed, tortured, incarcerated in *sibirs*, women would be raped and become victims of innumerable atrocities, thousands would be arrested and put in jails – this is what would happen if the army is deployed and it has been proven in history that this had never ensured security for the people. So our party is appealing to the youth not to join the army which leads to the destruction of property and dignity and lives of their parents, brothers and sisters. Please do not become the enemies to your own people.

Our party is calling upon the unemployed youth, their organizations, students and student-youth organizations to resort to united action to solve the unemployment problem. Our party is appealing to the people to fight with the slogans ‘Provide us with jobs other than the jobs of police, home-guard and army’ and ‘Jobs to all the deserving’. They should fight against unemployment, hunger, ill-health, illiteracy, poverty, corruption and displacement problems. The youth should realize the solution to several basic issues like right to land, water and forest is linked to the liberation of the country and should join the People’s Liberation Guerilla Army (PLGA) in thousands.

**Unified Action Plan
To 'Develop' Maoist Stronghold Districts
Is Not Aimed To Solve Any Basic Problems
Of The People,
But To Crush The Revolutionary Movement!
Punish Traitors Severely, Who Are Involved In
Scams Of Billions Of Rupees Of Hard Earned
People's Money!!**

Cabinet Committee on Economic Affairs, yesterday on 26th November, has approved Central Planning Commission's Rs 137.42 billion 'Unified Action Plan' to 'develop' naxal affected areas. Two year long, Rs. 33 billion package of the first phase announced by Home Minister is to spend Rs 250 millions in each of the districts of the 9 naxal affected states in the year 2010-11 and Rs. 300 millions for each of the districts in the year 2011-12. He said cabinet committee will review it after 2 years. These rulers claim that, by providing basic amenities in these poor tribal districts, where more than 50% of the population live below poverty line, want to achieve 'development' and thus aim to solve naxal 'problem'. As per them, basic 'amenities' include primarily roads, later panchayat buildings, electricity, school buildings, education and health. On the one hand, since one year these rulers, in the name of Operation Green Hunt, have deployed more than 200 thousands of paramilitary forces and massacred hundreds of tribal people, now on the other hand, in these same areas want to spend millions of rupees. Is it for the benefit of people? Or is it to further its repression on the people? It is easy to understand. While making this announcement, Home Minister P. Chidambaram insisted to spend all the money by end of the March next and show 'development'. Involving police department in

the programme and placing district superintendents of police in these committees is nothing but an effort to put a 'developmental' mask to their fascist repressive measures. Is construction of roads and buildings for 'people living below poverty line'? Or is it to facilitate state's armed forces, which are carrying out killings at will and crushing their right to live. Any *adivasi* living in these areas can answer this question. Hiding the fact that, by occupying the buildings of educational institutions, armed forces have themselves become a great hindrance to the very education, want to spend billions of rupees to improve educational facilities is an outright deceit. These rulers never bothered, at the loss of lives of *adivasis* every year for minor diseases like diarrhea and fevers can not be trusted, when want to improve medical facilities under these packages.

In fact, since the last two months not a single day passed without the news of scams. People are witnessing, how tens of billions of people's money is being whacked away by corrupt political leaders, ministers, big bureaucrats, corporate bosses and noted media barons. These rulers, who shout on top of their voice that Maoists are the biggest internal security threat and their bankrupt intellectuals who beat the drums in unison are the real big dacoits. This can be easily realised without referring history. Commonwealth Games scam (nearly one billion rupees), 2G spectrum scam (above one billion rupees), Adarsh housing society scandal, Karnataka land scams etc. are enough of evidence. Congress, BJP, DMK, Janata Dal like exploitative ruling class parties are all, without exception, part of this outright plunder. All these scams are more nakedly and blatantly getting exposed before the people. Maoist understanding that the only way out is to smash this deep-rooted, corrupt, exploitative system completely is day by day getting more people's acceptance. This is what is threatening these exploitative ruling classes.

By all these scams, which are visible to naked eye, one can easily guess to where and in whose pockets millions of rupees of money by these economic packages would end up. It's worth noting that these rulers are not afraid of the people that they will mock at them, when they say that 'development' will take place by these economic packages. If we note the fact that Montek Singh Ahluwalia, vice-chairperson of the planning commission, who, designed this economic package, Chidambaram, who

approved it, both of them have sincerely and reliably served in imperialist financial institutions and imperialist corporate houses and the leader of this ruling clique, Prime Minister Manmohan Singh, who himself spent most of his life in the service of imperialist financial and monetary institutions, then it is easy to understand who will be the end beneficiary. On the one hand, signing hundreds of billions of rupees of MOUs with corporations, facilitating the plunder of country's resources in tribal areas, threatening the very existence of tribal populations, turning a deaf ear to the demand by the people and democratic forces to make all MOUs public and cancel them all, on the other hand, talking of 'Development' is a big joke.

We, the Central Committee of CPI (Maoist) severely oppose this anti-people 'Unified Action Plan'. Our CC feels that this is a part of the fascist repressive campaign by the centre and state government-sponsored Operation Green Hunt and facilitate it further. The claim that, backward areas will be developed is a farce, a deceit. The governments, if at all sincere, should first give all rights over *Jal-Jungle-Jameen* to *adivasis* and poor people; cancel all MOUs signed with MNCs and big corporate companies; stop all those projects of big dams, mines, sanctuaries, big steel plants and SEZs which would displace hundreds of thousands of people; and stop Operation Green Hunt immediately under which *adivasis* are being massacred.

On this occasion, our Central Committee demand to arrest and punish severely all those political leaders, ministers and corporate houses' heads involved in Commonwealth Games scam, Adarsh housing society scam, Karnataka land scams etc.; and all those saffron terrorist leaders involved in Malegaon, Ajmer Sharif, Mecca Masjid etc. bomb explosions.

**Rebuild Babri Masjid At The Same Site!
Isolate And Defeat Hindu Fascist Forces!!
Punish Severely Saffron Terrorists
Responsible For Malegaon, Mecca Masjid,
Ajmer Sherief And Samjhouta Express
Bomb Blasts!**

Exactly 18 years ago, on 6th December, 1992, Hindu religious fundamentalist goondas in connivance with the then Congress government at the centre, demolished Babri Masjid at Ayodhya. Firstly, these Hindu fundamentalists made 500 year-old Babri Masjid a controversial site by claiming it as the birth place of Lord Rama and on that pretext many a time instigated communal disturbances in the country killing thousands of Muslims. Demolition of Babri Masjid was the biggest attack by Hindu fascists in the history of our country. The likes of LK Advani, Ashok Singhal, Murali Manohar Joshi, Praveen Togadiya, Uma Bharati, Sadhvi Ritambara, who were directly involved in it were not punished by any court even till today. On 30th September, giving its verdict on the ownership rights of the controversial site, pending for 61 years, the Lucknow bench of the Allahabad High Court with its Brahminical Hindu religious ideology did injustice to Muslims. Without any historical evidence and archeological proof it stated the controversial place to be the birth place of Lord Rama. First occupying Masjid, then demolishing, now by giving verdict to build temple, that too to handover the very forces involved in demolition, clarifies Indian state's Hindu fascist mindset. By this verdict, once again it has been proved that the Houses of justice in this country favour only exploitative classes and Brahminical Hindu religious fanatics, but not peasants, workers, *dalits*, women and religious minorities. By court verdicts a solution to this cannot be found, only by smashing the present system and by establishing New Democratic State, a solution to this can be found.

In the recent past, many evidences surfaced proving the involvement of saffron terrorist groups of the Sagh Parivar in bomb blasts at Malegaon,

Ajmer Sherief, Hyderabad's Mecca Masjid, Samjhouta express. The leaders of VHP, RSS, Bajarang Dal and other organizations on the proxy name of 'Abhinav Bharat' conspired bomb blasts and killed many innocent people. It has become a norm for the police and intelligence agencies to blame Muslims as culprits, wherever and whenever bomb blasts take place, even if at Masjids. Arresting hundreds of youth without any reason and severely torturing, killing in fake encounters, implicate false cases, accusing of having links with ISI and thus playing with the lives is part of the Hindu communal and fascist policies of the governments. By projecting every Muslim as a terrorist through media, governments are trying to suppress them by all means. Those who demand to hang Ajmal Kasab who is involved in Mumbai attacks, at the same time keeping mum or not raising their voice loudly against Hindu fascist killers of Sangh gang is a dangerous sign. Governments are not arresting these saffron terrorists, even if they arrest a few on some occasions, are setting them free declaring innocent by not conducting thorough probe. On the other hand, those intellectuals, journalists, media organizations, newspapers and activists who dare to raise their voice against these Hindu fundamentalist forces are being attacked by Sangh gang at several places. On the whole, the communal fascist trends of the Indian state are taking a severe form day by day.

Secular forces of all religions, democrats and progressive thinkers should come forward and fight unitedly against Hindu communal fascism. All of us must condemn the attacks of Hindu fascist forces on Muslims, Christians and all other religious minorities. At the same time all other kinds of religious fundamentalism should be opposed.

Our Party has been maintaining that the place of Babri Masjid belonged to Muslims; it should be given to Muslims and has been demanding that Babri Masjid should be rebuilt at the same site and those fascist leaders who had demolished it must be punished severely. Our Central Committee calls upon all democratic, secular, progressive and revolutionary forces, organizations and parties to support this demand. Our CC also calls upon entire people to observe 'BLACK DAY' on December 6, by conducting meetings and processions and wearing black badges in protest of Hindu communalism.

**Serving people is not conspiracy!
Supporting people's struggles can never be
sedition!!**

**The Scamsters who amass billions of rupees are
the real conspirators!**

**The Gangsters who sell-out our country to imperialists
are the real traitors!!**

**Observe Protest Week from January 2nd to 8th, 2011 against
the fascist Chhattisgarh government's court judgments that
sentenced Civil Rights activist Doctor Binayak Sen,
Maoist leader Narayana Sanyal, trader Piyush Guha
under sedition for life imprisonment and
magazine editor Asit Sengupta for eight years imprisonment!**

On December 24, the Raipur district additional sessions court sentenced for life civil rights activist Dr. Binayak Sen, our party Politburo member Comrade Narayan Sanyal, trader Piyush Guha under IPC, Chhattisgarh Special Public Security Act and UAPA implicating them in false cases. The life sentences were pronounced by B.P. Verma under IPC section 124 (sedition), 120 B (conspiracy) and many other kinds of sentences were pronounced under various sections of CSPCA and UAPA. The eight year sentence for Asit Sengupta was pronounced on the same day by O.P. Gupta. Both these judgments are the latest additions to the huge cache of anti-people, fascist repressive measures of the Indian ruling classes.

Sentencing for life our party Politburo member Comrade Narayan Sanyal, Binayak Sen, a doctor who had dedicated his life as a doctor serving the poor people selflessly, a prominent civil rights activist and the vice-president of PUCL and Piyush Guha, a trader belonging to Kolkata is the most shameless thing for the rulers to do even while boasting that this is the biggest democracy in the whole world. Opposing the repressive policies

of the government, the fascist Salwa Judum, raising his voice for the repeal of the black law CSPA and standing in support of the just peoples movements are the 'crimes' committed by Dr. Binayak Sen for which he has been punished with life sentence. When he was arrested in May 2007 and kept in jail for two years, immense protests were held and severe condemnations were issued by democratic sections, medical community, Nobel laureates and many others in India and abroad. Pronouncing this sentence ignoring all this can only mean that the fascist rulers are without any scruples or embarrassment issuing a threat to all the democratic, progressive and patriotic sections of our country. If responding positively towards people's issues in a legal, democratic manner, serving the people sincerely and criticizing the anti-people policies of the government is 'sedition', then one can imagine what kind of 'democracy' is being practiced in this country and how dangerous it is for the people. The eight year sentence for Asit Sengupta (editor of the Hindi version of 'A World To Win' which is published in various languages all over the world) who is languishing in jail since three years with the false accusation that he was participating in Maoist activities is nothing but stifling the Freedom of Press. Recently, Chhattisgarh Chief Minister Raman Singh, DGP Viswanathan, Bastar IG Longkumer and Dantewada SP Kalluri gang had published pamphlets under the name 'Maa Danteswari Adivasi Swabhimani Manch' and had openly declared that they would kill journalists SRK Pillai, Anil Sharma and Yaswant Rai along with democrats Himanshu Kumar and Arundhati Roy and had the audacity to declare that it is indeed their own doing! So much for the 'rule of law' harped upon by our rulers day in and day out!

Comrade Narayan Sanyal, a 73-year old veteran communist who began his revolutionary life in 1968 and has dedicated more than four decades of his life for the liberation of the oppressed people, is ailing with various health problems and has been languishing in the dark dungeons of the fascist Chhattisgarh government since five years. The Sonia-Manmohan-Chidambaram-Raman Singh terrorist gang is killing Maoist leaders in fake encounters and sentencing many of them to harsh punishments under black laws. They are subjected to physical and mental tortures in the inhuman conditions prevailing in jails.

On July 29, 2010, our party activist Comrade Malati @ Santi Priya and a worker Surendra Kosaria were sentenced to ten years imprisonment using false witnesses under the case that Maoist propaganda CDs were sent to the MLAs. Amitabh Bagchi, a Politburo member of our party and Comrade Kartik, a state committee member of West Bengal, incarcerated in Ranchi jail, were also sentenced to life imprisonment through fast track court in Jharkhand. On October 29, the AP government sentenced Comrade Panduranga Reddy and three others to four years imprisonment in the Alipiri case (attack on ex-CM Chandrababu) using false witnesses. Many more revolutionary activists and ordinary people are being sentenced to very harsh punishments including capital punishment by the reactionary courts serving the exploiting ruling classes. Comrades Sushil Roy and Kobad Gandhi who are senior leaders and ailing with various health problems and old age; comrades Shobha, Patitpavan Haldar, Pramod Mishra, Vijay, Asutosh, Balraj, Chintan, Biman, Bidhan, Chandi Sarkar, Balganes, Jharkhand Abhen's Jeetan Marandi and thousands of other comrades are denied bail, being implicated in false cases one after another and made to languish in jails for years together. In West Bengal, Comrade Swapna Das arrested under UAPA was denied health care in Jail and became the first martyr of this draconian law.

The UPA government bent on selling our natural and human resources to imperialist MNCs like Vedanta and to comprador bourgeoisie like Tata, Essar, Jindal, Mittal etc has declared CPI (Maoist) as the biggest internal security threat as it is standing in their way offering stiff resistance to this unlimited loot. As part of this, the government is carrying on vicious foul propaganda using its propaganda machine. Since August 2009, in the name of Operation Green Hunt the central and state governments are resorting to brutal attacks on the revolutionary movement and particularly adivasis are being massacred by deploying millions of police and paramilitary forces in Chhattisgarh, Odisha, Bihar, Jharkhand, Andhra Pradesh, West Bengal and other states. This offensive is carried on under the guidance and full support of imperialists, particularly the US imperialists. The exploiting rulers are using every means at their disposal to portray our party which is fighting with the lofty aim of establishing people's government of democratic classes basing on the unity of worker-peasants by overthrowing the imperialists,

bureaucratic comprador bourgeoisie and the feudal classes, as ‘terrorist’ and ‘traitor’. Why are the ministers, political leaders, big bourgeoisie and their brokers, the real traitors who are amassing billions of rupees in scams and stacking them in Swiss Banks shamelessly roaming in the corridors of power not booked under SEDITION? Why are all those criminals who perpetrated and facilitated the Bhopal Gas Tragedy not called CONSPIRATORS? How could striving for the liberation of the toiling masses become SEDITION? How could democrats who raised their voices and pens in support of people’s movements be called CONSPIRATORS?

These sentences are nothing but a part of the bigger conspiracy of the ruling classes to eliminate all kinds of hurdles to their anti-people, unpatriotic and immoral neo-liberal economic policies. This is an alarm signal that fascist repression would intensify further in the near future. These judgments are an eye opener for those who believe and get deceived innocently that there is still some semblance of democracy in this country. Though the overt statements of the ruling gang declare that Maoist movement is their prime target, what is happening in reality is a fascist onslaught on progressive and democratic forces who wish for the welfare of the people and aspire to protect the interests of our country vis-à-vis the imperialists. Our party is appealing to the people to stand united against this offensive and defeat it through a determined fight.

The comprador governments are resorting to suppression of people’s movements and nationality liberation struggles using black laws like UAPA, CSPCA, MCOCA and AFSPA following in the footsteps of the US government which promulgated black laws like the Homeland Security Act. The reactionary legal system which had never bothered to book or sentence the saffron terrorists who had killed many innocent people in the Mecca Masjid, Malegaon and Ajmer Sharif bomb blasts or the scamsters and political gangsters involved in scams like 2G Spectrum (worth 1,76,000 crores of rupees), Commonwealth games, Adarsh housing society, Karnataka lands and dozens and dozens of other scams are eagerly sentencing revolutionaries, people’s leaders, democrats and activists of national liberation movements in Kashmir and North-East.

The CPI (Maoist) Central Committee is appealing to all democratic,

patriotic forces, national liberation activists and to all civil rights activists, organizations, students, intellectuals, teachers, writers, artistes, doctors, lawyers, media friends, workers and peasants to come out on the streets condemning and opposing these judgments delivered through the reactionary legal system by the collusion of the UPA government at the centre and the BJP government in Chhattisgarh. We appeal to all of you to build united and militant agitations demanding the immediate repeal of UAPA, CSPCA, MCOCA and AFSPA. We appeal to all the progressive, democratic and revolutionary organizations, communities and individuals of various countries to condemn in severe terms this criminal act of the Indian ruling classes and express their vigorous protest in various democratic struggle forms. In the past the international community stood in strong solidarity with the Indian people's movements and had condemned the arrest of Binayak Sen and demanded his immediate release. Now the time has come for it to play this role more solidly.

Our party calls upon the people to observe protest week all over the country from January 2 to 8 against these judgments by creatively taking up various protest activities including press conferences, statements, *dharnas*, *rasta rokos*, meetings, protest rallies, processions, signature campaigns, wearing black badges, waving black flags, burning of effigies etc., and to take up legal battles condemning severely the anti-people, traitorous and fascist policies of the ruling classes.

Our party is calling upon all our ranks, PLGA forces and revolutionary mass organizations to take up various protest forms on this occasion by mobilizing vast masses.

Our Central Committee is making it very clear that no call for bandh is being given as part of this protest week and is requesting the people and media not to believe the deliberate propaganda of the police to portray this as a bandh call.

Revolutionary homage to Civil Liberties leader Comrade KG Kannabiran!

KG Kannabiran (KGK), the civil liberties leader, democrat and close friend of Indian revolution, breathed his last on 30 December, 2010 in Hyderabad. He was 82. His demise had left a void in the civil liberties movement of India. Kannabiran's whole life was dedicated to the civil rights movement and he fought on behalf of the poor people in the bourgeois courts to protect them from the injustices of this system. He stood firmly with the oppressed people fighting state violence on them. He always stood in support of the revolutionary masses. KGK's life was inseparably intertwined with the more than four decade long revolutionary movement in our country. He did not cave in even in the face of severe repression on the civil liberties movement in Andhra Pradesh or all over India. In this whole period he stood firmly with the oppressed people fighting state violence on them. He was not only a civil rights leader but also an efficient and bold lawyer who undauntedly argued for the just things he stood for. In the post 70s, he left an indelible mark as a rare personality who had carved a niche in the field of civil liberties and also as a people's lawyer in India.

Kannabiran was influenced by communist politics in his youth and since the wake of Naxalbari he walked in step with the revolutionary movement in our country waged under the leadership of Maoists. Kannabiran's activity as a civil rights leader started in the 1970s and his services in this field continued for four decades. After emergency he took up responsibilities as the President of Andhra Pradesh Civil Liberties Committee (APCLC) in 1978 and served in that post till 1993. He was elected the national president of People's Union for Civil Liberties (PUCL) in 1994 and served in that post till last year. In this course he came closer to the revolutionary movement as the well-wisher of the oppressed people. He proved since the dark days of the emergency period of Indira raj that the "encounters" staged by the state are nothing but brutal murders. Even in his last days, as an unflinching civil rights leader he strongly raised his voice against the brutal murders of Comrades Rajkumar (Azad), Patel

Sudhakar, Apparao and accused the state of perpetrating these murders.

Since the days of emergency, KGK had stood in full support to all the agitations led by prisoners and political prisoners. During the historic jail agitation led by Maoist political prisoners in 1994-1995 in AP, KGK participated in the talks with the government. Thus he strived for the release of hundreds of prisoners which included several revolutionary leaders. Due to the legal services offered by KGK, a number of prisoners could escape the dark dungeons of the jail and gallows. Many among them had once again joined the revolutionary movement. In his last days, he worked as the President of Andhra Pradesh chapter of Committee for Release of Political Prisoners (CRPP).

KGK had persistently argued in courts for years together in the Parvatipuram, Srikakulam, Secunderabad, Ramnagar and Bengaluru and several other conspiracy cases and had proved that revolution is no conspiracy and that revolutionaries are not conspirators. He offered free legal service to poor people on whom false cases have been foisted. KGK's legal service were not limited to AP alone, he freely offered his services to the dalits and poor peasants who fought against age-old feudal oppression in Bihar and other struggle areas. Due to his services, many peasants could escape the gallows. The revolutionary masses, dalits, adivasis and national liberation activists would always fondly remember KGK for the legal services he rendered to their movements as well as the moral support. He gave material help to fellow civil rights activists' families when the activists faced state repression. The values and standards he established in his 50 year career as a lawyer are of a higher quality and worth emulating.

KGK propagated about the callousness of the state in the Indravelli massacre of adivasis in Adilabad, the burning of adivasi villages in Manyam of Eastern Ghats and other atrocities on them. From the 1980s till Operation Green Hunt, the latest offensive of the state on the fighting masses, KGK had consistently and staunchly fought against the state terror on the adivasis and was in the forefront in building a country-wide democratic movement against it.

KGK played a crucial role during the talks between the CPI (Maoist) and the government in AP in 2004. He criticized the government when it

withdrew from the talks and began a grave offensive on the Maoists and exposed the sham behind its mantra of peace chanted till then. Even when the revolutionary movement faced a setback in AP he fought firmly against state violence and inspired others.

KGK was a voracious reader and a prolific and creative writer. He wrote extensively against state violence and on people's issues. He wrote on the anti-people provisions in the constitution and the inadequacies in the laws. Particularly during his last days his writings on revolutionary leaders who were brutally murdered by the state eulogizing their contributions had earned an eternal place in the hearts of the oppressed masses.

The Central Committee of CPI (Maoist) expresses its deep grief at the demise of Comrade Kannabiran and humbly pays revolutionary homage to him on behalf of the whole revolutionary camp. It is sending its deep condolences to his family members, colleagues in the civil liberties movement and friends. Our party sees this decades-long service of KGK for genuine democracy, independence and oppression-free India as an inseparable part of the broader movement for the establishment of people's democratic society. The establishment of a New Democratic society would ensure in the real sense all the democratic rights fought for by comrades like KGK to all the marginalized and deprived people of India and we once again appeal to all on this solemn occasion to vow to carry on the struggle for such a society. It is appealing to all democrats, intellectuals, lawyers and writers to continue the ideals and values he established and to continue his fight for the democratic rights of the oppressed masses of India. That would be the real homage one could pay to this great democrat.

**Condemn the indiscriminate killings
and fake encounters by the police and
paramilitary forces in Odisha !
People would surely defeat
the conspiracy of Naveen Patnaik
to hand over the natural resources of Odisha
to the Corporations by decimating
the Maoist revolutionary movement !**

As part of the massive offensive Operation Green Hunt being conducted in coordination by the central and state governments with the avowed aim of decimating the Maoist revolutionary movement completely, the special police and paramilitary forces have resorted to indiscriminate killings in the past two months in Odisha and have taken nearly 25 lives in cold-blood in various incidents. Of these most of them were fake encounters while others were incidents where hundreds of police and paramilitary were deployed with specific information about the whereabouts of the guerillas and fired indiscriminately on the guerillas and the people with them.

Recently on January 12, 2011, in an 'encounter' in a forest area in Keonjhar district two Maoists had died and on January 9, 2011 in an alleged encounter in Bandhkamali mountains which fall under the Niyamgiri area of Rayagadha district, nine comrades were martyred. Ravi, one of the martyred comrades, is an important leader who has been working among the oppressed people of Odisha for the past few years. He hails from East Godavari district in Andhra Pradesh. Just one week back, on January 2, 2011 in the encounter which was said to have taken place in the Rayaghati forests under Kalinganagar area in Jajpur district, five Maoists including three women comrades were martyred. One among these martyrs was an

Area Committee member of the Kalinganagar area. They were in preparation for some mass activities on the occasion of the fifth anniversary of the massacre of Adivasis on January 2 when this incident occurred. On 29 December, 2010, in an alleged encounter in Talpada forest area of Keonjhar district one woman comrade was martyred. Before this in the fourth week of December the police announced that three Maoists had died in an encounter at Adaba forest area in Gajapati district. In the beginning of January, in another alleged encounter in Bargarh district two persons had died but the people had declared that they were ordinary people and that the police had killed them in cold-blood. Some days before this there were news items in the media that even the encounter in Gajapati district was also a fake one and that ordinary people had died in this. Though huge scale protests were staged by people and democrats on these fake encounters, the Naveen government is not caring a damn and is resorting to murders of ordinary people and revolutionaries unscrupulously.

Odisha is a state abundantly rich in mineral, water and forest resources but it has become the abode of dire poverty and hunger deaths. Odisha is in the first place in iron reserves and it has many other valuable mineral resources. But all this wealth is filling the coffers of the wealthy while the conditions of the poor people are deteriorating. In the past 63 years of so-called independence, the oppressed people of Odisha, particularly the adivasis are getting crushed under the feudal and imperialist exploitation. The Odisha government led by the Mining Mafia Boss Naveen Patnaik has turned Odisha into the paradise of the mining corporations by signing innumerable MoUs with them. More than 49 MoUs regarding steel plants, more than 20 MoUs regarding thermal power plants, some MoUs for alumina refinery projects and a harbor were signed. The MoU worth 55,000 crores of rupees signed with the MNC Posco belonging to South Korea is the biggest foreign direct investment in India. The Odisha government had shamelessly violated its own laws while granting permissions to Tata in Kalinganagar and Vedanta in Niyamgiri apart from Posco. All these MoUs lead to untold miseries for the Odisha people. These would lead to destruction of the forests, lands, water, ecology and all aspects of their lives. This could be one of the biggest man-made disasters in the world. That is why the people of Odisha are fighting against this atrocity

and exploitation.

In the recent past, Odisha people agitated and are still agitating against the exploitation and atrocities of the MNCs and big comprador bourgeoisie companies like Tata, Vedanta, Posco etc. and also against the feudal exploitation in the Narayanapatna area of Koraput district. Government used brutal force against these struggles and killed many people. On January 2, 2006, the police fired on the adivasis who refused to hand over their cultivable lands to the Tata Steel company in Kalinganagar and killed at least fourteen of them. In many other instances, people had become injured or have lost their lives in police firings. People launched agitations against bauxite mines of Vedanta company in Niyamgiri area and against Vedanta Alumina refinery in Lanjigarh. Caving in before the people's agitations, the Central government had cancelled permission to Vedanta with the reason that it had violated rules and regulations. But the people are still continuing their agitation as they feel that as long as the Vedanta refinery exists in Lanjigarh it is detrimental to their very existence and that it would adversely affect their lands and ecology. People of Odisha are fighting against such issues in many places. The Maoist party is leading these agitations in many places and supporting them in others. More important is the fact that people are welcoming the leadership of Maoists and are aspiring for it. The Odisha people have realized that there is no political party other than the Maoist party which could put an end to feudal and imperialist exploitation. The Maoist movement is expanding to many new areas. The Naveen Patnaik government with the full support of the UPA government at the centre is resorting to these massacres precisely because the Maoists constitute the main hurdle to their blanket loot of resources. Particularly, it is obvious to one and all that the callous murder of nine revolutionaries in Niyamgiri area has happened with the aim of facilitating the wholesale loot of Vedanta and under its aegis. Similarly it is also very clear that the fascist massacres resorted to by the government in the Kalinganagar area (in Jajpur and Keonjhar districts) is to facilitate the exploitation of corporations like that of Tata and others waiting in the wings to occupy this whole area. Naveen Patnaik who is gobbling billions of rupees as the stooge of the corporations and his administrative machinery are being threatened seriously by the existence of the Maoist movement. That is why they are resorting to fascist

onslaught on the people and the guerilla squads spending billions of rupees on increasing police, commando forces (SOG), SPO and informer network on a huge scale.

History has proven many a times that it is impossible to suppress the people's movements with murders, offensives and suppression campaigns. The comprador Naveen Patnaik, Vedanta ex-director and the CEO of the present Operation Green Hunt Chidambaram, other ruling class oligarchs and their imperialist masters are dreaming that they would be able to put aside all the hurdles in the path of exploitation of the feudal classes and the corporations by crushing the Maoist revolutionary movement. The people are bound to come to the fore more militantly to intensify their struggles. Though the spate of encounters in the past few days indicate the intensity of the offensive on the Maoists this should be seen as part of the overall offensive on all the people's movements fighting against their loot. We can stop these massacres only by taking up arms and fighting in a united manner against the anti-people, pro-imperialist policies followed by the blood-thirsty Naveen government and against corporate exploitation.

The Central Committee of the CPI (Maoist) is appealing to all the people of our country and democrats to condemn in severe terms these atrocious massacres and fake encounters. We are appealing to the people to demand independent judicial inquiry into all these incidents of firings and to demand punishment for all the police officials involved in them. We are appealing to all that they should realize that these offensives are not carried on exclusively on the Maoist movement and that they are aimed at all those who are raising their voice or fighting against this corporate loot. Our Central Committee is calling upon all the democratic, progressive and patriotic forces to unite and fight against the corporate exploitation and against the massacres perpetrated by the central and state governments and against the Operation Green Hunt carried on for the incessant loot of our resources.

Unite And Fight Against Price-rise, Scams And State Terror!

Make Success Country-wide Protests From 4 to 6 February And Bharat Bandh on February 7

The latest addition to the already long-list of sufferings of the people of our country is the new rise in food inflation to 18.5 percent with prices touching the sky. On top of this petrol prices have been hiked (Rs 2.50 per litre) from the midnight of 15 January which would again lead to more price-rise in all items particularly in food items. The life of 'Aam Aadmi' would become even more miserable with the prices of onion, *mirchi*, *atta*, pulses, vegetables soaring. Though price-rises have become an integral part of our life since decades, this kind of price-rise in the conditions where more than 90 percent of the workforce is employed in unorganized sector and where 83 percent of the people live on less than 20 rupees daily income, the connotations are grave and disturbing. Add to it the continuous loss of employment of even white collar jobs of the middle classes due to the world wide economic crisis and the picture which emerges is even bleaker.

It is one thing to put up with this. But how should one also put up with the most inhuman, cruel, insensitive and callous statement of the person in the highest post in our country, that too a person who is supposed to administer this country efficiently so that the lives of the people turn for better? While the people and particularly the children of this country are dying in their lakhs each year just due to lack of food and nutrition, this person had the audacity to declare that the present price-rise is due to the increase in food consumption of the poor people! This is the zenith of shamelessness one can ever reach. It is not our fault if this sounds like an echo of what an equally if not a more barefaced person named Mr. Bush (Junior) said some days back accusing the people of countries like China and India of consuming more, leading to a crisis! At least one could understand the contempt a President of the imperialist country (US), the

number one enemy of the world people, would have for the people of third world countries. But Mr. Manmohan Singh! You have out stepped all the limits of decency and humanity in expressing such contempt for the people of the country you are supposed to lead. The blood of every patriot boils and the face of every citizen burns with indignity to hear this from the high offices of this country. Surely our beloved country and its dignified people do not deserve this shabby treatment.

It is under the aegis of this Prime Minister that a Mukesh Ambani builds a *Mahal* worth 3,500 crores, ministers function on a daily basis from five-star hotels, trillions of rupees are guzzled in scams by every single person who is even a bit of somebody in his parliament or his administrative mechanism and army/police/forest services (the 1,76,000 crore 2G Spectrum scam is still fresh in public memory) not to mention their billions of dollars stacked away safely in Swiss banks! All the future trading, hoarding, black marketing, faulty PDS which have become the trademark of the 'independent' India have all been brazenly pushed aside as the possible reasons for this appalling inflation rate and the poor people who are breaking their backs in conditions which can be compared to the medieval times (again a fallout of the LPG policies gifted to us since 1991 by this reliable servant of IMF and World Bank) and are not even able to have one square meal in a day have become the culprits. Wah ! Great Economics indeed, worth a Nobel Prize! This is not just a cruel joke on the poor people of our country (whom he doesn't represent at all) but also an unabashed attempt to cover up the scams and hoarding of the richie rich people of our country and the imperialist countries (whom he represents so well) and to divert the attention of the people from the actual causes of inflation and burning problems at present.

What is the actual condition prevailing? On the one hand, people are tragically suffering with this price-rise while on the other hand a new scam is rising on the horizon along with the sun every day. The price-rise is closely linked with the scam-rises of the ministers and high-rises of the comprador bureaucratic bourgeoisie along with the rise in their bank accounts in the Swiss banks. (Remember? India refuses to reveal the names of those persons who have amassed billion of dollars in these banks?) The recent 2G Spectrum scam has exposed the back door deals of the big

players of the corporate world, ministers and hi-fi media people while the series of scams which came to light have uncovered the brash pillage by all the parliamentary parties of the resources rightfully belonging to the people. The BJP which had stalled the proceedings of the Parliament for a whole session with the demand of instituting a JPC on 2G Spectrum scam is desperately trying to masquerade as a 'clean party' hiding its own set of scams, one of the major of these happening in Karnataka under BJP Chief Minister Yedyurappa. The close relations which Congress and BJP, including the leader of opposition Ms. Sushma Swaraj have with the notorious mining mafia bosses Reddy brothers are well documented. There is another purpose too. With Aseemanand singing in police custody and the unearthing of other evidences, the direct involvement of the saffron terrorists in the Samjhauta Express, Malegaon and Mecca Masjid blasts stands exposed and the JPC probe demand and the uproar about price-rise are aimed at diverting the attention of the people from the heinous criminals involved in those blasts. The UPA government dumped A. Raja, of course after lot of hullabaloo due to inescapable evidence implicating him, in the 2G spectrum scam in order to save the skin of the Prime Minister and Sonia who are the directors of this sky-scraping scam and without whose involvement such a spectacle would be impossible. The names of highest level ranking generals in the army have also come up in scams not to mention the bureaucrats. The mother of all scams but which is not so visible is the stockpiling of thousands of crores of rupees by the likes of Naveen Patnaik, Raman Singh, YSR (now dead), Yedyurappa, Nitish Kumar, Narendra Modi, Vilasrao Deshmukh and Ashok Chavan in the form of commissions earned through the MoUs they are signing with the MNCs and imperialists. YSR had alone earned nearly 60,000 crores of rupees in his term as CM and one can imagine how many billions of rupees of the hard earned money of the common people is filling the coffers of all these super gangsters.

The people of our country are not sitting quite while these scamsters and gangsters are pillaging our wealth. In every corner of our country people are agitating at various levels and in different forms against corruption, all kinds of anti-people policies, price-rise and loot of natural resources. Of all these resistances, the most organized and militant struggle is waged by our party the CPI (Maoist). That is why it was named the

biggest internal security threat by the Sonia-Manmohan-Chidabaram gang and an unprecedented countrywide multi-pronged offensive was launched on it in the name of Operation Green Hunt (OGH). The intensification of the anti-people, pro-imperialist policies which give rise to scams and price-rise and the repression on CPI (Maoist) are directly proportional and this became particularly obvious in the past two months. The Prime Minister and Home Minister are conducting series of meetings to crush the Maoist movement and in the latest meeting held in January first week with higher level officers of police and paramilitary forces of six states, they laid emphasis on synergy between intelligence agencies, paramilitary and the police. This insistence on synergy is not an innocent proposal but is aimed at perpetrating more massacres, mopping up campaigns and clearing the *adivasis* and Maoists from the forests. Some more billions of rupees were allotted for this War on People.

In West Bengal, the social fascist CPM in collusion with the central government has increased the number of camps to 140 in Jangal Mahal and Lalgarh and filled them with police, paramilitary and its own counter-revolutionary Harmad Bahini goons, with an eye on the upcoming elections. That the ongoing atrocities and repression on the people of these areas would increase is anybody's guess and the massacre by CPM/Harmad cadres of eight people and injuring many more in Lalgarh area in the first week of January are an indication of the terrible things in store. On December 3, 2010, the police arrested the West Bengal state secretary of our party Com. Sudeep Chongdar, state committee members Kalpana Maiti, Barun Sur, Anil Ghosh and some other comrades while another state committee member Com. Dwijen Hembram was arrested earlier. They were cruelly tortured and false cases were foisted on them. Particularly, the insulting and inhuman treatment meted out to Com. Kalpana is denigrating the dignity of a woman.

In Bihar and Jharkhand arrests, tortures, barbarous attacks and murders of Maoist cadres are continuing. In Andhra Pradesh despite the claims of the ruling classes that they have suppressed the Maoists, fake encounters and attacks on the people haven't stopped. On 17 December, 2010, in an encounter in Visakhapatnam district four comrades including three women were killed. People fighting against seizure of their lands for SEZs, thermal

power plants and for a separate Telangana state are being fired upon indiscriminately.

In an unprecedented severe offensive on Maoist areas in Odisha in the past two months nearly 25 Maoist cadres and ordinary people were killed and most of these 'encounters' were fake. Five Maoists in Kalinganagar area on January 2, nine Maoists in Niyamgiri area on January 9 and two Maoists in Keonjhar area on January 12 were killed in so-called encounters. Right in the beginning of this year two villagers were killed in cold-blood in Bargarh district and the police claimed it was an encounter.

On 8 October, in Savargaon of Gadchiroli district of Maharashtra (Dandakaranya), the ITBP forces had fired mortars shells on a school leading to the death of 6 people including two school children and injuries to eight more. On the next day on 9 October, in a fierce encounter in Mahasamund district of Chhattisgarh (CG) six comrades were martyred and the police killed two innocent villagers mercilessly in the same incident. On 23 November, the CRPF had massacred nine villagers near Jegurugonda in Dantewada district. The CG government is suppressing dissent in the most reactionary manner by arresting democratic intellectuals, putting them in jails and pronouncing harsh punishments on them. The recent conviction of CPI (Maoist) Politburo member Narayan Sanyal, Human Rights activist Dr. Binayak Sen, trader Piyush Guha and editor-writer Asit Sengupta is a blatant example of this. Though this offensive is obviously directed against the Maoists, in reality this is directed against all those individuals and organizations that are resisting the policies of the government.

Beloved people of India!

This is not the time to cry over the depths of despair and degradation the ruling classes are forcing us into. The need of the hour is for all the people to come together and fight back the anti-people, repressive and pro-imperialist policies of the state and to direct our fight against scamsters, hoarders, black marketeers and forces of the repressive state.

Our Central Committee appeals to all the people to observe protests from 4 to 5 February and one-day Bharat bandh on 7 February against price-rise, scams and state terror. We are making it clear that there would be no bandh during the protest days and that Bharat bandh would be

observed in six states – West Bengal, Jharkhand, Bihar, Odisha, Chhattisgarh, Andhra Pradesh and three districts in Maharashtra – Gadchiroli, Gondia, Chandrapur and one district in Madhya Pradesh – Balaghat. Medical services and people attending examinations and interviews will be excluded from the bandh activities.

**Condemn the war of occupation on Libya
by US-France-Britain!**

**Express solidarity to the people of countries
like Tunisia, Egypt, Yemen, Bahrain, Algeria,
Morocco and Jordan
who are fighting for democracy and
independence!**

**Oppose the intervention of imperialists,
particularly of US, Britain and France
in the internal matters of Arab countries!**

For the past few weeks, the people's upsurges in Arab world are shaking the imperialists, particularly US imperialists while at the same time greatly influencing the people of the world. Starting from Tunisia this spread to many Arab countries. Ben Ali, the President of Tunisia who has been suppressing the people of Tunisia since 23 years and Hosni Mubarak, who was ruling Egypt since 30 years had to step down and run away dreading these mass upsurges. The mass movements in countries like Yemen, Bahrain, Algeria, Morocco, Jordan etc are ongoing in the same vein. The Arab population is demanding with one voice that their rulers who have been carrying on dictatorial rules since decades colluding with the imperialists should step down. Lakhs of Arab people, particularly the youth are defying ban orders and are pouring into the streets. Streets and squares have become seas of masses for weeks together. Hundreds have laid down their lives and thousands were injured in the crackdown by the governments. But now with the war on Libya by NATO countries led by US, the entire Arab world phenomena took a crucial turn.

In the name of stopping Libya from using its armed forces to suppress the rebels opposing Qaddafi's rule, the Security Council made the 'No fly zone' resolution. The NATO countries led by US voted in favor of the resolution while Russia, China, Germany, Brazil and India abstained from voting. Nor did the ones with Veto power use it to stop this resolution. Obviously these countries had indirectly condoned the military action by not opposing the resolution. The Manmohan Singh government is deceiving the people of India and the world by shedding crocodile tears in the aftermath of the attacks without even caring to condemn the attacks formally. US which had never condemned the arbitrary killings of Palestinians carried out by the Zionist Israel umpteen number of times by confining dozens of UN resolutions to the dustbin and which had used its Veto power for Israel most indiscriminately and other western powers have immediately started bombing Libya as soon as the UN resolution was made. On the very first day of this attack which is said to be part of an international campaign, 18 bomber jets belonging to France had rained at least 40 bombs on several targets. The US and Britain navies have targeted the security systems in Libya and have launched missiles. 18 Air Force B-2 war planes of US launched more than a hundred missiles on Libya and bombed several targets. In this war launched in the name of preventing massacres that could be perpetuated by Qaddafi forces, hundreds of civilians have lost their lives. Nothing could be more callous than asking the world people to believe that the value of the lives (deaths) of the Libyans change according to which bombs took their lives! The very media houses which have been relaying badly twisted news items supporting this NATO war on Libya hiding the facts on the ground had to admit that in the first attacks many children had died. They have once again nakedly displayed their class nature in the reportage of this one-sided war.

The UN which calls itself a neutral organization has once again proved itself to be a puppet in the hands of imperialist countries like US, Britain, France etc. Secretary General Ban-Ki-Moon is behaving like their poodle. In the inhuman attacks on Gaza launched by Israel in December 2008, nearly 1,417 Palestinians (most of them women and children) lost their lives and many thousands of them were injured; Israel illegally used white phosphorus on the Gaza people and many of them became cancer patients

due to this; it used F-16 bombers and resorted to ‘targeted killings’ and virtually made 15 lakhs of Gaza people live in conditions of an open jail without even drinking water or electricity – but all these were not enough for the UN to make a no-fly-zone resolution. The neo-Nazi Rajapakse government launched a genocidal war on Tamils to decimate LTTE and rained tonnes of bombs on residential areas and civilian targets and had killed 20,000 Tamils just in the last two days of the war; the atrocities committed by the Sinhala chauvinist army on the captured women tigers not sparing even their dead bodies have horrified the world – but the UN did nothing. In the past quarter of a century the Indian government through its army had crushed to death more than 80,000 Kashmiris under its iron heel – but the UN could not be woken from its slumber. And now the UN wants the world people to believe that this war on Libya is indeed being fought to protect the Libyans from Qaddafi forces. Shame on it! There is not even one instance where it had acted for the interests of the oppressed nations or the people while we can quote dozens of instances where it had jumped to save the US, Israel or other western countries’ interests even if there is so much of a scratch.

The war on Libya defies the very spirit of the no-fly-zone resolution of the UN too. In the name of implementing the UN resolution made to prevent Libyan planes from bombing the rebels US, Britain and France are indiscriminately bombing Libya. This is nothing but a war of occupation. The real motive is to oust Qaddafi and replace him with their favorable ruling clique and loot the oil resources there. Nobody is so innocent as to believe that Obama is bombing Libya to protect Libyan rebels while he had sent Saudi Arabian troops into Bahrain through the back door to suppress the people’s rebellion there. This blood-thirsty ‘Nobel Peace Prize Laureate’ who is killing hundreds of innocents in drone attacks in Afghanistan and western Pakistan has no moral right to utter even the words ‘lives of innocents’. The western countries which never bothered about the lives of people when the armed forces of the dictators of Saudi Arabia, Yemen, Jordan etc, whom they had been supporting all these years, fired upon people killing them in scores are now bent upon dethroning Qaddafi – mind you, not for any selfish interests but ‘to save the Libyans’. Unadulterated imperialist hypocrisy!

Ben Ali of Tunisia, Hosni Mubarak of Egypt, Ali Abdullah Saleh of Yemen, Isa Al Khalifa of Bahrain and King Abdullah of Jordan are the dictatorial rulers who have been suppressing the people of their countries since decades colluding with the western imperialists, particularly the US imperialists. The façade of democracy and elections in these countries can be gauged from the fantastic statistics that Ben Ali always got 97 to 99 percent of the votes?! There was no semblance of any democratic or civil rights. The police and intelligence departments were developed to monstrous proportions and they had been controlling the lives of people suppressing even an iota of dissent. Unemployment is on the rampage. Yemen alone has 40% unemployment. On the other hand the rulers are amassing immense wealth due to the rich oil resources there. Countless billions of dollars are stashed away in foreign banks. The world was astonished to find that Ben Ali had actually carried one and half tonne of gold physically with him while running away. Tip of an ‘oilberg’? The ill-effects of the worldwide financial crises on the Arab people since 2008 are as severe as in any other part of the world. More than half the population there is living on less than two dollars a day. These dictators are spending people’s money indiscriminately in the ‘War on terror’ launched by US in the name of suppressing Al Qaeda. Yemen started a counter-terrorist training programme with 750 millions of dollars. Such misuse of people’s exchequer while cutting subsidies on essential services etc earned the wrath of the people. All these years the imperialists have stood in support of all the exploitation, oppression and repressive measures of these dictatorships on the people of their countries and have been cashing in on the several contradictions between various religions, tribes, nationalities and between sects like Shias and Sunnis. Now seeing the scale of the upsurges the imperialists have decided to trade new horses getting rid of the old ones. They made Ben Ali and Mubarak step down and had the power transferred to the military generals. In other countries the western powers are still supporting the dictators. The 22 nation Arab League is behaving like a stooge of the western powers in this entire episode and is neither displaying any shades of Arab nationalism nor giving voice to the anti-imperialist aspirations of the Arab people.

Only those rulers who fulfill the democratic aspirations of the people

and unite them and oppose imperialism unequivocally can defend and preserve the independence and sovereignty of their countries. Any ruler, whether it is Qaddafi or any other, who resorts to autocratic rule over his people can never fight imperialism uncompromisingly. He can never unite people against imperialism.

The imperialists have been resorting to many conspiracies and scheming right from the beginning to establish their authority in West Asia and North Africa which are home to immense oil resources. They have stood in support of the dictators who bent their knees and preserved imperialist interests. If they think that he is a hindrance to their interests they are not hesitating to 'use and throw'.

Call of CPI (Maoist) to the Arab people

The Arab people should continue their agitations against dictators and imperialists with great determination. They should firmly oppose the attempts of imperialists, particularly US, Britain and France to hijack their movements. They should stay alert towards the military councils which came to power in place of the dictators. We are cautioning the whole Arab population not to get deceived by believing that the military generals who had all along supported the dictators would now guarantee democracy. All the anti-imperialist, democratic, patriotic sections including workers, peasants and middle classes should unite. The only path before the Arab population is to fight uncompromisingly with imperialism under the leadership of the proletariat. The recent phenomena in the Arab world has once again proven clearly that guidance of Marxist ideology and leadership of the vanguard of the proletariat, i.e. of a revolutionary communist party are inevitable for the true liberation of the oppressed masses. The namesake independences won by these countries from colonialism has given way to neo-colonial exploitation resulting in unbearable living conditions and the Arab people are direct victims of this since the past 40-50 years. If the Arab people have to win real independence then they have to stand on their own legs, destroy neo-colonialism and fight imperialism firmly. They should fight a united war against US, Britain and France imperialists who are waging an unjust war on Libya. CPI (Maoist) is hopeful that the struggles against the comprador bureaucratic rulers supported by the imperialists would definitely

grow into determined resistance struggles against imperialists, against their intervention and against the unjust wars imposed by them. Only then could the Arab world be liberated from the clutches of dictators and imperialists.

Call of the CPI (Maoist) to the people of India and the world

The upsurges of the Arab people for freedom and democracy are entirely just struggles. Though there are some reactionaries like religious chauvinists among the agitators, these movements are democratic and progressive. Express solidarity to these movements. Condemn with one voice the unjust war imposed on Libya by the Western imperialists and the intervention of the imperialists in the Arab world.

- Stop immediately the unjust war on Libya by NATO forces led by US!
- The imperialists have no right to intervene in the internal matters of Libya!
- Expose the interventionist policies of imperialists, particularly of US, Britain and France in the Arab world!
- Support the just people's movements in the Arab countries!

Boycott the assembly polls in the five states!

**Intensify the People's War to establish the People's
Democratic State**

**by uprooting the present semi-feudal and semi-colonial
system of exploitation, oppression, corruption, violence,
atrocities and insults!**

The farce of assembly polls in the five states of Assam, Tamilnadu, Kerala, Pondichery and West Bengal is on. While the people of our country are facing corruption, price rise, poverty, hunger, unemployment, loot of resources, displacement, destruction of ecology etc, all the parliamentary parties are oblivious to these life and death problems of the people and are engaged in a severe violence filled contest to capture power by hook or crook. Apart from the main exploiting classes' parties of Congress and BJP who are in the forefront in implementing the imperialist-dictated economic policies, other ruling class parties like the CPM which is implementing fascist rule in West Bengal since 30 years, the DMK and AIDMK that are notorious for their corruption and malpractices, the Assam Gana Parishad which shamelessly betrayed the national aspirations of the Assam people are mainly in the race. They are indiscriminately using money power, muscle power, identities like caste, religion etc and are vying with each other for votes. All kinds of cheap tricks are being used like wooing the voters with everything under the sun from sarees to computers. Millions of rupees are poured down the drain just to 'buy votes'.

For the past 30 long years, CPM has been carrying on a social fascist rule in West Bengal in support of the feudal, imperialist and comprador bureaucratic capitalist exploitation and has been completely exposed before the people. For the sake of comprador capitalists like Tata, Jindal etc and for the sake of SEZs the fertile lands of peasantry were sought to be seized. The cruel repression, the inhuman massacres and the atrocities on women perpetrated by the state police, central paramilitary forces and the goonda force of CPM, the 'Harmad Bahini' on the militant peasantry of

Nandigram and Singur who opposed seizure of their lands and the heroic people of Lalgadh who rose in an upsurge against police atrocities will remain a permanent blot in the history. Parties like the CPI and Forward Block which are sharing power with the CPM as part of Left block are getting exposed with each day for their bankruptcy of continuing with the CPM in all the anti-people policies it is taking up. The Trinamool Congress under Mamta Banerji's leadership is cashing in on the dissatisfaction and the hatred among all sections of the people towards CPM and came to the fore as a strong contender for power. So now the CPM is facing the danger of losing its power. Whatever Mamta Banerjee may promise today, once in power her rule is not going to be basically any different from that of the CPM. It is very clear that her rule in alliance with Congress would be a continuation of the pro-feudal, pro-corporate and anti-people policies implemented by all ruling class parties including the CPM till date. Along with Congress, BJP and CPM, Trinamool Congress is also a party which represents the interests of the feudal and comprador bureaucratic capitalist classes, bending its knees before the imperialists. So the only way before the people of Bengal is to boycott these sham elections and to build militant people's struggles while keeping the Maoist People's War at the core with the inspiration of the glorious struggle spirit of the Lalgadh people. The real alternative is to expand more militantly and in a more organized manner the alternative people's political power which came to the fore in an embryonic form as a result of the historic Lalgadh movement.

Using their power in the state and in the UPA alliance at the centre Tamilnadu Chief Minister Karunanidhi, A. Raja and his other bandit coterie have resorted to scams swindling billions of rupees and are now spending millions of rupees to come to power again. Karunanidhi granted permissions to nearly 70 SEZs and gave away thousands of hectares of prime land to MNCs. The living conditions of the peasantry and workers are worsening. More than 25,000 workers were retrenched in the past two years in Tirupur which resulted in the suicides of more than a thousand garment workers. AIADMK under Jayalalitha's leadership is trying to come to power by hook or crook utilizing the dissatisfaction among the people towards DMK. However the people of Tamilnadu are more than aware that she is also a notorious bandit who hoarded billions of rupees misusing power. DMK and

AIADMK who do not tire of focusing themselves as the champions of the Tamil cause have indirectly supported the massacres of Tamils and the unjust war waged by the Sinhala chauvinist Rajapakse government in Srilanka with the support of India, China and US with the aim of decimating LTTE. Rejecting these two parties and other parties which are in cohorts with them and intensifying mass movements and revolutionary struggles is the only alternative in front of the Tamilnadu people.

The ruling Left Front in Kerala is bogged down in several corruption scams and earned the ire of the people by fulfilling the interests of the corporate classes. Using this situation the UDF under the Congress leadership is leaving no stone unturned to come to power. The AGP which had a past history of waging struggles representing the national aspirations of the Assam People has completely betrayed the cause and is now vying for power in the state. This party was hand in glove with Congress in suppressing the just national struggles of ULFA, Bodos etc.

Particularly, in the past few years many corruption scams have come to light and the real face of the political system of our country is getting exposed. It became crystal clear through the recent 2G Spectrum scam how the ministers of all parties, leaders, corporate bosses and media barons have colluded to amass billions of rupees. On the other hand, with the aim of suppressing the various sections of people, people's movements and revolutionary movements that are waging struggles on various people's issues, repressive campaigns are launched deploying security forces. Fascist laws are formulated and the people and revolutionaries are jailed for years together without any trial. Harsh punishments are pronounced. All the rights which are supposed to be granted by the constitution are curbed including the right to live.

The central government had deployed more than 800 companies of paramilitary forces for the 'smooth conducting' (read violence, atrocities, firings on people, arrests and rigging) of elections. It is worth noting that out of these, more than 600 companies are for West Bengal alone where the Maoist movement is relatively stronger. Long before the elections, CPM had deployed thousands of armed goons belonging to its goonda army Harnad Bahini in the villages, particularly in dozens of villages in the

Jungle Mahal area. These armed goons and Joint Forces have already been perpetrating countless unspeakable brutal atrocities and violent acts on the masses. This means that all preparations have been completed to herd the people into polling booths pointing barrels of their guns at their backs and for unprecedented mammoth rigging. Particularly in West Bengal CPM readied itself to perpetrate huge scale violence to continue in power at any cost.

It has been proven beyond doubt in the past 64 years history of so-called independent India that any party or alliance in power or any party or alliance which wants to come to power is only fulfilling the interests of the feudal, comprador bureaucratic bourgeoisie and the imperialists and not that of the 95 percent of the population constituting workers, peasants, employees, students, women, dalit, adivasi and other oppressed classes/sections in our country. The election process is itself a big sham. It is a farce conducted to strengthen the rule of the exploiting classes. Only the color of the ruling alliance or the party it represents changes with these elections but nothing changes basically in the system. None of the fundamental problems of hunger, poverty, unemployment, price rises etc can get solved through this. Money is spent for getting elected, it is the moneybags which sit in the parliament/assemblies and rule us and it is they again who amass wealth which is many times over what they spent to get elected. The increasing number of criminals who are accused of murders, kidnaps, rapes and such abominable crimes in all the parties contending in elections is an indication of their true nature. That is why our party makes it clear that the parliament and assemblies are nothing but 'pigsties'. Without uprooting this whole rotten system the lives of people can never improve. Successfully completing the New Democratic Revolution and building a People's Democratic State of all oppressed sections on the basis of worker-peasant unity is the real alternative before the people of our country. Our Central Committee is issuing a call to the people to rally into the People's War waged under the leadership of our party.

Beloved People of Our Country !

Boycott the assembly polls in five states! A country which calls itself a 'democracy' should honor the right not to vote along with the right to

vote. We must fight against curbing of this right. We must raise our voices against herding people into polling booths pointing guns at their heads. Reject the fake parliamentary democracy rotten with corruption and scams. Welcome the alternative people's democratic political power which is being established at a basic level in Dandakaranya, Bihar-Jharkhand, Odisha, Bengal and other places under our party's leadership and come forward to establish people's power in all four corners of our country.

Intensify Mass Struggles To Put An End To Institutionalized Corruption!

In recent times, corruption has once again come to the forefront as a main issue with the exposure of massive scams like 2G spectrum, Commonwealth games, Adarsh housing society, Karnataka land scams, S-Band spectrum scam. Workers, peasants, adivasis, dalits, women, and urban middle class - all classes and sections of the society are expressing their deep discontent and anguish. Recently we saw great support to the hunger strike of Anna Hazare, which is the direct consequence of the widespread discontent in the people against corruption, corrupt political parties and their leaders. Though the demand for hunger strike is Jan Lokpal Bill, the aspiration of the people is to completely wipe out corruption.

It would be innocence, if anyone feels that by setting up a committee to frame Lokpal bill and by selecting half of the committee members from civil society would itself finds a solution. In fact, lack of rules and laws is not the cause for endless and deep-ridden corruption. Way back from jeep scam, Lockheed's airplane deal to late Rajiv Gandhi's Bofors deals, our country has seen many a scams starting from a few million rupees to trillions of rupees. Not only main parliamentary parties like Congress and BJP, leaders and ministers of all other national and regional parliamentary parties like RJD, BSP, SP, DMK, AIADMK, TDP and hand in glove beaurocrats have a long history of corrupt practices. By proper implementation of the existing laws in the country and by the proper functioning of anti-corruption wings, scams like these can be prevented to a grate extent and those responsible for these can be severely punished. In the last 64 years history of 'independent' India, we don't find a single incidence, where corrupt politicians, ministers, heads of corporate houses and beauraucrats have been punished. Due to pressure from people or opposition parties, even if arrested in some rare cases, by prolonging investigation and diluting of the charges, they get scot-free without any stringent punishment or with nominal punishment. This is because; the

judiciary of this country is also an inseparable part of this exploitative state machinery. None can be under the illusion to end corruption through these laws and court rooms.

We have to first realize that corruption is not an issue confined to a handful of bad or greedy individuals. The root cause of all these corruptions and scams lies in the capitalist system whose sole motto is cut-throat profiteering. In spite of preaching liberty, freedom and democratic values, in practice it's based on intense labor exploitation, bribery, commissions, kickbacks etc. Hence ending of corruptions and scams is an issue which is linked with the revolutionary transformation of present system. It would be illusionary to expect a complete solution to this by bringing in few fine laws while keeping this semi-feudal and semi-colonial system in our country intact.

In fact, the scams that have not surfaced are many times more compared to the ones that have surfaced. For example late chief minister of Andhra Pradesh, YS Rajasekhar Reddy, present chhattisgarh chief minister Raman Singh, Odisha chief minister Naveen Patnaik, chief ministers of Jharkhand Madhu Koda, Shibu Soren and Arjun Mundas, Karnataka chief minister Yediyurappa and likes, by signing agreements with mining mafia and big companies have amassed huge commissions amounting to tens of billions of rupees is being exposed even in the media. LPG policies being pursued by the governments have opened the floodgates for rampant corruption, huge scams and massive plunder of natural wealth of our country. Hence, without unequivocally opposing imperialist-dictated anti-people government policies and without focusing mass struggles against these, just speaking and hoping to wipe out corruption is to mislead people.

Anna Hazare ended his fast with the government's decision to form a committee to frame Lokpal bill. But justice is not meted out to the people who are aspiring to put an end to corruption. In fact, government accepted this demand not in fear of Anna Hazare's fast, but to pacify people's anguish that came forth in support to his fast. It is noteworthy that ruling classes accepted to this demand only because any numbers of laws like these in no way affect the present system.

The Central Committee of the CPI (Maoist) welcomes countrywide

response of the people against corruption. Our Party believes that only through the united, well-organized and militant mass struggles, corruption can be put to an end. Our Party calls upon the people of our country not to get satisfied by the namesake laws and forming new committees to frame such laws by the government and not to end these struggles, but to continue with firm conviction. We call upon workers, peasants, students, intellectuals, employees, pro-people Gandhians and all other patriotic forces to come forward and to form a broad alliance to fight against corruption which has affected our country. Our Party appeals to raise voice against all these thieves and dacoits who are involved in endless corruption, scams and plunder and who have stashed trillions of rupees of black money in Swiss banks, have no right to be in power even for a moment.

Condemn police firings and arrests of people agitating against Jaitapur nuclear power plant!

Fight for scrapping of all proposed nuclear power plants in the country including Jaitapur plant!

On April 18, 2011 police fired on people agitating against the planned 9,900 MW Jaitapur nuclear power plant and killed Tabrez Soyekar (32), an anti-nuclear activist belonging to Nate village and the sole breadwinner of his family. Eight other demonstrators were seriously injured. Protestors attacked and damaged a hospital to prevent a government autopsy on the dead body as they believed the government would not conduct an impartial autopsy. The four year old agitation which intensified after the nuclear disaster at Fukushima nuclear power plant in Japan had gained enough first hand experience of the government's callousness to believe so.

Coldly ignoring the increasing protests and not bothering to compensate or reassure the victims, the Environment Minister Jairam Ramesh and the Maharashtra government (the spineless pet dogs of imperialists) restated their intention to go ahead with the construction of the 'world's largest nuclear power complex' with six reactors. In fact, the above protest was against this very stand of the government to build the nuclear power park 'come what may', deliberately unmindful of the Fukushima tragedy.

Nearly 100 people and eminent activists from all parts of India (Maharashtra, Gujarat, Tamilnadu, Jharkhand, West Bengal, Haryana, Madhya Pradesh) who gathered to participate in the national anti nuclear yatra planned from Tarapur, the First Nuclear power plant in India to Jaitapur from 23rd to 25th April were detained illegally by the Police. In fact, after Fukushima there were a spate of protests – both new and as a continuation of already ongoing agitations – against nuclear power plants in all corners of the country especially in Haryana, West Bengal and Andhra Pradesh, if only our stone-deaf rulers would care to hear.

The nuclear plant site covers the five villages of Madban, Nivel, Karel, Mithgavane, and Sakhari Nate, in an earthquake-prone region of Jaitapur in Ratnagiri district, Maharashtra and 968 hectares of land was cleared for acquisition. A total of 2,400 families were affected by this land acquisition. The plant affects the livelihood of 40,000 people which includes about 16,000 people dependent on fishing.

While many countries are rethinking about their nuclear programs after Fukushima, the government of India is hell-bent on implementing its nuclear program. Hiding the fact that India's reactors are considered to be the most inefficient and dangerous in the world, some anti-people scientists of India are misleading the people by utterly lying that India's safety standards are the better than Japan's! Jairam Ramesh who till now masqueraded as a pro-environmentalist minister came out with his true pro-corporate face claiming there is no alternative to nuclear power mimicking Manmohan Singh who bent over backwards to sign the Indo-US nuclear deal, disbursing billions of rupees given in bribes by the nuclear companies to buy votes. While the whole world is thinking about and trying out various alternative energy sources he has the audacity to say that there is no alternative as if all of us Indians are dumb enough to believe this trash. Everything would be possible if the basic electricity needs (domestic, industrial and agricultural) are to be fulfilled. But in a country where the monthly electricity bill of Mukesh Ambani is nearly 71 lakhs of rupees, where day and night cricket matches are played with utter disregard to the electricity consumed while on the other hand farmers weighed down by the agrarian crises they cannot escape, one of the reasons of which is lack of electricity, are committing suicides and millions of people are living without even a dimly lit electric bulb in their homes, one can only imagine about whose or what energy needs the Minister is talking about. The hundreds of MoUs signed by the comprador central and state governments to mine the rich resources in the vast rural and forest tracts of India and to build various industrial plants require enormous amounts of electricity and it is this need of the corporate MNCs that is driving the likes of Jairam and Manmohan crazy to construct power plants in spite of immense protests from the people. The issue of lives and livelihoods of the people or the ecology of this country which the protestors are raising mean nothing to them and the only solution they

know is to treat them like a 'law and order' problem.

Moreover, we would never know (unless another Wiki 'leak' surfaces) how much our comprador rulers had been paid in kickbacks from notorious corporations like the Areva (belonging to France) from whom we are importing reactors while even pro-nuclear countries like USA and UK too have refused to give design clearance to them. Not a single Evolutionary Pressurized Reactor (EPR) has either been built or safe-tested till now anywhere in the world which makes them the most unreliable and unsafe option but our rulers with their lickspittle servility to their imperialist masters are scurrying to purchase them without in the least bothered about the human or ecological costs.

Fukushima disaster affected lakhs of people and the deathly radiation would last for tens of thousands of years. Independent European medical experts have estimated that more than 4 lakh people will suffer from cancer in the coming decades in the region 200 kms from the reactor and the radioactive contamination from the plant has spread all over the world. Four lakh people were evacuated after the Chernobyl accident that happened 25 years ago while many millions continue to live in contaminated conditions constantly living in fear that they could develop cancer anytime and that even their great grand children may be born with severe birth defects. Nearly ten lakh people have already died due to its delayed health effects and the number will continue to increase. If there is a major accident at Jaitapur, the entire Ratnagiri district will have to be evacuated, permanently, and entire Western Maharashtra, including Pune and Mumbai would be radioactively contaminated for tens of thousands of years.

The Konkan people of Jaitapur who are well aware of all these consequences, more so after Fukushima are waging a determined struggle against the nuclear plant. The government unleashed a brutal repressive campaign (lathi-charges, promulgating Section 144 and Section 37 (3) prohibiting different kinds of assembly, beatings, indiscriminate arrests, registering of false cases (including one for an attempt to murder!) against hundreds of activists and now police firings) to crush the struggle. Leading activists of the area have been issued externment notices from Ratnagiri district with Narayan Rane even threatening that they would not return

alive from the district if they dare to enter it! The police even informed the media that Jaitapur agitation is being closely watched for ‘possible links with naxalites’, using an already-exposed intimidatory tactic. Eminent citizens from the region who have supported the struggle have been barred from entering the district. But all these and more could not cow down the Jaitapur agitation which is soon becoming another symbol of unflinching struggles raging across India on various burning livelihood issues.

The Shiv Sena which kept quiet during the four-year period that the agitation was raging on has now entered the agitation seeing an opportunity to regain the ground it has lost in Konkan after Narayan Rane defected. The politically aware people of Jaitapur must not allow these opportunists who said Enron would be thrown into the Arabian Sea and did a volte-face after they came to power, to hijack their genuine struggle for their self-interests. The CPM which projected itself as the champion of nuclear deal issue is seen nowhere in the scene consolidating against the government’s choice of nuclear power as the only option. In AP opposition parties like TDP are shedding crocodile tears when villagers protesting power plants are killed in police firings but they would be no different once they are in power as they had proved the previous times they were in power. While a broad based struggle uniting all kinds of forces which oppose the nuclear power plants is to be consciously built up the people should stay alert to various kinds of ploys to divert the struggle from the actual issue for vested interests or vote-bank politics.

CPI (Maoist) demands that all proposed nuclear power plants in India including the Jaitapur nuclear park should be scrapped. It strongly condemns the strong arm tactics employed by the government to suppress the just struggle of the Konkan people to preserve their lives and ecology from imminent dangers of a nuclear power plant. It is demanding a judicial probe into the firings on 18th April and immediate action against the officers and officials who ordered the firing. All false cases, illegal externment orders and banishments of anti-nuclear activists should be withdrawn. In fact, the people of Ratnagiri should declare that it is the likes of Narayan Ranes hell-bent on selling the resource-rich Konkan coastline to the imperialists and destructing their livelihoods have no right to enter the area and not the anti-nuclear activists who are selflessly fighting for them.

Let us declare that the people of this country alone have the right to decide what kind of development or energy resources they need and not the corrupt politicians who behave like loyal servants of the imperialist MNCs. Let us stand in firm support of the anti-nuclear plant struggle of the militant Konkan people and build a country-wide campaign against the unsafe, harmful nuclear power option pushed by the ruling classes. As the Ratnagiri people have declared – let us not allow the sacrifices of Tabrezs to go in vain.

Our country is at present witnessing a deluge of militant struggles in all four corners on various issues with Jal, Jungle and Jameen, genuine democracy, progress and self-reliance at the core. People are carrying on these struggles (some of them since many years) peacefully and militantly without stepping back even in the face of severe repression. All these struggles are drawing inspiration from one another too. The need of the hour is for all these struggles to stand in firm solidarity and support to one another and unite on a common platform to fight the imperialists, Indian big corporate sharks and feudal lords which are implementing all these anti-people policies and repressing the fighting masses. A broad, united and militant movement of all the fighting masses of India can alone save this country and people from the dark pits of destitution these enemies of the people are scheming to throw us into.

**War-monger, butcher and blood-thirsty
Obama and not Osama
is the No.1 global terrorist
threatening world peace!
US imperialism and not Al Qaeda is
the gravest global threat
not only to the entire oppressed nations and
people of the world
but also to the US citizens!
Condemn the brutal murder of Osama Bin Laden
in a covert operation by the global gendarme CIA!**

On May 2, the US imperialists murdered Osama Bin Laden, the leader of Al Qaeda by attacking with helicopters the building where he was staying in Abbottabad in Pakistan. US overstepped the sovereignty of Pakistan by directly conducting this operation without even informing the Pakistan government about it. They jammed the radars of Pakistan, entered its skies with four helicopters and attacked the building and finished the operation 'with surgical precision'. One woman and two men in the building were also killed and it is said that Osama's wife was also injured in the attack. Their child seems to have escaped death only by chance in this forty minute operation. The Obama administration was callous beyond words even towards the dead body of Osama. They did not hand over the body to his family members but threw it into the Arabian Sea! This was done to rub salt into the wounds as they very well know how insulting and outraging it would be to the muslims all over the world.

As soon as Obama gleefully announced the death of the Al Qaeda

leader, the fascists-in-arms of US government – the heads of imperialist countries and their minion rulers in the third world scrambled to describe this as a great victory in the global War on Terror. The comprador Indian ruling classes jumped at the chance to take potshots at Pakistan for sheltering such a ‘dangerous man’ on its soil. Not a word of condemnation about the one-sided attack on a SAARC nation conducted without any regard to its sovereignty. Not a question about what the US war-machinery was doing on the soil of the sub-continent in the first place. The response of the Indian compradors is not really surprising given their record of overt and covert support to most of the aggressive wars and interventions of imperialists (particularly that of US and NATO) in the third world violating their sovereignty in umpteen number of ways and given their own servility to the US imperialists.

The arm-twisting and coercing of Pakistan government by the US ‘to get its cooperation’ in its so-called war on terror ever since the NATO attack on Afghanistan in 2001 has been increasing with each passing day and Pakistan has become an extended backyard of US in this war. This operation is just the most glaring instance of the rampage of the belligerent bully as this is but in continuation of the numerous unchallenged interventions by it in Pakistan, especially in the past decade. The kowtowing of the Pakistan’s comprador rulers is so complete that even after such an offensive action, the Pakistan government is not even unequivocally condemning the attack done leaving to wind all international norms. It was only after widespread agitations all over Pakistan pushed it to the corner did it whimper inaudibly that this attack was illegal and carried on without its knowledge. The Master says ‘So what, I won’t apologize’ and the servant shuts his mouth. Again not really surprising when we look at its record of tail-wagging total submission to the US imperialists. No. 1 global terrorist Obama day in and day out bombs Pakistani tribal (Pashtun) areas and kills hundreds of Pakistani citizens (mostly women and children) in the countless drone attacks. Scores of trigger-happy future Raymond Davises roam impudently in the streets of Pakistan baying for the blood of ordinary Pakistani citizens. But the shameless, spineless Pakistani ruling classes are jostling to lay red carpets soaked with the blood of Pakistanis for this murderous ‘Nobel Peace prize winner.’

Ever since the 9/11 attacks allegedly conducted by Al Qaeda under the leadership of Osama Bin Laden, the US imperialists under the leadership of the then president George W. Bush have launched a vicious anti-Muslim tirade all over the globe and launched occupation wars against Afghanistan and Iraq. Millions of ordinary people have died or were crippled in these unjust wars not to speak of the appalling horrors faced by women and children. In the name of War on Terror, Muslims all over the world were targeted and subjected to innumerable horrors. Al Qaeda was shown as the face of this 'terrorism' and Osama was portrayed as the number one enemy of the US and the world and given a larger-than-life image. Al Qaeda was inflated as the monster behind every terrorist attack in an attempt to justify all kinds of atrocities on Muslims. A man-hunt was launched for Osama and other leaders of Al Qaeda and billions of dollars were spent on the so-called War on Terror. Puppet regimes were installed in Afghanistan and Iraq and Pakistan almost resembles a colony now. The juggernaut of War on Terror continues to run amok among the Muslim populations crushing millions under its feet.

It has been proven many times in history that killing one leader can never end an organization without eliminating the root causes, which are imperialist super exploitation, oppression, intervention and insult in this case, which gave birth to it in the first place. The deep anger and frustration of the Muslim people against the imperialists, particularly the US imperialists and Zionist Israel is finding expression in many ways and Al Qaeda is one of them. The upsurges in the Arab World are another expression of this fury - both against their despotic rulers and against imperialism. Some of the methods employed by organizations like Al Qaeda in their fight against imperialism are harming the ordinary citizens and deserve to be condemned when lives of innocents are lost. But we should not take them out of context and see them as the acts of some mindless people who 'just hate America' as the US government wants its citizens to believe. If there were no imperialist interventions and wars of occupation then there would be no Al Qaeda. If there were no slaughterers like Bushes and Obamas there would be no Osamas.

CPI (Maoist) calls upon the people of the world to condemn the brutal

murder of Osama Bin Laden by the US imperialists. It demands that all kinds of attacks on Muslims in the name of 'War on Terror' be stopped immediately.

CPI (Maoist) firmly reiterates that Marxism-Leninism-Maoism is the only ideology that can end all kinds of exploitation and oppression in the world. Only under the leadership of the proletariat and its communist party can the oppressed nations and peoples crushed under tyrants, bourgeois dictatorships going by the name of 'democracies' and imperialism achieve their complete liberation. Any number of acts of Al Qaeda or any other organization like Al Qaeda cannot win them freedom or sovereignty from the occupation and intervention of imperialists. The upsurges in the Arab World including the struggle of Palestinian people and the unrelenting fight and sacrifices of their organizations would go nowhere unless they get consolidated into People's Wars against imperialism, feudalism and comprador bureaucratic capitalism in their countries.

CPI (Maoist) calls upon all the oppressed nations and peoples of the world to unitedly fight back the imperialists, particularly the US imperialists, who unjustly launched the so-called War on Terror targeting the Muslim populations all over the world. We appeal to the US citizens to realize that it is the brutal imperialist policies followed by their rulers in third world countries that are endangering the lives of US citizens and not so-called terrorists; that it is the capitalist economic system which is leading to financial crises again and again affecting their well-being or rendering them unemployed and not immigrants. We appeal to the people of US to raise their voice and fight our common enemy on his home turf. Supporting the just struggles of the people oppressed by the rulers of your country would also pave the path for your own liberation. We sincerely hope that the struggles of the working class and people in imperialist countries, including US, against monopoly capital and that of the oppressed nations and peoples of the third world would unite and turn into a mighty storm which would ultimately destroy our common enemy.

CPI (Maoist) particularly calls upon the people of South-Asia to raise their voices against the brutality of the NATO forces led by the US in Afghanistan and Pakistan and demand their withdrawal immediately.

Support the struggles of Pakistani people against the attacks of US imperialists on their soil and their struggle for freedom from imperialist coercion and intervention.

Let us realize that US imperialism is the No.1 enemy of the world people threatening world peace, sovereignty of the third world countries and their progress. Let us fight back the imperialists and their compradors in our countries for a life free of exploitation and oppression, for a life to be lived with dignity and raised heads.

**Release the Maoist leaders arrested in Bihar
unconditionally!**

**Make success the 'Bharat Bandh' on May 21 and 22
against the arrests of**

**CPI (Maoist) Central Committee members,
the ongoing unjust war on the people waged by
the ruling clique of the country and**

the brutal repression of Uttar Pradesh peasants!

On April 29, the central and the state intelligence agencies of Andhra Pradesh, Bihar, Chhattisgarh etc conducted a well-planned attack and arrested seven persons including three CC members of our party from Barsoi village in Katihar district of Bihar. Among those arrested are CC members Comrade Pulendu Sekhar Mukherji alias Saheb da, Varanasi Subrahmanyam alias Vimal alias Srikanth, Vijay Kumar Arya alias Jaspalji, Comrade Abhimanyu alias Umesh Yadav – the secretary of the Uttar Bihar-Uttar Pradesh Regional Bureau under the Bihar-Jharkhand Special Area Committee, Nokhelal Choudhury, Syamji Rushi and house-owner Anirudh Ravidas. The APSIB notorious for hunting and killing revolutionaries has been following the movements of Comrade Subrahmanyam since some months. In end July last year, he narrowly escaped being caught by them. When our comrades met for a meeting, the Bihar STF officers arrested them on information provided by the central-state intelligence agencies.

67 year old veteran Maoist leader Comrade Pulendu Sekhar Mukherji known as Saheb da, Gagan da and Akash da in the party has been leading the revolutionary movement since 45 years. Born in Kolkata city, he left his higher studies and joined the revolutionary struggle with the inspiration of Naxalbari and dedicated his whole life for the advance of people's war. In his long revolutionary career, he strove to build revolutionary movement

in various states including Bengal and put substantial efforts for the unity of communist organizations and genuine revolutionaries. Though suffering severely from asthma, ulcer and other ailments he is carrying on his responsibilities with great spirit.

Comrade Subrahmanyam known as Vimal among the AP cadres and famous as Srikanth among the party ranks all over the country, completed his higher studies from Andhra University in Visakhapatnam and entered revolutionary activities. In the 1970s he led the Radical Students Union, Radical Youth League and Singareni Karmika Samakhya. Responding to the call of the party he went to North India and put great efforts in building revolutionary movement in many states there. He worked day and night at various levels and in various spheres in spite of his severe ill-health.

Comrade Jaspalji well-known among the Bihar masses as Vijay Kumar Arya played a crucial role in the revolutionary movement leading the peasantry and the cultural field. For more than three decades he led the revolutionary movement in various spheres and areas and built mass movements.

Indian intelligence agencies which were trained by foreign intelligence agencies like CIA and Mossad notorious for their infinite cruelty are hunting senior comrades leading the revolutionary movement and catching them. In fact, it is the CIA and FBI of US which are running the intelligence agencies in our country. In the past two years the intelligence agencies murdered comrades Patel Sudhakar, Sakhamuri Appa Rao and Azad among the top leaders who were caught. Some more central and state level leadership comrades were arrested and put in jails. False cases were foisted on them in various states and they are left to rot in jails without granting bail for many years. False witnesses are summoned and harsh punishments and life sentences are pronounced basing on such testimonies. The women leaders and activists are particularly subjected to inhuman physical and mental torture. Comrades like Sushil Roy, Sheela didi, Narayan Sanyal, Kobad Gandhi and Amitabh Bagchi who are suffering from serious ailments are harassed by denying them health care.

The imperialists are intensifying the exploitation of resources in backward countries to come out of the severe crises faced by the world

economy. They are threatening those countries which do not cater to their interests. If they do not heed bombs are dropped and unjust wars are launched against them. The Indian feudal, comprador bourgeoisie ruling classes even while denying that there is any effect of the crisis on the country's economy are getting bogged down in it with each passing day. They are opening the doors of the economy to imperialist exploitation and are implementing neo-liberal policies with impunity. The central and state governments have signed MoUs worth billions of rupees with several MNCs and are selling the natural resources of our country. Lands are forcefully grabbed from the people in the name of SEZs, nuclear and thermal power plants, big dams, express highways, wildlife sanctuaries etc. While destroying forests, water, land and ecology on the whole they are rendering the people and particularly the adivasis homeless. Hiding behind these policies the ministers, chief ministers and bureaucracy are resorting to scams on a huge scale and stashing away billions of rupees in Swiss banks and rendering the lives of workers, peasantry, employees and middle classes unbearable. While the Tatas, Birlas, Ambanis, Jindals, Mittals, Mahindras, Ruiyas, Neko Jaiswals and Sun networks are amassing wealth worth trillions of rupees, 77 percent of the country's population is living on less than 20 rupees a day. The people of our country are caught in a whirlpool of problems like starvation deaths, price rises, unemployment, displacement, diseases and malnutrition. Lakhs of police and paramilitary is deployed by the ruling classes against those who question this situation and fight against it to suppress them under the iron heel. Black laws are enacted crushing underneath their feet democratic and civil rights. Billions of rupees are poured down the drain to sharpen the fangs of the repressive machine to suppress the people.

The ruling classes which realized that the huge discontent and anger erupting against the ruling classes is strengthening the Maoist movement have launched the well-planned campaign that 'Maoist movement is the biggest internal security to the country'. They are portraying the Maoist movement as violent and the Maoist party as a terrorist organization and is carrying on a malicious propaganda campaign on a large scale. To continue their pro-imperialist policies and to completely decimate the Maoist party which they think is the biggest hurdle for the loot of resources they have

launched the most fascist offensive in the name of ‘Operation Green Hunt’ particularly since two years. This offensive which even has the avowed aim of destroying the alternative people’s power developing at various levels in the Maoist movement areas has been intensified since January 2011 and now they are calling it ‘Operation Green Hunt – 2’. As part of this, the police, paramilitary forces, Special Forces and the counter-revolutionary vigilante gangs launched by them have intensified fake encounters, indiscriminate killings, burning of villages, loot, atrocities on women, arrests and tortures. They are making full preparations to deploy army in Chhattisgarh and are on their way to grab 800 sq. kms of land in Maad. In Maad and on the borders of Chhattisgarh and Odisha two army training centres are coming up. Apart from making preparations to establish an Air-Force base they have given permission to the Air-Force to conduct attacks in ‘self-defence’.

In Chintalnar area of Dandakaranya between 11 and 16 of March, 350 Cobra commandos, Koya commandos and hundreds of STF forces descended on Morpalli, Timmapuram and Tadimetla villages, created havoc and razed to the ground 300 houses. Thousands of quintals of food grains were burnt. Every home was looted. Three villagers were shot dead, two went missing, five women were gang raped and nearly 50 villagers were severely tortured. Democrats who went to inquire into this, media persons who went to report this and social activists who were taking relief material to the victims were attacked by the Salwa Judum goons and not allowed to enter the area at the behest of fascist chief minister Raman Singh, the running dogs of the ruling classes DGP Viswaranjan, Bastar IG Longkumer and Dantewada SSP Kalluri. In the background of the furor which rocked the state and country on this atrocity, Raman Singh was forced to visit Tadimetla village. Even while he was speaking at the meeting, the Koya commandos went on a rampage once again and looted fifteen houses, beat some villagers and raped a woman in the same village. This is the level of fascist terror being unleashed in Chhattisgarh today. These kinds of attacks are being conducted regularly in Gadchiroli district of Maharashtra too. Moreover secret killer gangs are encouraged to attack and kill mass organization activists and party activists. They are told to particularly target women activists – to rape and kill them. On April 19, 14 year old boy Rajnu

was killed in cold blood in Chinari village and a fake encounter story was circulated. These are just recent examples of the severe repressive campaign unleashed on a daily basis in Dandakaranya.

On March 14, six Maoists including three women were killed by the police in East Champaran district of Bihar. Some more were arrested. The Jharkhand government is deploying thousands of police and paramilitary forces with the aim of annihilating Maoist leadership and is carrying on offensives. Indiscriminate arrests are continuing. Fascist attacks are conducted on people fighting against displacement and forceful evictions from land. In Odisha the comprador Naveen Patnaik government carried on fake encounters all over the state and killed more than 25 Maoists, anti-mining activists and ordinary people within four months. The fact that there is a 12 year old girl Janga and some more teenage girls among the dead bares the brutal face of the Patnaik regime.

With the aim of continuing their fascist rule of the past 34 years at any cost, the CPM government in West Bengal intensified its attacks on people and the Maoists. It is resorting to massacres and the most appalling atrocities using police, paramilitary and its goonda force of Harnad Bahini. Arrested Maoist leaders, particularly women, are being treated in the most inhuman manner. Recently WB police severely attacked the political prisoners who were striking against the horrible conditions in the Medinipur jail. The AP government which claims to have decimated the Maoist movement in the state is going on increasing its police forces on a large scale. It intensified its hunt for Maoist leaders. It is suppressing the people fighting for separate Telangana. Its leaders are being attacked by state-sponsored black gangs. The Maharashtra government is continuing the campaign of repression in the adivasi movement areas, is arresting Maoist leaders and democrats in the urban areas and foisting false cases on them.

This fascist onslaught is not just aimed at the Maoist movement. The oppressive ruling classes have been resorting to fascist repression against every democratic movement. Last month, on 18th, police had indiscriminately fired at the people of Jaitapur area in Maharashtra who were agitating against the proposed nuclear power plant killing one protester named Tabrez. And now, the police forces are brutally suppressing the agitating peasants

of Uttar Pradesh who are opposing to give away their lands for proposed Express Highway to be built from Greater Noida to Agra. At least two peasants were killed and so many people were injured when police force resorted to beatings and firings. People of Bhatta-Parsaul and nearby villages boldly resisted the police rampage in which two policemen were also killed and some others including few officers were injured. Next day people of Agra and Aligarh also intensified their agitation and resisted the highhandedness of the police. Taking this as a pretext, fascist Mayawati government has resorted to severe repression on the peasants of Uttar Pradesh. Laying siege upon the villages, it is inflicting inhuman atrocities upon the villagers.

Beloved People! Democrats! Patriots!

The above fascist repressive measures and the arrests of Maoist leaders are part of the War on People waged by the ruling clique of Sonia-Manmohan-Chidambaram with the support of the imperialists in the name of OGH. We must see this political repression, massacres and attack on civil rights in the context of the repercussions of the severe crisis faced by the world capitalism on all the spheres in our society. It is part of a conspiracy to carry on their pro-imperialist, anti-people policies unchallenged by completely destroying the Maoist revolutionary movement. It is a historical truth that repression leads to resistance. The daydreams of Sonia-Manmohan-Chidambaram ruling clique that they would be able to suppress mass movements and revolutionary movements through arrests, murders and repressive campaigns are bound to end in a nightmare. The feudal and comprador bureaucratic bourgeois ruling classes and imperialists who control them are the biggest enemies to the development of our country, self-reliance, sovereignty and people's welfare. Our Central Committee is calling upon the people to join in huge numbers in the People's War waged by our party and in the New Democratic Revolution conducted with the aim of completely eliminating these people's enemies. Our CC is appealing to all civil rights activists, intellectuals, democrats and those who wish for peace talks to visit our movement areas and see with your own eyes the inhuman atrocities and massacres perpetrated by the state here. It is requesting you to place before the people of this country the facts about the fascist state violence unleashed on adivasis - the poorest of the poor -

in the heart of this country which calls itself ‘the largest democracy’.

Our CC is calling upon the people and the democrats to condemn these arrests, massacres, destruction, loot, atrocities, foul propaganda, fascization of the state, forceful land acquisitions and black laws like UAPA and to fight unitedly against all these. It is demanding that the arrested Maoist leaders be released unconditionally and immediately. The only way before us is to fight back unitedly and militantly the fascist state terror and our CC is calling upon the people to come forward bravely to resist this. It is clearly stating that only by intensifying the people’s resistance movement ongoing under the leadership of our party and PLGA and by getting mobilized into it in thousands and lakhs can we defeat this offensive.

Our CC is appealing to the people to make success the 48 hour ‘Bharat Bandh’ to be observed on May 21-22 protesting the arrests of Maoist leaders and against the war on people by the ruling clique and against the ongoing repression of Uttar Pradesh peasants. This bandh would be mainly observed in six states – Jharkhand, Bihar, West Bengal, Odisha, Andhra Pradesh and Chhattisgarh; in three districts of Maharashtra – Gadchiroli, Chandrapur, Gondia; in the border districts of Uttar Pradesh adjoining Bihar and in Balaghat district of Madhya Pradesh. There will be protests in various forms in other states. Emergency services like health care, examinations of students and interviews are exempted from the bandh.

**Deployment Of Army
In The Name Of Training Schools
Puts The Very Existence Of The Aborigines
and Inhabitants Of Bastar In Peril!
Forest Belongs To
The Indigenous People (*Mulvasis*) –
The Government Doesn't Have Any Right
Over Even An Inch Of It!
Indian Army GO BACK –
Do Not Kill Your Own Citizens!**

While the Bastar adivasi peasants are readying themselves for the monsoons to till their lands so that they can feed their children and families throughout the year – unknown to them, silently and stealthily the central and state governments have completed the preparations for another kind of monsoons. These ‘monsoons’ do not rain droplets of water but bullets and shells, rockets and cannon balls and would irrigate their lands with the blood of children, women and men – young and old. These ‘monsoons’ promise a lifelong peace and prosperity. Peace it would – as peaceful as a graveyard could be and lifelong as their longing for life would come to an end. Of course, prosperity it would be – for the imperialists, their running dogs - the ruling classes of India, the corporate vultures, the MNC sharks, the great Indian extended family of the comprador bureaucratic bourgeoisie i.e., the chief ministers, ministers, MLAs, MPs, IAS, IPS, IFS, bureaucrats etc as now they could lay their greedy hands on the immense wealth buried under this graveyard.

The home ministry says it wants to ‘clear, hold and build’ in the ‘Maoist areas.’ In our country words have long ago ceased to have their original meaning, for which they were created in the first place. Here is the new lexicon— ‘clear’ means massacres, mopping up or complete destruction of everything, ‘hold’ means a war of occupation and ‘build’ means absolute loot of people’s resources. All this ultimately results in reducing the people to a slave like existence complete with absolute surrender to the imperialist slave-owners and this has got its own word – ‘development’. And it is not just words, even institutions have changed their ‘supposed duties’ in our country (into their ‘actual duties’ for which they were created, in fact) – the government doesn’t look after the welfare of the people – it bends over backwards and crawls on its fours to protect the interests of those who exploit them; the judiciary doesn’t protect the rights of the people – it shows admirable adroitness in finding ways to deny them; the police think they are the ‘law’ and that ‘ordering around’ restores it; and the Indian Army with impeccable acumen finds ‘enemies’ in the dilapidated huts of poor adivasis, in the empty granaries of the bankrupt peasants or in the stench-filled *bastis* of workers and of course in every nook corner of Kashmir and North-East.

In the first week of June, a thousand-men strong iron heeled column marched its way to Bastar – physically that is. Because the Indian Army has been breathing down the necks of Bastar people in many more indirect ways since almost a decade. It has been an integral part of all the counter-insurgency operation plans formulated against the Maoists and has been training the mercenaries who do that job in hundreds. In just Narayanpur the land to be allotted for the Army (training school) amounts to 750 sq.kms while the talk is about three training schools and in three districts (Narayanpur, Bastar and Bilaspur). This is not counting the previous allotments to army and air-force.

‘Oh, no, don’t mistake us, all this is just for the training school, the army won’t enter into operations against Maoists, it is just to gain a psychological advantage over the Maoists, to tell them – ‘see a lion is sitting at your door!’ says the army. And pray – may the humble citizens ask His Excellency Herr Manmohan what this ‘training’ is for as it is he who with great insight discovered that Maoists were the biggest internal

security threat? Who are you trying to fool? Only a fool would believe that this lion just sits there and roars instead of pouncing on us. Don't forget, this is a man-eater on the prowl which has tasted human blood in Kashmir and North-East. Let us be very clear – this training is nothing else but counter-insurgency training 'to fight the guerilla like a guerilla.' Unable to contain the armed resistance of the most deprived people of Central and Eastern India through their police and paramilitary, the ruling classes of our country have now turned to the army whom they have been 'grooming' exactly for such purposes (read for wars on people). What is the need for another 'training school' when there are already so many? And more importantly, why in Central India?

It is as clear as daylight – it is no doubt a training school but it doesn't stop with training, as soon as a batch finishes training it would be ready with its boots and helmets, guns and grenades on to be sent off to its destination to fight the Maoists, and it doesn't cater just to Chhattisgarh but also to Maharashtra, Bihar, Jharkhand, Madhya Pradesh, Western Ghats, West Bengal, Odisha and last but not least Andhra Pradesh. That explains the location of it.

Following the policy of 'draining the water to catch the fish', the central and state governments, with the close guidance of their mentors – the US imperialists - are implementing the 'Low Intensity Conflict' (LIC) strategy, applying it 'creatively' to the concrete conditions in India. This can be in such 'indigenous forms' like - in preparation for the deployment of army and 'draining water' – now Maad adivasis do not get to buy rice anywhere nearby their dwellings. They get them only from towns (and only in such quantities so that the Maoists do not take some rice from them) from shops which are actually police camps. Even the namesake schools from the hamlets are being shifted to pucca buildings on the road-side and would exist in the name of that hamlet which would be at least 60 to 100 kms away. Next the army would step in and 'clear' the forest of all inhabitants and herd them off to strategic hamlets which are a euphemism for concentration camps. At the higher level, the recent hobnobbing exercises of Indian and US ruling classes for 'helping each other' in Homeland Security were done in preparation for the crueler phase of this War on People – the Phase Two of the Operation Green Hunt as it is being called.

No people in this world without a land to claim as their own could wage battles against their enemies. The ruling classes know this truth more than anybody else and this is exactly what they are planning to do. In the name of training schools it is occupying thousands of square kilometers of land and in the name of strategic hamlets it is rendering the adivasis and forest dwellers homeless and everybody knows that forest IS their home. So, revolutionaries, democrats, civil rights activists and particularly the adivasi organizations must realize the whole conspiracy behind the smokescreen of army training schools. It is the need of the hour to assert loudly that Jal, Jungle and Jameen belongs to the indigenous people (*Mulvasis*) of Bastar, who represent one of the most ancient inhabitants of the world and to the *Mulvasis* of Central and Eastern India.

True, the government must be questioned about land acquisition, throwing to wind all laws and regulations it has promulgated for adivasi areas (5th schedule, PESA, Forest Rights act etc). Though posing a direct question about its not following its own rules is necessary, one must be careful not to give it legitimacy to occupy the forest 'if it follows its rules'. In fact, a conspiracy is under way in the name of land acquisition act to hand over the land of the peasants in a 'legal' manner to the corporates. It would not result in any peaceful transfer of land from one hand to another but would remain a naked land-grabbing act which would never be implemented without shedding the blood of the peasants and without destroying their livelihoods. The first and foremost thing to be done is to declare that forest belongs to the *Mulvasis* and that they do not have any 'elder brother' named 'government' with whom they should share it!

As our party has been consistently saying and as even all genuine democrats have been expounding - all these operation green hunts and clear-hold-build policies are meant to loot the immense mineral wealth and other natural resources in Central and Eastern India. And for this they do not care if a whole community or a civilization is wiped out; it would just be a 'collateral damage' as taught by their ex-boss 'Bush' or their current master 'Obama'.

The Central Committee of CPI (Maoist) calls upon the people of Bastar and Chhattisgarh to fight back the Indian Army as they had been fighting back the police, paramilitary and vigilante gangs like Salwa Judum to protect

their lives and livelihoods, to secure the future of their children and to save their mother forest and one of the most ancient cultures of this world of which they are the proud inheritors.

Let the slogans – **Forest belongs to the *Mulvasis* - Not an inch of it to the Sonias-Manmohans-Chidambarams and Raman Singhs, not to blood-sucking land grabbers masquerading as chief ministers and ministers, not to MNCs, not to Indian corporate sharks, not to mining mafias** – reverberate in every corner of Central and Eastern India. Mobilize to the very last member in the family – children and elders, young and old, women and men with the slogan – **Indian Army Go Back, do not kill your own citizens.**

We have seen many offensives, but this new offensive using the army puts the very existence of the aborigines and inhabitants of the forests in Central and Eastern India in peril. It is a question of life and death. If we let them prevail, the consequences would be very bleak and may lead to many decades of dark years. Sacrifices and acts of bravery are not new to us. It is a specific characteristic of our history of struggle against colonial rule that the most consistent, continuous, militant armed struggles against the British colonialists were waged by the adivasis of this country. And some of the most glorious chapters in it belong to the Santhals and Bastar adivasis during the Santhal rebellions and Mahan Bhumkal of 1910 respectively. It is this struggle legacy from our fore fathers and mothers which we have to evoke now if we have to save everything that is precious to us, everything that is dear to our heart – everything that makes us breathe free. So let us fight the enemies of the people to the end. Let us fight back everything which seeks to reduce us to a slave-like existence in the name of ‘development’.

We appeal to all the revolutionary, democratic and patriotic organizations and particularly the adivasi organizations in India and abroad to raise your voice against the deployment of army in Central and Eastern India and do everything in your means to expose, to fight back and stop this war of the Indian government on its own citizens.

**Release Beloved Veteran Leader of Indian Revolution and
Oppressed Masses**

**Comrade Jagdish Master (Bhupesh ji)
Unconditionally!**

**Observe 'Bharat Bandh' on June 23
against the arrest of Comrade Jagdish Master and
the ongoing fascist oppression on
revolutionary movement
unleashed by the exploitative ruling classes!**

Politburo member of CPI (Maoist) and one of the senior most leaders of Indian Revolution Comrade Bhupesh ji, who has been popular among the oppressed people of Bihar as 'Jagdish Master', was arrested by police on June 11 from Gurar area of Gaya district in Bihar. 72-year old veteran Comrade Bhupesh ji suffering from serious illness for ten years has been living among the people and inspiring them for struggles. Plainclothes goons of Bihar's and central intelligence wings caught him while he was trying to get medical treatment. By not producing him before any court of law even after 24 hours and inflicting various kinds of torture and harassment on him, these licensed killers have bluntly violated their own constitution and law whom they always claim to follow.

Comrade Jagdish Master, who is very popular among Party ranks as 'Comrade Bhupesh ji' is one of the important leaders who has strived to advance the revolutionary movement for almost four decades. He was attracted to revolutionary politics in the early 1970s while he was serving as a school teacher inspired by one of the Great Leaders of Indian Revolution and Martyr Comrade Kanhai Chatterjee. He started his revolutionary activities as a professional revolutionary since then. In Bihar which was notorious for feudal exploitation and barbaric attacks on oppressed caste

masses by private armies of upper caste landlords, he led many mass struggles as a militant people's leader. By arresting him the neo-landlords like Nitish kumar and the ruling clique of Sonia-Manmohan-Chidambaram are trying to push Bihar peasantry once again into those dark years. Comrade Bhupesh ji was instrumental in seizing thousands of acres of land from the landlords and distributing them among the poor and landless peasants and thus enabling them to raise their heads with self-respect. The arrest of Comrade Bhupesh ji is a great shock to the people, revolutionary ranks and cadres for whom he has been an inspiration and a source of enthusiasm for his defiance of old age and severe ill-health and the way he led his entire life amidst the oppressed masses until his arrest.

Indian ruling classes have been viewing the Maoist movement as their biggest enemy and committing heinous acts of arresting and murdering its central and state leaders in fake encounters. Especially, as part of countrywide offensive named 'Operation Green Hunt' that has been going on for the last two years, they are on the one hand, eliminating the crucial leadership by targeting them and on the other hand, unleashing fascist repression in the struggle areas. This state offensive - OGH - has been continuing in the cruelest oppressive forms of Middle Ages and in utter fascist forms of Nazi kind such as massacring the unarmed people indiscriminately in the name of encounters, setting villages ablaze, raping women, destroying and looting the properties, beating severely, arresting and implicating false cases against people to make them languish in jails for years without trials and bails. The areas of revolutionary movement in Chhattisgarh, Jharkhand, Bihar, Bengal, Andhra Pradesh, Maharashtra, Madhya Pradesh, Uttar Pradesh states are crushed under the iron feet of police and paramilitary forces.

Since January 2011, as part of the second phase of OGH as it is being called, governments are on the one hand unleashing barbaric attacks on the villages and the people and on the other hand, resorting to fascist attacks on those writers, artists, democrats and human rights activists who dare to raise their voice against these attacks. Pronouncing life imprisonment to people's doctor and human rights activist Dr. Binayak Sen in Chhattisgarh; attacks on Swami Agnivesh and others who were trying to directly meet the victims of brutal state violence in Chintalnar area; issuing threats of

imposing ban on PUCL; attacking and implicating in false cases writers and journalists; repression on people of Odisha who were agitating against the forceful acquisition of land by corporate companies; killings of anti-mining activists in fake encounters; police firings and killings of people in Bihar; police firings and atrocities on the people of Jharkhand who were agitating against the government's moves to evict the people from their residential areas in the pretext of illegal encroachments; arrest and torturing magazine editor and mass organization activist Harbindar Singh Jalal by police in Punjab; arrest of Dalit movement activist and magazine editor Sudhir Dhawale in sedition case in Maharashtra; various forms of repression on people's movement for 'separate Telangana state' in Andhra Pradesh – all of these are just some of the recent glaring examples.

The Indian ruling classes who are hell-bent on giving away the country's precious wealth to imperialists and comprador corporate houses have now deployed the Indian Army in this unjust war with the aim of wiping out the Maoist movement whom they see as the biggest hurdle in their way. At present, the forces of the Indian Army have arrived in Bastar region of Chhattisgarh in the name of 'training'. The Indian Army which is supposed to be deployed in the borders of the country to fight the armies of enemy countries has now been deployed against the very people of this country in the heart of the country. The decision of the Raman Singh government to give away as much as 750 sq km land to the Army in the name of setting up of training schools would carve out almost one fifth of the Maad region displacing thousands of indigenous *Mariya* adivasi people. On the other hand, corporate companies have been moving into these areas with their projects of acquiring thousands of acres of land. Thus the conspiracies of displacing the people living in the areas of revolutionary movement by using brute force are on the high now.

Today, the corrupt political leaders, corporate bandits and big bureaucrats who have amassed hundreds and thousands of billions of rupees by virtue of vast scams and scandals are facing the people's wrath severely. Tens of millions of people are immensely suffering from serious problems such as price rise, starvation deaths, famine, diseases, displacement, plunder of resources etc. Unable to solve any of these basic problems, governments have unleashed fascist repressions and mass killings with the aim of

suppressing the just movements of the people. They're arresting and killing the revolutionary leaders who have been striving hard for the people selflessly, dedicatedly and relentlessly. Comrade Bhupesh ji's arrest must be seen in this context.

The Central Committee of CPI (Maoist) calls upon the people of our country to observe 24-hour 'Bharath Bandh' on June 24 to protest the arrest of Comrade Bhupesh ji and the fascistic repression unleashed against the revolutionary movement by the ruling classes. This bandh would be mainly observed in six states – Jharkhand, Bihar, West Bengal, Odisha, Andhra Pradesh and Chhattisgarh; in three districts of Maharashtra – Gadchiroli, Chandrapur, Gondia; in the border districts of Uttar Pradesh adjoining Bihar and in Balaghat district of Madhya Pradesh. There will be protests in various forms in other states. Emergency services like health care, examinations of students and interviews are exempted from the bandh.

**Fight back the new state offensive in
Chhattisgarh and Odisha
as part of Operation Green Hunt – Phase II!**

**Any fascist offensive aimed at looting this
country is bound to be defeated by the
courageous resistance of the self-respecting
people of India!**

On 14-06-2011 the Union Home Minister P. Chidambaram had a high level meeting with the chief ministers of Chhattisgarh and Odisha and announced a new brutal offensive in these two states to contain ‘Left Wing Extremism (LWE)’. In the guise of his oft-repeated two-pronged mantra of ‘development and police action’, the HM promised full support of the centre for these states in their cruel offensive and egged them on to go ahead in full swing. Naveen Patnaik, the blood-thirsty CM of Odisha whose hands are already stained with the blood of hundreds of people of Odisha offered as human sacrifices for this ‘God of development’ right from Kalinga Nagar to Niyamgiri is now asking for helicopters to bomb the hapless adivasis. Raman Singh who would perhaps go down in history as the saffron fascist who sounded the death knell for one of the most ancient inhabitants in the world in Bastar, tried to cover up his growing alarm at the increasing heroic armed resistance of the people in his state with high-sounding rhetoric on how to go about decimating Maoists. A few days back in the first week of June (within a week of another meeting with the chief ministers of ‘Maoist affected’ states led by the PM and HM) an announcement had already been made by the AP and Odisha governments that a three-month long big offensive is ready to be launched on Andhra-Odisha Border region (AOB) to decimate the Maoists there. They announced that they would use modern technology and new methods and tactics of attacking utilizing ‘water, air and land’. They said paratroopers may also be used. And now the whole country knows that the army had

already been deployed in Chhattisgarh under the pretext of ‘training’.

This announcement comes within days of the announcement of SAIL to privatize Raoghat mines in Bastar (Chhattisgarh). This comes within days of the stiff resistance of the Odisha people against the land grabbing of POSCO for ‘the biggest foreign direct investment in India’ (read ‘one of the biggest attempts in history to grab the natural resources in India’). This also comes within days of a series of attacks by our PLGA (People’s Liberation Guerilla Army) on the mercenary forces of the central and state governments in Chhattisgarh and Maharashtra parts which constitute DK. The ruling classes concentrating on the borders of the states where the Maoist movement is strong and expanding so that there won’t be any boundaries to their exploitation; so that he they could expand their loot unbridled. (For example, between Odisha and Jharkhand; between West Bengal and Jharkhand; Chhattisgarh and Maharashtra; CG-AP-MR etc. previously) The relation between the cause and effect is obvious for all to see.

The actual reality is that this announcement comes in the backdrop of firm rejection by the people of India from North to South, from East to West and particularly in Central India of the ‘development model’ of the comprador ruling classes. The growing resistance to almost every country-selling and plundering ‘development’ project in throughout the country like in Bihar-Jharkhand, Odisha, Chhattisgarh, Andhra Pradesh, Maharashtra, West Bengal, Uttar Pradesh, Uttarakhand, North-East etc is such a glaring fact that only those wearing the visionless glasses of ‘development’ would refuse to recognize them. Only those wearing the sound-proof ear-plugs of ‘police action’ would refuse to hear the slogans of ‘Jal-Jungle-Zameen Hamara Hai’ and ‘NO to this lopsided development’ renting the airs.

Every genuine patriotic citizen of this country would indeed be proud of these bravest resistances - violent and non-violent, militant and peaceful, armed and unarmed - offered by the poorest of the poor to save this country from the vultures of MNCs and big comprador bourgeoisie and be humbled by the sacrifices they are making for a life of dignity not only for their children but for every citizen of this country. But the ruling classes of India are feeling the opposite. They are angered, alarmed, feeling cornered and

filled to the brim with hatred towards these resistances because these movements are hindering the implementation of the 'promises' these minions made to their imperialist masters and to the members of their class to hoard all the riches of this country for peanuts. Their masters are breathing down their necks to 'show results' for all the kickbacks they have been gorging till their stomachs burst for paving 'the path of development.' So they are going on launching new offensives in a desperate attempt to crush the resistances.

The first thing to realize is that we should not be fooled by their utter lies that these offensives are launched only for crushing the Maoists. We have to realize that these offensives are launched to crush the peasants, adivasis and workers; the women, children, men and elderly; the democrats, the patriots and the revolutionaries of these regions or in one word all those citizens of this country who have the right over the resources of this country. So, we must fight back these offensives as one person and in one voice to defeat their conspiracies of selling our beloved country to the imperialists.

The questions to be asked are – who gave the right to these governments to implement the 'development model' which has been absolutely rejected by the very people in whose name this is done? What right do these governments have to spend the hard-earned money of the people of this country to kill its own citizens in police actions and military offensives? What right do these governments have to offer as cannon fodder the lives of lakhs of armed forces in a war which is not fought for their interests or any betterment of their lives but for the interests of the imperialists, comprador bureaucratic bourgeoisie and the feudals? Most importantly what right do these governments have to perpetrate massacres, burning, loots, rapes, fake encounters, lock-up deaths etc on the people fighting for their livelihood and very existence?

To keep up the sagging morale of the armed forces who are facing one attack after another in the Maoist areas, particularly in Chhattisgarh recently, the HM said that the forces were facing the Maoists bravely and had gunned down as many as 78 extremists in 125 encounters this year. We want to bring to the attention of the people of this country and the world that these figures do not convey the truth and we must realize that it is actually hundreds of unarmed people (who may be sympathizers or

activists of the revolutionary movement or not) who have been killed in cold blood in fake encounters and massacres of the central and state governments. 'Maoists' is just the alibi they are using to crush the genuine people's struggles including the ones led by Maoists and not just the ones led by the Maoists.

The Andhra Pradesh government has been patted on the back in every meeting of the gangster chief ministers and high-way robber DGPs for crushing the Maoist movement in the state effectively. It took a blood-bath of about four decades in an unprecedented series of fascist offensives both on revolutionaries and the people, particularly on the Telangana people for this to be 'achieved'. And now every state government is urged to follow this fascist model of AP. The AP greyhounds do not bother about state boundaries and enter unchecked into Odisha and Chhattisgarh to carry on attacks on the Maoists and the adivasi hamlets on the borders. And the Special Intelligence Bureau (APSIB) is present behind every major arrest and every fake encounter of Maoist leaders in all the states in the country. So now the three month long offensive in AOB to be implemented with the coordination of the AP and Odisha governments with the full support of central government may go down as one of the bloodiest in the history of this country if we do not offer the stiffest resistance to stop it. And the new offensive on Odisha and Chhattisgarh which are already notorious for Salwa Judums, Santi Senas and all kinds of atrocities by the security forces deployed there would also be most cruel as these states have been the theatre for the bravest armed and unarmed resistances against pro-imperialist policeis of the governments in this country. The central government has now zeroed down on these two states and included the AP borders region with these two states. It wants to finish off this vast region of resistance first and go on to other regions. This doesn't mean there would be respite in other areas such as a Jharkhand or a West Bengal. The war on those people would continue severely. It is just that the concentration would be more on this region in this phase of the country-wide 'War on People'.

The people of the world and our country have stood with the fighting people of India in their struggle for life and existence and their support is very crucial in the face of these new fascist offensives planned by the

ruling classes. So we appeal to all the genuine democratic forces in our country and in the world to expose the conspiracy of the Indian ruling classes and fight back this War on the People of India in every possible manner. Build movements across the country and the world to stop the deployment of army in the movement areas and to stop the economic, political, military and psychological offensives.

The CC of CPI (Maoist) calls upon the people of Chhattisgarh-Odisha border, AP-Odisha border and Chhattisgarh-AP border to fight back this latest fascist offensive unitedly. The entire Party and PLGA forces must fight back the enemy offensive in all spheres and by intensifying armed resistance involving the vast masses of this region.

- ★ **Stop the new fascist offensive on CG-Odisha, Odisha-AP and CG-AP borders immediately!**
- ★ **Stop Operation Green Hunt immediately!**
- ★ **Stop land grab for POSCO and Raoghat railway line and mines!**
- ★ **Condemn the brutal state repression on people agitating against POSCO project!**

**Make success the protest week from July 4th
to 11th in the Central Region!**

**The Army Training School in Narayanpur
district (in Maad area)
should be immediately scrapped !**

The Indian Army is establishing a counter-guerilla training school in a sprawling area of 750 sq.kms in Narayanpur district of Chhattisgarh. This area is home to an ancient *Adivasi* community. Since two decades the government has been citing that these *Adivasis* are becoming an extinct human society. At present, establishing an army centre in a vast expanse of this area means speeding up of this process. Since five years the Chhattisgarh government has been propagating that top Maoist leaders are taking shelter in these mountains and that they are openly carrying out their activities and had turned this into a military camp. Since two years the brutal Operation Green Hunt has been unleashed by it here. Due to the establishment of the Army training camp the very existence of the *Adivasis* here will be put in severe peril. In fact, looting the valuable mineral resources from these areas is their actual goal behind all this. People are vehemently opposing this. Now army has been deployed as part of suppressing this severe protest. Our party is severely condemning this. Our party is calling upon the people to intensify mass struggles against this.

Our party is calling upon the people to make success the protest week to be observed in Central Region, i.e., in Chhattisgarh, Andhra Pradesh, Maharashtra, Andhra Pradesh-Odisha border area from July 4th to 11th demanding the immediate scrapping of the Army training school in Maad area. Our party is appealing to the entire Indian masses, democrats and well-wishers of *Adivasis* to make success this protest week.

Our party is appealing to the Indian Army jawans not to make war on

Adivasi people for the interests of the exploitative ruling classes. We are appealing to them not to carry on firings on *Adivasi* people in the name of Maoists.

Red Homage to Comrade Pattipati Venkateswarlu, a founder leader of the civil liberties movement in Andhra Pradesh!

On June 11, 2011 Pattipati Venkateswarlu, a people's lawyer and founder-secretary of the Andhra Pradesh Civil Liberties Committee (APCLC) breathed his last in Hyderabad. With his death the oppressed people of India, particularly the people of Andhra Pradesh have lost one of their well-wishers, a people's lawyer and a civil rights leaders who had relentlessly fought for their rights. The CC, CPI (Maoist) is paying red homage to Pattipati and is sending its deep condolences to his family, friends, relatives and colleagues in the civil rights movement.

Pattipati was born in Tanguturu of Prakasam district in 1934. He was one of those several mass organization leaders who came forward to work for the rights of the oppressed masses and fighting people in our country in the wake of Naxalbari and particularly in AP during the Srikakulam armed struggle. With the notorious fake encounters which were intensified during the Vengala Rao fascist regime to suppress the Srikakulam struggle and the innumerable atrocities, arrests etc of revolutionaries and innocent people perpetrated by the government mercenary police and paramilitary forces, the need for a civil rights movement was felt more than ever in the 70s. APCLC was formed in 1973 and Pattipati became its first secretary while the legendary poet Sri Sri was its first president. Both of them had toured the length and breadth of AP to build up a strong civil liberties movement and their names became synonymous with this movement during this period. Pattipati was known for his fiery speeches which exposed the cruelest and fascist repressive face of the state. He strove like a one-man army to build up the units of APCLC in all the districts to strengthen the organization. Between 1970 and 1975 it was to him that the victims of state repression turned to, both as a lawyer and as a firebrand civil rights leader who passionately fought for them. His home in Isamiya Bazaar was one of the

few places in Hyderabad where the activists of mass organizations, victims of state repression, people on whom false cases were framed, revolutionary writers, civil rights activists etc congregated almost on a daily basis sharing the meagre food, shelter and contemporary revolutionary thoughts with him.

Pattipati would always be remembered for his memorable role in fighting for the annulment of the death sentences of comrades Bhumaiah and Kista Goud, the revolutionary peasant movement activists (pronounced in 1974) and for turning it into a country-wide issue. He was instrumental in involving leaders from various political parties in this campaign which included Jaya Prakash Narayan, Chandra Rajeswara Rao, Bhupesh Gupta, Vajpayee and George Fernandes. A committee was built up with this exclusive demand and he coordinated this from Hyderabad. His efforts in building solidarity for this demand internationally merit special mention. More than 300 intellectuals from all over the world (including Jean Paul Sartre and Tariq Ali) demonstrated in various countries like France and US in support of this demand. He argued their case and brought a stay when the state tried to hang them the first time. He would always be remembered by the movements which are being built the world over for a total ban on death sentences.

When emergency was declared on the midnight of June 25-26 in 1975, Pattipati was the first political activist and civil rights leader to be arrested in AP. During the time he was in jail his family had to undergo many trials and tribulations as he was the sole breadwinner. As Pattipati continued making phone calls, writing letters and sending telegrams even from jail to coordinate civil rights work the government brought a special G.O. banning such things. Between 1970 and 1977 as a lawyer he saved the lives of many revolutionary leaders and hundreds of activists whenever they were illegally arrested and were in the danger of being 'encountered' by the state. After the emergency Pattipati continued as a lawyer and campaigned hard for including the 'Right to Work' in the fundamental rights till his last breath. He remained a people's lawyer till the end.

Though Pattipati was not active in the civil rights movement after the lifting of emergency, he continued to sympathize with the revolutionary

movement and believed in Marxism. The Central Committee of CPI (Maoist) pays red homage to Pattipati for his role in building the civil rights movement in AP and his role as a people's lawyer during one of the darkest periods of repression in the state between 1970 and 1977. Our party sees the struggle for democratic rights of the oppressed people by comrades like Pattipati and civil rights organizations as an integral part of the overall fight against feudalism, comprador bureaucratic capitalism and imperialism for a new democratic society where all rights of the oppressed people are guaranteed. At a time when an unprecedented country-wide multi-pronged offensive in the name of Operation Green Hunt has been unleashed in the form of 'War on People' by the fascist Indian ruling classes and every single right won by the people and civil rights movements through years of struggles are being curbed, it is necessary to remember the services rendered by civil rights leaders like Pattipati who fought for these rights. At a time when there is a need for the civil rights movement in the country to become active more than ever, it is necessary to propagate the struggles and the services rendered by organizations and individuals as part of it which went into creating the present improved and greater democratic awareness about the inalienable rights of the people. The CC is appealing to his family, friends, colleagues in the civil rights movement and people's lawyers to propagate and emulate the services done by him for the oppressed masses of this country so that the younger generation is inspired to work for the rights of the people as inheritors of the struggle legacy.

**Hail the heroic resistance of
the anti-POSCO agitators against a project
which not only grabs their land but also the
future of their children!**

**People of Odisha have the right to decide
what kind of projects they need,
not comprador despotic rulers like Naveen Patnaik or
Sonia-Manmohan-Jairam-Chidambaram combine!**

**Build widespread agitations in support of
anti-POSCO agitation all over India!**

It has been one week since the people of India has been witnessing one of the firmest, staunchest resistances in the history of modern India against an imperialist MNC project in the form of anti-POSCO agitation in Jagatsinghpur district of Odisha. CPI (Maoist) hails the people of Odisha who are determined to stop the much-touted 52,000 crore 'biggest foreign direct investment' in India and declares its full support and solidarity for them.

The central government hastily cleared the POSCO project on 15 May 2007 and Manmohan himself had given full assurance to the South Korean government that he would do everything for building the project in the backdrop of people's rage erupting in severe opposition to it. The MOEF and the Odisha government have avoided compliance to the requirements under the Forest Rights Act and the MOEF guidelines issued in August 2009. In fact this is the ground for the Ministry's issuing stop work order on 5th August 2010. The state government has been repeatedly denying the existence of tribals in the proposed project area whereas subsequent visit and fact finding by the Saxena committee and the Meena Gupta committee has proved beyond doubt that there are other traditionally forest

dwellers in the proposed areas depending traditionally on the forests for their livelihood, that sufficient documentary evidence is available which shows the existence of forest rights and that the FRA is not implemented by the state government in the area. The Central government the state government of Odisha disrespected the resolution of more than 65 % of the villagers who participated in both the Palli Sabhas of Dinkia and Govindpur which unequivocally rejected the proposal for diversion of land. The government authorities deliberately suppressed facts and declared in the government's submission to the MOEF that such resolutions were fake! There are number of such instances where the government is suppressing the facts and figures and lying through the teeth. Based on the Meena Gupta committee's report the Forest Advisory Committee (FAC) has recommended withdrawal of forest clearance. But in violation of all this and making a complete U-turn, environmental clearance was given by Mr. Jairam Ramesh on May 2, 2011 and this proved to be the last straw. The state government immediately deployed the police in June to grab the land.

This whole period saw severe opposition from the people to any kind of land acquisition for the 12-million-tonne-capacity steel project, against mining lease for its Khandadhar iron ore reserve in Sundargarh district and the company's private port near the proposed steel plant about 12 km from the Paradip port. The fact is that both the central and state governments conspired for this and the statements by Jairam that environmental clearance doesn't mean that land should be acquired forcefully or Congress rushing to Govindpur supposedly to support the agitation are nothing but a big hoax. Jairam is advising the Odisha government to acquire land 'democratically'. Going by recent evidence, his 'democracy' looks like it includes lying and kickbacks from MNCs to keep shut. The only forms of democracy the people (mostly *Adivasis*) opposing such projects could see are fake encounters, tortures and incarceration for years together in jails !

Union Home Secretary GK Pillai in a recent interview asked the people to check the website of the Planning Commission and see the photos there to know how rapidly 'development' is progressing in the form of roads, *anganwadi* and school buildings coming up in backward (particularly 'Maoist') areas. He said 'Photos speak for themselves'. One wonders if the Pillai and his ilk have seen the photos of rows and rows of children,

women and elderly persons lying on their land in Govindpur area of Jagatsinghpur district under a hot sun or in pouring rains to save it from being grabbed by the MNC shark POSCO with the muscle power of the Naveen Patnaik's fascist 'licensed killers'. Do these photos speak anything?

Why are the thousands and thousands of anti-POSCO agitators fighting a life and death struggle not to allow POSCO's entry? Why is the number of people who agitate against the governments' policies swelling with each attempt by the comprador rulers to sell this country's resources to neo-colonialists? Do the numbers speak anything?

Why is that there seems to be no end to these agitations involving a sea of masses in Singur, Nandigram, Kalinganagar, Lalgarh, Narayanapatna, Bhatta Parsaul, Srikakulam, Bastar, Lohardagga and scores of other villages and towns in almost every state in this country? Does this long list of militant agitations of the recent past speak anything?

Do the sacrifices and people thronging to the funerals of mass leaders and agitators (from Tapasi Malik of Singur to Tabrez of Jaitapur, from the 13 adivasis in Kalinganagar to the peasants of Sompeta and Kakarapalli) who fought and laid down their lives in such agitations speak anything? Why are thousands of more people taking the place of these fallen heroes with silent determination waving the flag of 'Jal, Jungle, Zameen Hamara Hai'?

For those who care to listen – the message is clear. The overwhelming majority of this country's population is rejecting the profit-centric pro-imperialist development model and embracing the people-centric pro-people development model. The message from the ruling classes is also brutally clear. Whatever may be the 'cost' the people of India may have to pay – the comprador ruling classes with the strong support and guidance of the imperialists would continue with their plunder and pillage. **This 'cost' would include not only loss of land, water, air, seas, ports, natural resources, forests, ecology, rare flora and fauna, ancient civilizations, properties, limbs and not the least lives in the 'material' sense but would also include loss of self-respect, sovereignty, independence, freedom, dignity and pride which are inalienable for our existence as human beings.**

The people of Jagatsinghpur are asking a simple question - So why should we lose all these things and moreover who are you decide that we lose these things? They are stating an obvious truth – it is the people who have the right to decide what they need. They are posing a straight challenge to the ruling classes – face the fury of the people, we are not the ones to surrender. They are declaring a principled fact for the world to hear – the people of India refuse to be pushed into a slave-like existence.

We are afraid that sometimes even photos always do not speak for themselves. For example, the photos of school buildings (in ‘Maoist areas’) do not show the security forces which would be occupying them as soon as they are ready for it. **But agitations which are being carried on for years together by lakhs of people putting everything at their stake including their lives do speak something. They speak something which is the most important thing to be spoken or heard in this country at this point of time and one which would decide its future.** They are speaking the same truth which was spoken by the countless peasant and adivasi struggles (mainly armed but also unarmed) which were waged against the British colonial rulers in the 19th and 20th centuries, a truth which seeks to end all kinds of colonial/neo-colonial exploitation and oppression. The British tried to close their eyes and ears to this din of truth opting instead to suppress them using brute force. The Indian ruling classes are tracing their steps and they are bound to trace their steps to their own graveyards too if they continue in their ‘unjust, brutal wars on people’ in the name of development just like their imperialist masters. Whether it is direct armed suppression by deploying police and paramilitary forces in Moaist areas (and now the army too) in the name of Operation Green Hunt or by deploying police and paramilitary forces in places like a Bhatta Parsaul or a Govindpur all are for brutal suppression of genuine people’s struggles. The killing of more than twenty-five many anti-mining activists in fake encounters by Naveen Patnaik government since December 2010 and the recent meeting by P. Chidambaram with Naveen Patnaik and Raman Singh for anti-Maoist operations to be carried on in Odisha and Chhattisgarh in June point out how the central and state governments are planning to suppress the people’s agitations.

The anti-POSCO agitation along with many other struggles being

waged against land grabbing and loot of natural resources of our country has the potential to decide the fate of the many other foreign investments coming unchecked into our country. The CC, CPI (Maoist) exhorts the people of Odisha to go ahead firmly with steady fast determination in their struggle and calls upon the people of India to build solidarity struggles in support of this brave people. While it is necessary for the people of Jagatsinghpur to take the support of every political and civil party or group which is coming to them in solidarity, they should also be alert to the ploys of some of them, particularly that of parliamentary parties to divert their struggle into various kinds of compromises. It should not be forgotten that almost all the parliamentary parties have been following or supporting such pro-imperialist projects wherever they have been in power or have been sharing power or were giving tacit support even when they were in opposition.

It is not only necessary to go to Jagatsinghpur in support of anti-POSCO agitation but also to take up various forms of supportive propaganda and agitational forms in every state in their support. CPI (Maoist) is calling upon the people of India and the world to express the widest possible solidarity to this courageous struggle. The need of the hour is for all such struggles to broaden into a coalition of anti-imperialist struggles which would not only fight for scrapping of projects like POSCO but would also fight for kicking off all kinds of imperialist control and exploitation from our country.

- ★ Stop land acquisition for POSCO project immediately!
- ★ Withdraw all police and paramilitary forces from Jagatsinghpur district and stop all kinds of intimidating tactics to cow down the people!
- ★ Scrap all country-selling MoUs signed with MNCs for looting the natural resources of our country which rightfully belong to the people and only to the people!

**Red Homage To
Renowned Marxist Economist And
Great Friend Of Indian Revolution
Comrade Prof. R.S. Rao!**

On June 17, 2011 Prof RS Rao (74), the renowned Marxist Economist and great friend of Indian Revolution breathed his last in a hospital in New Delhi. With his demise, the Indian people have lost one of their greatest well-wishers and the Indian revolution has lost one of its greatest friends. His death spread a wave of grief throughout the revolutionary camp and the CC, CPI (Maoist) humbly pays red homage to this staunch Marxist who has stood firmly with the oppressed people and the Maoist revolutionary movement raging in this country ever since the Naxalbari days.

RS Rao, was born in Srikakulam of Andhra Pradesh but major part of his life and work were spent in Sambalpur of Odisha. The fact that he has chosen to work here as this area witnessed displacement due to big dams and was an Adivasi area shows his deep concern for the most deprived people of this country. This deep concern and sense of commitment for the oppressed masses, particularly for the Adivasis continued till the end. Naxalbari proved to be a turning point in his life and he deeply and firmly believed that only a movement which can fight back the feudal exploitation and oppression can liberate this country. In all his writings and speeches he kept pointing towards the semi-feudal relations and the need to liberate our country from them. Even as debates raged in the Marxist circles if capitalist relations have entered India he analyzed the production relations in India with a Marxist viewpoint and reiterated the semi-feudal nature of those relations. That is why he consistently believed and wrote about the need for new democratic revolution for this country as it would overthrow these exploitative production relations. His book *Towards Understanding Semi Feudal Semi Colonial Society: Studies in Political Economy*, and his other works are a must read for all serious political activists working for new

democratic revolution. His lucid style of writing and usage of simple words for explaining complex economic terms have been appreciated very much by ordinary activists and public.

RS Rao was one of the first persons who questioned the imperialist-dictated development model implemented by the Indian ruling classes and brought forth the concept that dark shadows lie below the lamp of development even from the days when big dams like Bhakra Nangal and Hirakud displaced people. When Nehru described big dams as ‘Modern Temples’, he said that indeed they were modern temples which did not allow entry to the ones who constructed them. His seminal work on this concept ‘Abhivrudhi Velugu Needalu’ (The bright and dark sides of development) in Telugu continues to influence any serious debate about the development model this country should follow. He had guided many young researchers and encouraged them to take up study of the social and economic changes occurring in the rural areas, particularly the changes in the old Maoist movement areas. As a veteran Marxist he tried to study things in their motion using dialectical method and tried to grasp their essence.

Recently, he played a crucial role of as one of the three mediators between the Odisha government and the CPI (Maoist) when Malkangiri Collector Vineel Krishna and junior engineer Pabitra Majhi were abducted. He was painfully aware of the fact that they could secure the release of these two government servants but could not even extract information from the government about the whereabouts of Comrade Seethanna leave alone the fulfillment of the promises made by the government in the wake of this abduction.

Since Naxalbari RS Rao has been a great friend and well-wisher of the people and the Maoist movement in the country and stood unwaveringly with the movement and Marxism in the face of all kinds of ideological debates, particularly during the world wide reactionary and post-modernist attacks on Marxism after the collapse of Soviet super power. The Maoist movement feels honored by the fact that a sound Marxist like RS Rao has always looked to the official political organs of CPI (Maoist) for his reference. The CPI (Maoist) hails RS Rao as a model pro-people intellectual

who should be emulated by any intellectual of this country who has people's interests at heart. They must use their intellect and writings to preserve the interests of the oppressed people of our country and stand by them in spite of all kinds of odds. This need is felt more than ever at this juncture when the Indian state has launched a multi-pronged country-wide war on the people to facilitate the indiscriminate loot of the natural resources of our country. The oppressed people of India, particularly the Adivasis would never forget the services rendered by Prof RS Rao and would always fondly remember this gentle, soft-spoken intellectual who was always scathing in his critique of the ruling class policies.

CC, CPI (Maoist) on behalf of the whole revolutionary camp sends its deepest condolences to Bharatigaaru, family, friends, colleagues in the various revolutionary and other mass organizations and appeals to them to propagate his writings and the values he upheld in his life so that they can be emulated by the younger generations who seek to liberate our country. The support extended by intellectuals like RS Rao for the revolutionary movement plays a crucial role in its survival and development and our party warmly remembers all support and solidarity extended by such writers and intellectuals. The real homage one could pay to RS Rao would be to follow the ideals and values he had propagated and followed in his life, to continue the study of the production relations of our country with a sound Marxist viewpoint in order to change them and to stand firmly with the movements which aim to liberate our country from the shackles of feudalism, comprador bureaucratic bourgeoisie and imperialism. Our party sees the efforts of all such intellectuals as part of the whole effort for a new democratic India. We appeal to all the friends and colleagues of RS Rao to continue his efforts and ideals to fulfill his dream of genuine democracy and development for the people.

The offer for peace talks by the President of India is nothing but a ploy to divert the people from the reality of OGH Phase -2 !

On June 24, the President Pratibha Patil who came on a visit to Chhattisgarh capital Raipur proposed that Maoists should abjure violence and come for talks and that they should join the mainstream and work for the development of Adivasis. This proposal came exactly at a time when thousand Indian Army soldiers had entered Bastar to participate in the Operation Green Hunt (OGH) against the poorest people of India. In the backdrop of the signing of MoUs worth billions of rupees worth to loot the natural resources of our mineral-rich country after many rounds of talks, the President is talking about 'peace talks'. She is proposing these 'talks' when already 750 sq kms of forest land where dozens of villages and thousands of *Mariya Adivasi* community reside have been handed over to the Army without any 'talks' whatsoever.

Pratibha Patil, incidentally the first woman President of India, is advising us to abjure violence even before the wounds of women of Tadimetla, Morpalli, Pulanpadu and Timmapur villages at the southern tip of Chhattisgarh have healed after the brutal atrocities and violence of the government forces perpetrated on them. She is advising us to abjure violence when state violence is a daily occurrence in Dandakaranya, Bihar-Jharkhand, Odisha, Maharashtra and many other areas, particularly the Maoist movement areas or *Adivasi* areas. In fact, state violence expresses itself in many forms. It is carried on in various methods at various times. For example, today it hiked the price of kerosene by two rupees, diesel by three rupees and cooking gas by 50 rupees. This is one form of violence which makes the lives of people even more unbearable. But the President doesn't have any issue with such kinds of 'violence'.

The first citizen of India is even asking us to 'join the mainstream'. The 'heroes' of the 'mainstream' which she is referring to, i.e., the scamster

and gangster corrupt ministers, political leaders, corporate sharks, and their comprador lackeys are facing the hatred of the people from *Dilli to gully*. The workers, peasants, *Adivasis*, *Dalits*, minorities and women face nothing but injustice, atrocities and insults in this so-called ‘mainstream’ of hers.

Our party’s official spokesperson and Politburo member Comrade Azad was killed in a fake encounter after he declared our stand to this kind of a proposal for talks by this very government and Pratibha Patil is inviting us for talks in this backdrop. Incidentally this invitation is being extended exactly one week before his first death anniversary. Exactly one year back Chidambaram and his killer intelligence-police dogs must have been giving final touches to the conspiracy to kill him. The state headed by this President responded by killing him when he clearly placed before the people of this country and the world our party’s stand about talks. Later too many veteran Maoist leaders were arrested and put in jails and this is a continuous process. Even Maoist leaders as old as 60 or 70 years are also put in jails and tortured apart from not providing them minimum medical treatment. False cases are foisted on them in dozens of states and the state is conspiring to keep them in jails lifelong.

Our heartfelt appeal to the people of our country !

Demand the President that the ‘War on People’ by the Indian State – OGH be stopped immediately, that Army training in Bastar be stopped and that Army and paramilitary forces be withdrawn from all the Maoist movement areas before the government proposes for any ‘Peace Talks’. If the government is ready to implement this, then the counter-violence of people done in self-defence would stop from the very next day!

Demand the President that all MoUs signed between the governments and the MNCs be scrapped before the government talks about ‘development’, that all projects which grab the lands of the people be immediately stopped and that the government should accept that people have the right to decide what kind of a development they want before the government talks of ‘development’!

Demand the President that all the scamsters and corrupt politicians should be arrested and punished, that all the black money stashed away in foreign banks must be brought back to the country and that all ministers and political leaders be stripped of their posts and publicly punished before the government invites the Maoists to join the ‘mainstream’!

**Immediately withdraw the death sentences
on Adivasi and dalit cultural artistes and
leaders Comrades Jeeten Marandi, Anil Ram,
Manoj Rajwar and Chhatrapati Mandal !**

On June 23, the Giridih district (Jharkhand) sessions court judge Indradeo Mishra pronounced death sentences to Jeeten Marandi, Anil Ram, Manoj Rajwar and Chhatrapati Mandal in the Chilkari case where 19 people were killed in 2007 and thus the state bared its fascist fangs one more time. Jeeten Marandi and others have always worked openly and the organizations they are working for are not banned organizations. Pronouncing death sentences in a case with which they had no connection whatsoever is a clear is nothing but an act of revenge on them as they are standing firmly with the people using song and dance in all their anti-imperialist and anti-feudal struggles, particularly against displacement. As part of Operation Green Hunt launched to suppress the Maoist movement in the country, particularly in Central and Eastern India, the central and state governments have been resorting to the most brutal and heinous atrocities one could imagine on the poorest of the poor – the Adivasis of this country and these latest death sentences are one more proof of this. The cruelest face of OGH could be seen in Chhattisgarh, Jharkhand and Odisha and that too in the Adivasi areas of these states where the Maoist movement is stronger.

Jeeten Marandi is a well-known Adivasi cultural artiste and leader of Jharkhand Abhen, a cultural organization of Jharkhand. He is a leader of the All India League for revolutionary Culture and has toured the length and breadth of India propagating revolutionary songs and culture. Anil Ram, Manoj Rajwar and Chhatrapati Mandal are also Adivasi and Dalit cultural artistes. Jeeten displayed his cultural talents since he was a child and gradually developed himself into one of the finest artistes this country has

ever produced. It was only natural that as a conscious child he could not ignore the plight of the Adivasi society of which he himself was a part. His social investigation of the root causes for the poverty, exploitation and oppression of Adivasis naturally led him to revolutionary politics and he and his cultural organization propagated revolutionary politics to awaken political consciousness among the people.

Propagating one's ideas openly is not a crime and nobody can be punished for that. The ruling classes of India are not ready to tolerate any kind of dissent and have been resorting to all kinds of ploys to stifle the voices of dissent to its pro-imperialist and anti-people policies aiming to loot the natural resources and rich mineral wealth of the people. As true people's artistes they have been in the forefront in the anti-displacement movement in Jharkhand which is giving one of the toughest resistances in this matter. It is very clear that the state is punishing them for these political activities and not for some Chilkari case which everybody knows is just one of the dozens of false cases foisted on them. In the bitter class struggle fought against feudalism in Bihar and Jharkhand massacres were perpetrated by the land lords through their private armies on the peasantry, particularly on the dalits. The peasantry had to resort to counter-violence in self-defence and incidents like Chilkari are a part of it. The state instead of looking into the root causes for such incidents and addressing them, is trying to use them to foist false cases on mass organization activists to stifle their voices of dissent. Firstly they slapped a case of sedition on Jeeten Marandi in 2007 with the allegation that he made inflammatory speeches in front of Raj Bhavan in Ranchi on the issue of release of political prisoners and have been harassing him ever since with incarceration and false cases. Even before that he has been arrested many times and sometimes beaten brutally. This death sentence comes as a culmination of all these conspiracies to stifle his voice forever. The state is so shameless in its callousness that it has foisted some cases of Pirtand and Teesri P.S. which happened when Jeeten was in jail!

This country has a 200 year long history of colonial rule under the British which was consequently witness to countless Adivasi rebellions.

British imperialism sought to suppress these rebellions by using brute force with the advantage of modern weapons they had and hanging of the rebel leaders was one consistent tactic it had used. The comprador Indian ruling classes which inherited this mantle of brute suppression from them are following in their footsteps. Comrades Bhumai and Kista Goud were the first revolutionary peasant activists to be hanged in 'independent India' and later death sentences were pronounced on many revolutionary activists, particularly on the revolutionary peasant activists in Bihar (which included the present Jharkhand) implicating them in false cases. People's lawyers and civil rights leaders like comrades KG Kannabiran and Pattipati Venkateswarlu as part of their civil rights organizations have vehemently fought against the death sentences pronounced on the revolutionaries both in the courts and outside and built broad movements not only with the immediate demands of annulling the death sentences in particular cases but also for ending capital punishment. It is necessary to continue this fight on a broader scale as it is obvious that the state would resort to more such fascist acts apart from the massacres, false encounters and atrocities perpetrated on the Adivasi hamlets on a daily basis. Singanna of Narayanapatna was killed point blank in police firings, Lalmohan Tudu of Lalgarh was killed in a 'fake encounter' and now comes this death sentence on Jeeten Marandi of Jharkhand. This is all part of the conspiracy to kill the people's leaders who emerged from the people's movements waged against feudalism, comprador bureaucratic bourgeoisie and imperialism. By rendering the movements leaderless they want to remove all hurdles to their loot of natural resources in the Adivasi areas.

As Jeeten and other people present in the court sang in the court immediately after the death sentences were pronounced – 'that day would definitely come' when people would put an end to all these fascist acts of the state with powerful mass upsurges. Neither death sentences nor false encounters can kill the spirit of true leaders of the people and they would fight to the end.

CPI (Maoist) demands that the death sentences of Jeeten Marandi, Anil Ram, Manoj Rajwar and Chhatrapati Mandal be annulled immediately.

It appeals to all democratic organizations, civil rights organizations, organizations for the rights of political prisoners and particularly to all cultural and literary organizations and Adivasi cultural associations to build a vast movement demanding the annulment of these death sentences and the unconditional release of these people's artistes. Let us broaden this movement for ending capital punishment altogether.

**Hail the sacrifices of Martyrs who laid down
their lives for the cause of people!**

**Intensify the People's War in the light of
the aims of martyrs!**

Defeat Operation Green Hunt!!

Make success the Martyrs Week from July 28 to August 3!

The martyrs who have laid down their precious lives for the cause of people's liberation are models for entire human society. Oppressed people are achieving many victories with the sacrifices of these great martyrs. In the struggle for the victory of New Democratic Revolution in India waged as part of the goal of establishing socialism-communism on this globe, more than 260 leaders-members of our party, PLGA commanders and fighters, leaders-members of various mass organizations, people's militia fighters, revolutionary and ordinary masses have laid down their lives in the past one year. In Dandakaranya 77 martyrs, in Bihar-Jharkhand-North Chhattisgarh 78, in Odisha 29, In Andhra-Odisha border zone 16, in West Bengal 7, in Lalgah movement 36, in Chhattisgarh-Odisha border area 10, in Maharashtra three and in North Telangana one martyr have laid down their lives during this year. Among these martyrs more than 30 were women comrades. All these comrades have sacrificed their lives fighting enemy forces heroically with the aim of defeating the Operation Green Hunt in the path of the protracted people's war (PPW) paved by the great teachers of Indian revolution, founders of our party and beloved leaders Comrades Charu Mazumdar and Kanhai Chatterji. CC is giving a call to the party, PLGA, revolutionary people's governments, revolutionary mass organizations and masses to observe Martyrs' Memorial Week in memory of our beloved martyrs this year too starting from July 28.

The Indian ruling classes were shocked with the historic Mukaram (Tadimetla-2) operation conducted by the PLGA against Operation Green

Hunt (OGH) launched with the aim of completely decimating the Indian revolutionary movement with the guidance of imperialists, particularly US imperialists. But within a few days the APSIB dogs hunted down our beloved leader and official spokesperson of the party Comrade Azad (Rajkumar) and journalist Hemchandra Pandey and killed them. Later OGH phase-2 was launched by the ruling classes by intensifying their counter-revolutionary offensive. In the process of fighting back this offensive and in the process of expanding the People's War to newer areas, the warm blood of several comrades was spilled in the forests, plains and towns. Among these comrades, 81 in Dandakaranya (DK), 53 in Bihar-Jharkhand-North Chhattisgarh (B-J-N.CG), 25 in Odisha, 16 in Andhra-Odisha border (AOB) area, five in West Bengal, 9 in Chhattisgarh-Odisha borders, three in Maharashtra and one from North Telangana were martyred. More than 25 of these martyrs are women comrades. They realized that sacrifice is an integral part of our revolutionary aim and that we cannot achieve our aim without challenging death and have laid down their lives while bravely fighting back the enemy forces to defeat the 'War on People', to defend the people and to develop the budding new people's power further in the process of advancing the People's War. The blood spilled by them is inspiring the vast masses of our country and the world with a spirit of struggle.

In spite of the opposition from the people of various oppressed classes, democrats, patriots, progressive social activists, environmental activists, lawyers, writers, poets, artistes and various NGO organizations against 'War on People' (OGH), the ruling classes carried on indiscriminate massacres with their mercenary police and counter-revolutionary gangs in OGH phase-2. Fake encounters (Bhilai, Kotrapal, Vakulvahi, Timmapur in DK, Burudhi in West Bengal, Hesia in Jharkhand etc) and massacres were perpetrated in villages, fields and forests to damage the mass base of the revolutionary movement and to terrorize the people. Countless firings and mortar shelling were done on ordinary people (Savargaon in DK). Apart from these, a large number of comrades were martyred due to poisoning (on the banks of river Ganga in Munger of Bihar); ambushes on people and people's militia (Mettagudapara-Silinger, Gondumetta, Burgil in DK and Cheruvuru in AOB) and encirclement offensives (East Champaran in North Bihar, Kashipur etc in Odisha). In Padkipalli of Mahasamund district

on Chhattisgarh-Odisha borders six comrades were martyred in an enemy ambush on a PLGA company which is working with the task of expanding the revolutionary movement. Two villagers were also brutally killed by the enemy in the wake of this incident.

Secret killer gangs of the enemy gang raped and brutally killed comrade Chaithe, the member of DK press committee in Maad division (DK). Counter-revolutionary PLFI (People's Liberation Front of India) goons have brutally murdered our party sympathizers and activist group members in Kudroom, Kolebira Chowk, Ramjol Bazar Tand in Simdega district of Jharkhand and some more comrades including our platoon commander were killed in Ranchi district by the goonda gangs of Dhanunjay.

Some comrades died in encounters with enemy forces (Barangbaru and Samri in Gumla district of Jharkhand, Manjari in Banka district of Bihar, the encirclement attack in Dharmaha village of East Champaran district of Bihar, Kullendar in DK and others). Some comrades were martyred in the courageous attacks carried out by our PLGA forces on the enemy forces. Some comrades and people have gone missing in enemy repression. Some comrades were martyred in some other incidents and accidents.

Among the martyrs are mass leader comrades Umakant Mahato, Sasadhar Mahato, RC member Arun and another comrade Khokhan Mahato of West Bengal; six comrades including one leadership comrade in Manjari encounter under Katoria PS limits in Banka district of Bihar; Praful Naik, Lakshman Munda, Gagri Kadeski in Odisha; striking company commander com. Nitant (Central Military Instructor), Basadhara Division committee member com. Ravi martyred in the Kashipur encirclement attack in Odisha, com. Nagesh – the divisional commander-in-chief of North Bastar in DK, Gondia divisional C-in-C in Maharashtra, CCM guard and platoon commander com. Kosa (Aitu) martyred in Mahasamund district of Chhattisgarh, revolutionary people's teacher com. Chandana who was to join the DK Education Development Committee and others. Along with them, comrades Rajesh Munda, Bhuthnath, Salim Mahato of B-J-N.CG and Arup Mochi of WB; area committee secretary com. Kishore (DK), platoon commander com. Vikram Munda, section commander com. Ratan Yadav (Bihar), AC/PPC level comrades Chaithe, Vikram, Keshal, Mangdu

of DK; com. Natasha in Mahasamund, two section/squad deputy comrades (DK), supply department driver com. Badal (Madhu) in Odisha, DK special action team member com. Prabhakar, division I-team member com. Ramesh, 27 PLGA (company, platoon, section/squad) members (six comrades in DK including Prameela, Kosal, 11 comrades in BJ including com. Vijaydas, five comrades in AOB including CRC coy-3 member com. Sandeep, Bangaruraju and Jyoti, five comrades in Mahasamund including Rajbatti and Lachu, three comrades in Maharashtra including Manju and Mangu, com. Jeevan Tudu in West Bengal); com. Ramaal, the president of village RPC (revolutionary people's committee) of North Telangana, KKC secretary com. Ramadhar (Bihar), sangam leaders – comrades Seethanna and Singal in AOB, com. Dharamdev in Bihar, senior leader of KAMS com. Vimala Devidas Kannake (DK), Jan militia squad commander com. Korsu Sukkal (DK), Jan militia members – eight in DK, two in Jharkhand, three activist group members (JH), 11 village defence people's militia members (AOB-six, DK-five) were also martyred.

In the attacks conducted by our PLGA forces on the enemy, section commander com. Ratan Yadav in Kajara ambush in Bihar, Oyam Budru and Vetti Hidamal in Usur ambush (DK), section deputy com. Muchaki Ganga in Morpalli ambush, PPCM and communication person in PLGA battalion com. Mangdu in Bejji ambush, Gondia C-in-C com. Nagesh, PLGA comrades Manju, Mangu, another comrade in Kobramenda (Gondia) ambush, Platoon-7 commander com. Maharu and member com. Rajesh in the courageous attack at Nargonda (Gadchiroli) where the notorious and cruel people's enemy Chinna Venta was wiped out had laid down their lives. One comrade was martyred in Sulungi ambush.

More than 50 ordinary and unarmed revolutionary masses were martyred in the 'War on People' launched by the central and state governments in DK, B-J-N.CG, Lalgah and Odisha. Among them are Adivasi people who were part of the Lalgah mass upsurge, anti-mining and displacement activists who were in the forefront in Odisha, revolutionary sympathizers and people in DK and B-J-N.CG. Police, paramilitary forces, Harmad Bahini and Gan Pratirodh Committee goons in WB, Koya commandos, SPOs and Salwa Judum goons in DK have murdered them in the name of 'Maoists'. The massacres perpetrated at Palaibani, Siyarbani-

Kotwali, Tougveda-Bhulaveda, Bandarboni, Jhargram and Netai villages in Lalgah area by Harmad Bahini goons, at Kotali-Jamirdanga, Patgaja, Gojra-Barikul, Hainhadugi-Barikul villages by Gan Pratirodh Committee goons; massacres by central and state joint forces in some more places; Kutrem, Rangaiahgooda, Kottapalli, Kolar, Madapa, Gurugutta, Gorukonda, Singannaguda, Murunga, Morpalli, Timmapur, Kesmundi, Chinari, Mankeli, Pullum, and Mechanar massacres in DK are stark witness to this. All these massacres happened between August 2010 and June 2011.

Comrades Kannabiran, Pattipati Venkateswarlu, RS Rao and other revolutionary intellectuals and civil rights movement leaders who have fought on the side of oppressed masses for people's democratic rights since many decades breathed their last. Their martyrdom is a great loss for the democratic movements.

People are waging militant struggles against the ever intensifying problem of displacement in our country and in the fascist police firings on these agitations at Kalinganagar (Odisha), Sompeta, Kakarlapalli (AP), Jaitapur (Maharashtra), Bhatta-Parsaul (UP) etc. many activists laid down their lives. Anti-mining activists Gangul Tarangi, M. Subba Rao in Koraput area, Madhav Singh Thakur, Ramesh Sahu in Bargad (Odisha) and anti-Raoghat mining activist Sanavu Kumeti (DK) were tortured severely and killed. 14 activists including district committee member com. Ravi who were participating actively and leading the anti-displacement movement in Odisha laid down their lives in the police massacres in Jajpur district and Kashipur of Niyamgiri area. The sacrifices of Niyamgiri and Mahasamund martyrs who have taken up the strategic task of expanding People's War to newer areas as part of defeating the country-wide offensive launched by the enemy with the aim of completely decimating the revolutionary movement, are invaluable.

In the present phase-2 of OGH it is a fact that brutality of the mercenary police-paramilitary forces and counter-revolutionary gangs has increased further. Along with the incidents mentioned above, the murders-atrocities, burning and loot perpetrated at Chintalnar and the massacre at Netai perpetrated with the support of central and state joint forces and CPM goons in Lalgah area are naked examples for this. The white terror

unleashed by Cobras, Koya commandos and Salwa Judum goons in Morpalli, Tadimetla, Pulanpad and Timmapur villages in Chintalnar area (three murdered, six women gang raped, property worth crores of rupees and grains burnt, 300 houses looted and then razed down) and the cordoning off of the area for weeks together by police, paramilitary, Koya commando forces stopping any kind of relief from reaching the area from outside show the intensity of the counter-revolutionary offensive. Democrats all over the country protested against this. Similar were the agitations raged on a large scale in West Bengal against the massacre at Netai by social fascist CPM goons. Apart from this, hundreds of local mass organization and revolutionary people's government activists and people were arrested put in jails by booking them under black laws. Particularly, as part of damaging our party leadership, in the man-hunts launched by enemy intelligence forces, on April 29, 2011, three Central Committee members and Comrade Bhupeshda in June and many other leadership comrades and activists were arrested by the enemy. Dozens of cases were foisted on them in various states to keep them in jails lifelong. The lives of people are in turmoil due to the 'War on People' carried on by the enemy.

The traditions of sacrifices, valuable experiences, bravery, values and ideals, displayed with democratic-communist consciousness by hundreds of comrades who were martyred while fighting back the enemy repression have brightened the path of our revolution. On the occasion of the martyrs' memorial week the Central Committee is humbly paying red homage with a heavy heart to our beloved leaders comrades CM, KC and to all the known and unknown martyrs since Naxalbari. It is vowing that it would fight untiringly for the fulfillment of their aims. On this occasion it is expressing its deep condolences to friends, colleagues and relatives of all the martyrs and is sharing their grief. It is appealing to all their beloved colleagues to fulfill their loss. It is saluting the great consciousness displayed by injured comrades and heart fully wishes that they would recover soon and join the movement actively. CC is sending heartfelt greetings to all the brave comrades who displayed courage, sacrifice in spite of cruel tortures on them when they were arrested and are turning jails into an arena of class struggles despite inhuman conditions prevailing there. It is sharing the grievances of the lakhs of people who are suffering due to the repressive

OGH. It is appealing to the people to fight with increased class hatred till final victory against the enemy who is the root cause for all their difficulties and tears.

In the international arena, the Arab world is in turmoil with rebellions. Though not led by revolutionaries, lakhs of Arab people are fighting militantly against tyranny, corruption, unemployment and for democracy against their lackey ruling classes of US imperialism. In these mass rebellions thousands of people and people's leaders have laid down their lives. On the occasion of Martyrs' Memorial Week, let us remember all the brave fighters who have laid down their lives while fighting against all kinds of reactionaries and imperialists for democracy, for national liberation and liberation from class exploitation and oppression in various countries.

Comrades,

Guerilla warfare is intensifying in various areas of our country as part of fulfilling our central task in response to the call of our party's Unity Congress-9th Congress. Due to the great sacrifices of our martyrs we are advancing by achieving one success after another in People's War. Without the sacrifices of the martyrs, we cannot imagine any of the campaigns taken up by the party in political, military, cultural, organizational, people's welfare spheres, campaigns for expansion into newer areas and newer spheres and the good results achieved by these. In spite of the many schemes and ploys of the enemy to stifle the movement through carpet security and by increasing the police, paramilitary and commando forces, the sacrifices of the martyrs are helping a lot in keeping the initiative in our hands in the movement. The enemy is establishing stronger informer networks in perspective areas to stop us from expanding to vast new areas in the country to confine our movement to limited areas. Despite this our forces engaged in expansion of our movement are fighting face to face with the enemy, making invaluable sacrifices in the tough guerilla warfare and are playing their role in keeping People's War alive.

In the TCOCs taken up by our party, military commissions and commands to defeat the OGH of the enemy, small and medium actions have taken place. Particularly, the Kajara (Lakhisarai) ambush in Bihar and our counter operation that failed the enemy attack in Saranda last

year; one of the bravest ambushes conducted by our PLGA in Dhardharia forests in Lohardagga district in the midst of severe repression in Jharkhand this year; in DK - the Morpalli (Chintalnar) ambush, Borguda night ambush (Kerlapal), Amamora (Gariyaband) ambush, Jharaghati frontal attack, the night ambush at Gatam on MPV, the ambush nearby Bejji camp, the night ambush at Kirandul, Sulungi (Koilibeda) ambush etc have checked the aggressiveness of the enemy. Particularly, these attacks which happened when the enemy was intensifying the process of deploying army in Narayanpur district in DK have greatly alarmed the exploiting ruling classes and the enemy forces. Similarly in Jharkhand, our PLGA forces have most bravely fought back the enemy attacks on our central camps which were conducted in military style with thousands of forces.

On the other hand, the Lalgarh and Narayanapatna movements are continuing militantly and developing without surrendering to the enemy despite severe repression. The anti-state, anti-feudal struggles have taken up the correct line for seizure of political power and have become part in PPW. The anti-displacement struggles in Kalinganagar, Niyamgiri, Mali-Deomali in Odisha, Lohandiguda, Raoghat, Bodhghat, Pallemadi in DK, Sompeta and Kakarlapalli, against mining of China clay in Dumriguda, against mining of bauxite in Visakha district in AP are advancing further in the same path. Movement for separate Telangana is becoming stronger with each day with the support of a vast sea of masses and is advancing in a militant manner. This has been possible only due to the blood spilled by several agitators. In recent times, with the inspiration of Singur, Nandigram and Kalinganagar struggles and that of Lalgarh and Narayanapatna mass rebellions which were carried out with the participation of revolutionary forces, anti-displacement struggles are erupting in several areas in our country. The people are everywhere rejecting the 'development model' of the imperialist and the comprador ruling class rich-corporates and agitating. Wherever such struggles are erupting the intelligence dogs are sniffing around them for their links with Maoists and are trying to portray all of them as Maoist movements. This in itself shows how nervous the ruling classes are about Maoists. On the other hand, the Maoist People's War is enthusing the democrats and progressive elements in our country very much. The sacrifices of our martyrs are giving them the inspiration.

Comrades,

Due to the launching of ‘counter-revolutionary war on people’ in the name of OGH to suppress the revolutionary movement which proved to be a hurdle to the reactionary, anti-people, anti-national, pro-imperialist, pro-corporate, expansionist economic, political, social and ecological policies of the Indian comprador ruling classes, all social contradictions in our country are sharpening. Due to this, great opportunities are coming forth for the Maoist forces, progressive democratic forces, patriotic forces, the national liberation movement forces, the vast socially oppressed communities like Adivasis, dalits, religious minorities etc to unite and continue the mass resistance on a wider scale. On the one hand, South Asia and Arab world are simmering and on the other hand anti-imperialist struggles are flaring up against loot of resources in Asia, Africa and Latin America and lakhs of workers and unemployed youth who have been thrown on the roads due to the closure of several industries as a result of the capitalist economic crisis are agitating. Due to this all the basic contradictions in the world are intensifying. In one word, the objective situation in our country and the world has turned excellent. In such a situation, the task of defending the leadership by fighting back all conspiracies, strategies and tactics of the enemy to annihilate the leaders of movements, particularly the Maoist leadership has assumed greater significance than before. By deeply understanding the dynamism of the theory of Maoist People’s War with proletarian thinking, in an impregnable manner to the enemy, by giving importance to committee work methods and discipline, by preserving ourselves and wiping out the enemy our party must serve as a model to the entire revolutionary ranks. We must properly understand the strength and strategic goal of the enemy. We must change our old tactics and functioning methods and formulate new tactics and functioning methods. We must be very firm in implementing the tactics formulated and secret functioning. Thus we can decrease our leadership losses and prevent unnecessary losses.

We must intensify and expand the guerilla warfare by continuously conducting small, medium and big operations in a planned manner depending on mass base in order to damage the initiative of the enemy forces which are aggressively coming to attack us with the help of carpet security in our

movement areas. Our plans for operations should be such that they guarantee success. We must creatively use combat skills, weapons, grenades, mines, cocktails etc in coordination in our battle operations. We must intensify anti-imperialist, anti-feudal, anti-state and anti-state violence mass struggles and agitations in support of guerilla warfare. Mass agitations must be developed into armed resistance struggles. We must expose the deceptive LIC war of enemy aiming to decimate the revolutionary movement by destroying its mass base. We must strengthen vast mass base around the revolutionary movement by awakening the people. Appropriate attention must be given to United Front apart from party and people's army and foundations must be laid for the building of strategic UF by mobilizing the masses of four classes in various agitations, building tactical united forums and strengthening them. Revolutionary People's Committees (RPCs) which are the form of strategic UF must be built from the village level and strengthened. We must advance towards building strategic UF by taking RPCs all over the country as the base.

Comrades,

Our beloved comrades have sacrificed everything to fulfill the central task decided by our Unity Congress and have transferred that responsibility to us now. No revolution in this world can be victorious without great sacrifices. The sacrifices of our martyrs would not go in vain. This is an era of revolutions. Today our revolution is demanding that we prepare ourselves for more sacrifices to achieve greater successes. Our martyrs are inspiring us for that. History is teaching us that people are invincible if they dare to fight. Let us advance with firm determination in the path of people's war by efficiently utilizing the excellent revolutionary conditions holding high the international banner of proletariat which turned crimson with the blood of the martyrs.

Comrades,

Celebrate Martyrs' Memorial week on a huge scale in every village and town all over the country with revolutionary spirit. Fight back the enemy at every step with the aim of defeating OGH while holding high the sacrifices, communist values, creativity, courage and bravery and dedication of our martyrs. Publish the life histories of our ideal martyrs. Build martyrs'

memorial columns in every village. Propagate widely about the sacrifices of martyrs in creative forms such as distributing pamphlets, pasting wall posters, wall writings, tying banners etc. Conduct meetings and rallies upholding their ideals. Make success the Martyrs' Memorial Week in a manner which would fill the party, PLGA, mass organizations and revolutionary masses with revolutionary spirit.

On the occasion of this year's Martyrs' Memorial Week, our CC is giving a call to the entire party, PLGA, mass organizations and people to fulfill the following tasks in the present concrete conditions as part of fulfilling the aims of our martyrs.

- Expose the deceptive LIC war of the enemy which aims to decimate the revolutionary movement by destroying its mass base, strengthen the mass base by rallying the vast masses !
- Consolidate party and PLGA theoretically, politically and militarily to take the place of the fallen heroes and to create new cadres on a huge scale with the aim of developing PLGA into PLA. Develop Maoist dynamism in order to get rid of non-proletariat trends. Avoid unnecessary losses by implementing secret style of functioning with proletariat discipline ! Do not hesitate to sacrifice !
- Conduct tactical counter-offensives like Mukram-Tadimetla, Kongera, Mamayil, Silda, Baiphariguda (Mantriyamba), Kajra-Lakhisarai, Saranda counter operation, Lohardage-Dhardharia, Amamora, Gatam and Borguda on a huge scale with the participation of people!
- Expand the Maosit People's War to vast areas according to the wishes of the people with invaluable sacrifices !
- Create mass upsurges like Lalgah, Narayanapatna, Kalinganagar, Niyamgiri, Sompeta, Govindpur-Dhinkia of anti-Posco agitation etc to end the exploitation and oppression of imperialists and the Indian ruling classes. Advance such struggles with the aim of seizure of political power !

CONDEMN GRUESOME MUMBAI BOMB BLASTS!

Demand for an impartial and independent probe into all the incidents of bomb blasts including Mecca Masjid, Malegaon and Samjhauta Express blasts!

Communist Party of India (Maoist) severely condemns the bomb blasts took place in Mumbai on July 13, 2011. These incidents of serial blasts are inhuman in which at least 20 innocent people have lost their lives and nearly 80 people were injured. Our Party also strongly condemns the devious and baseless allegations of exploitative ruling classes and their police/intelligence agencies who are trying to blame our Party without any clue of who might be responsible for these bomb blasts and even before the investigation is started. The oppressed people of India know very well that our Party which is fighting for the emancipation of people would never commit such attacks aimed at innocent people putting their lives at peril. Murderous ruling classes and their corporate media are deliberately blaming us so as to depict our Party as a terrorist organization and our just people's movement as terrorist one, and thus to justify their brutal suppression campaign and the Army deployment in the second phase of ongoing Operation Green Hunt — the War On People.

If we retrospect into the earlier incidents of bomb blasts took place till this day in our country, we would never know the real culprits hidden behind those who are being shown as offenders. It's become a norm now that whenever such incidents of bomb blasts take place, the pro-Hindu fundamentalist Indian state, its intelligence/investigative wings and the corporate media immediately claim that Muslims and so-called Islamic terrorist organizations are responsible. In fact, as part of a conspiracy and collusion of the Indian state which always try to blame Muslim society for every attack of this kind and the top leaders of the ruling class parties like Congress and BJP, the IB itself created an illusionary organization named Indian Mujahiddin which is being held responsible for every incident of bomb blast by the authorities. Corporate media barons and bankrupt intellectuals servile to the ruling classes are branding all those who ask for

proof of these allegations and who demand for comprehensive and impartial probe as outright traitors and attacking them belligerently, irrationally and frantically. Thus people are being kept at bay from knowing the truth. In our so-called biggest democracy on the earth, the big joke is not asking for incisive probe has become the touchstone for patriotism and the person who asks for any probe is branded as traitor!

In earlier instances of bomb blasts in Mecca Masjid, Malegaon, Samjhauta Express etc. hundreds of innocent Muslims, particularly the youths were arrested, tortured inhumanly and sent to jails. Many were killed in fake encounters. Even after the obvious evidences came forth that the Hindu fanatics belonging to the right-wing RSS gang were responsible for those ghastly incidents, no justice was done to the Muslims. No leader of the Hindu terrorist organizations like *Abhinav Bharat*, Hindu defence force, *Rashtriya Jagaran Manch*, *Bajrang Dal*, *Viswa Hindu Parishad* has been punished until this day. At the same time, death sentence given to Afzal Guru in the case of attack on Parliament and to 11 Muslims in Godhra train carnage case recently on March 1 are some examples of the anti-Muslim and pro-Hindutva character of the Indian State. While the butchers like Narendra Modi whose hands have stained with the blood of over 2,000 innocent Muslims are freely wandering in the corridors of power, Muslims are being meted out stringent punishments by virtue of bizarre and inadequate evidences. And this has been spreading the feeling of severe frustration and fury among the Muslim masses.

It's an obvious fact that because of the grisly incidents like the destruction of the Babri Masjid and Gujarat genocide, the Muslim community in general, a large section of Muslim youth in particular, has become furious and outrageous against the Indian ruling classes. Another irrefutable fact is that this situation has given birth to some Islamic organizations. Exploiting this situation and by taking organizations of this sort into their grip or by misleading them in a deceitful manner or by even creating some new organizations of this kind, both India's and Pakistan's intelligence agencies like RAW, IB, ISI are engineering bomb blasts and other attacks in both countries as part of serving their vested political interests. Failing to identify their real enemies many a frustrated Muslim youths are stuck in this lattice and taking part in acts of mindless violence of this kind. Thus they are

taking of the lives of innocent people. This is such a vicious cycle where these youths don't even know in whose hands are they acting and whose vested interests are being fulfilled with such attacks in deed.

On the other hand, after it was clearly exposed that an organization called Abhinav Bharat belonged to the *Sangh* gang (i.e. RSS) was responsible for bomb blasts of Malegaon, Mecca Masjid and Samjhauta Express, people of India have started seeing Saffron terrorism as a dangerous trend. When it became obvious that the Saffron terrorists are responsible for Ajmer Sherif bomb blast also, the demand for a review of all investigations done into the incidents of bomb blasts in various places of our country has come forth. The Muslim youths of Malegaon and Hyderabad have demanded that the government should apologize for the police atrocities inflicted on them. Despite of all its rhetoric, the Congress-led UPA government has been instigating Saffron terrorism as a part of promoting its wicked political motives. The corporate media which act hand in glove with Hindu fundamentalism in general, on the one hand, attack Muslims and Islamic organizations aggressively without any clear evidence and on the other hand, report as less as possible even when there is evident proof is available that the Saffron terrorist organizations were responsible for various incidents of bomb blasts.

If we see in this backdrop, we could arrive at the conclusion that Saffron terrorist organizations or so-called Islamic militant organizations sponsored by the very intelligence agencies like IB, RAW might have committed these heinous acts of July 13 Mumbai bomb blasts. It's also likely that the mafia gangs hand in glove with police top brass and ruling class political leaders could have committed these attacks. Whoever else has done this, only the interests of ruling classes would be served with such acts of mindless violence. Firstly, people's attention could be diverted from the issues like price rise, corruption, scams, black money, Swiss banks accounts which have become burning issues in the country now. Secondly, by posing terrorism as biggest danger, even more draconian laws could be prepared and the teeth of State's suppressive machinery could be sharpened by importing arms and technology from imperialist countries on a massive scale misusing trillions of rupees of hard earned people's money. Thirdly, by supporting directly or indirectly all invasive wars, attacks and intimidations

of US imperialism going on in the name of ‘Global War on Terror’ and thus by acting as its junior partner in south Asia region, the Indian State could go ahead reducing the country more servile to it by signing the treacherous treaties like Homeland security, civil nuclear deal etc. Fourthly, using the pretext of terrorism, public consent could be built for crushing the people’s movements and growing Maoist revolutionary movement militarily which are surging against anti-people and pro-imperialist neo-liberal policies of the governments. Apart from this, consolidating Hindu vote bank by blaming Muslims and Islamic organizations every time without any proof and diverting the people’s attention from the basic problems of our country like food, clothing, shelter, price rise, unemployment, poverty, starvation, displacement etc. are necessary for both Congress and BJP and for the feudal and comprador bourgeoisie classes whom they represent, so that their exploitative rule can be carried on unchecked.

However, Communist Party of India (Maoist) believes that the real perpetrators of Mumbai blasts could be traced only through an impartial and independent probe. Our Party humbly appeals the masses and democrats of the country to not to sway away with the malicious propaganda, falsehood and prejudices unleashed by the ruling classes, their intelligence agencies and the corporate media in a mad, one-sided and irrational manner. Our Party demands to uncover the culprits responsible for these blasts and punish them severely. At the same time, our Party calls upon entire people of the country to demand the governments for impartial and independent probes into all incidents of bomb blasts that took place since 1992 and for unconditional release of Muslims and Christians who are languishing in various jails with false cases. Our Party also calls upon the people of the country to demand to punish all those Saffron terrorist leaders who are responsible for all the attacks perpetrated on religious minorities including the Babri Masjid destruction, Gujarat genocide, Kandhamal (Odisha) attacks and to condemn Hindu religious fundamentalism and all other religious chauvinisms.

**Throw into the dust bin all the vicious
propaganda carried on
by the ruling classes and corporate media
against the Maoist leadership!**

At present the Indian revolutionary movement is facing many hard challenges and advancing through the process of victory-defeat and victory. With the aim of completely wiping out the revolutionary movement, the ruling classes are carrying on a cruel war of suppression with the full support of the imperialists. Particularly by following the LIC strategy formulated by the US imperialists, these fascists are carrying on this counter-revolutionary war. Particularly from 2009 onwards the UPA government in coordination with the state governments is carrying on a countrywide suppressive war in the name of OGH. In this unjust war carried on against the people under the leadership of the Sonia-Manmohan Singh-Chidambaram-Pranab Mukherji gang, their strategy is said to be 'suppression and development' (read suppression of the people and development of the corporate houses). As part of this they are using psychological warfare as a strategic weapon and vicious propaganda on revolutionary leadership is a key component in this. Media is being used as one of the main instruments in this psy-war. Media persons who represent corporate sector and pseudo intellectuals who are apologists for the ruling classes' ideology are participating actively in this psy-war through foul-mouthed propaganda.

Counter-revolutionary propaganda is as old as the revolutionary movement. The German fascist propaganda minister Goebbels who said that repeating a lie a hundred times would turn it into the truth has found his Indian avatars in Sonia, Manmohan, Pranab Mukherji, Raman Singh, Naveen Patnaik, Nitish Kumar, Kiran Kumar etc and their faithful spokespersons like Arnab Goswamis and Chandan Mitras are leading this nasty campaign in various forms in the media. Right from the propaganda that Marxism has become outdated to the propaganda that bitter differences have cropped up among the Maoist leaders, news items against the

revolutionary movement and its leadership with utter lies and outlandish fabrications, falsehoods and half-truths are being published and relayed day in and day out. The single and foremost aim of this psy-war is to spread confusion, disappointment and lack of confidence among the people and the revolutionary ranks towards Maoist leadership by creating doubts, prejudices and illusions about our party and its leadership. The ruling classes and their lackey intellectuals are dreaming that by deceiving the people they can carry on their exploitation and pro-imperialist economic policies without any opposition whatsoever. Some of the journalists who come under this category are hand in gloves with the intelligence officials and are propagating crap about the Maoist revolutionary movement through corporate media houses. The white lie published under the title 'Bitter differences crop up between Maoist PW and MCC factions' in *Times of India* dated July 17, 2011 is undoubtedly part of this Psy-War.

This news item dictated by the Indian intelligence agencies and written by Rakhi Chakrabarty has not only targeted the Maoist leadership but has also falsely created 'PW and MCC factions' and 'severe differences of opinions among them' in the party. The unity of these two revolutionary parties in accordance with the much-awaited aspirations of the oppressed peoples of the world and our country and rich experiences of these two parties by overcoming the most painful period named as "Black chapter" by both of them in their histories has opened a glorious chapter in our country's revolutionary movement. Only genuine and selfless revolutionaries can so accept their mistakes publicly and seek apology from the people and work with steadfast determination not to repeat them. That is why this genuine unity has enthused the oppressed people and revolutionary ranks all over the world as much as it had spread anxiety and dread among the Indian ruling classes and their imperialist masters. It is to be noted that the faithful servant of the imperialists and the Prime Minister of India Manmohan Singh began describing the Maoist movement as the biggest internal security threat after this historic unity. It is also an undeniable fact that the ruling classes have intensified their fascist offensive on massive scale against the revolutionary movement only after this.

It is an age-old trick of the ruling classes to create illusionary divisions among the top leaders of the revolutionary parties so that people would

come to believe that even these parties would not lead them properly with such careerisms and divides among their leaders. Umpteen numbers of such instances can be quoted from all over the world and this news item of TOI is one such most vicious propaganda against our leaders who in fact have spent decades of their lives in service of the people selflessly. Some of them are now languishing in jails facing inhuman treatment from the state without the minimum facilities or medical treatment at this old age. The callousness of the state towards our leaders who have sacrificed everything for the liberation of the oppressed people of our country is reaching unprecedented heights with each day. In a way, this only indicates that the state is scared about the increasing influence of revolutionary politics and is resorting to all kinds of tricks to reduce it in vain. Our Party is completely rejecting all these allegations leveled against our leadership and is appealing to the oppressed masses and the revolutionary camp not to believe even a word of it.

All genuine revolutionary parties have several differences of opinions and shades of differences among their members in ideological, political, organizational, military, cultural etc matters. Various ideas come for discussion and they are concluded with a majority after each and every member has voiced her/his opinion on them. This is a democratic process followed by the revolutionary parties which can never be seen in or understood by the ruling class parties. Only through such discussions and criticism-self-criticism does a party sustain its revolutionary content and not by blindly following any one leader like in the bourgeois parties. Revolutionaries steel themselves in the flames of class struggle and by going through many sessions of criticisms and self-criticisms. The intelligence agencies are trying to distort this healthy atmosphere inside the party as exactly its opposite and trying to confuse the people and the ranks by propagating that there are bitter differences inside the party and that too on the lines of PW and MCC. We appeal to the oppressed people of the world and our country, democrats and revolutionary ranks to condemn this vicious propaganda, to stay alert to such tricks of the state, to throw them into the dust bin and to stand firmly with the revolutionary movement in solidarity.

Finally, regarding the so-called differences on ‘the lines of PW and

MCC’, we feel it would suffice if we reiterate what our party General Secretary Comrade Ganapathy had said in an interview given to the media in October 2010.

“....The struggle between correct ideas and wrong ideas is a continuous process in the party. We would solve our differences of opinion by abiding the principle of democratic centralism and in the light of Marxism-Leninism-Maoism. This would only lead to the development of the party. We achieved great unity with the merger of the two parties. Now any discussions or conflict of ideas which takes place in the party would be in the form of ideological and political discussions in a united party and not in the form of differences between erstwhile MCCI and erstwhile CPI (M-L) (People’s War). We categorically state that the differences would never ever take the form of conflicts before the merger.”

**Condolence message of CC, CPI (Maoist) to
the CC, Communist Party of The Philippines
on the demise of**

Gregorio “Ka Roger” Rosal

Dear Comrades,

Our CC felt deep sorrow when we heard the news of passing away of Gregorio “Ka Roger” Rosal, spokesperson and chief of the Information Bureau of your Party, the CPP. On behalf of the Indian revolutionary movement and entire revolutionary masses of India, we send our heartfelt condolences to the CPP, NPA and NDF, all near and dears of the departed veteran of Filipino revolution. We share your grief. The demise of Ka Roger is a great loss to entire Communist revolutionaries of the world.

Veteran Communist leader Comrade Roger greatly contributed to the Filipino revolution ever since he joined into the revolutionary movement in 1972. Born in a poor peasant family in the countryside, he raised to the level of the spokesperson of the Party. This would inspire every communist across the world. From ‘Great Escape’, he played crucial role in expanding and consolidating the Filipino revolution as well as armed struggle and mass struggles. He strode unwaveringly against all odds faced in his personal and political life. Understanding the significance of the propaganda work in revolution he accrued immense experience in propaganda front striving hard. The way your Party waged a relentless revolutionary propaganda war in defeating the psychological war being carried out by the imperialists and their lackey Benigno Aquino III is simply great. It’s been an immense inspiration to our Party. Despite severe ill health, as a veteran communist leader Ka Roger had been in touch with the Propaganda Bureau of the CPP furnishing it with his invaluable suggestions till the end and thus he handed over his legacy to his comrades so that the tasks of the revolution could be carried on ceaselessly.

His demise is a huge loss not only to the Filipino Revolution, but to the

World Socialist Revolution as well. He displayed enormous competence, patience, straightforwardness, intelligence, patriotism and love for his nation throughout his career as a revolutionary. Thus he presented himself before the world people as a model of how communists should think about the world.

The CC of CPI (Maoist) humbly bows its head in memory of this Great Leader of the World Proletariat Ka Roger and vows to carry the World Proletarian Socialist Revolution forward.

**Separate telangana state must be
immediately formed!**

**MAKE SUCCESS “BHARAT BANDH” on October
11, 2011**

**in support of the “SAKALA JANULA SAMME”
(Entire People`s Strike)!**

Telangana people's aspiration for a separate state has turned into an unprecedented upsurge. Unity of Telangana people is blooming. In the “Sakala Janula Samme “ initiated by employees, Singareni, RTC, Electric workers with students, lawyers and teachers being in the forefront - artisans, auto drivers, unorganized workers, municipal workers, traders, priests and peasants have joined. With the participation of all sections of people, artisans and intellectuals the strike is intensifying with every day. The participation of family members of the entire people right from old persons to women and children indicates how widespread this strike has become. Worried that they may become isolated from the people with this entire people's strike the ruling class parties like congress, TDP and BJP are vying with each other to tender resignations which are any way rejected. Congress is trying to show as if it is bringing pressure on the high command for Separate Telangana. As the strike intensified congress leaders started immediate consultations in Delhi with Gulam Nabi Azad. In his report to the Congress high command, Azad has stated that it would take ‘some more time’ to take any decision on Telangana issue and thus displayed his betrayal nature once again. On the other hand all kinds of possible political alternatives are coming to the fore. Congress high command is hands in glove with the Seemandhra wealthy classes and is trying to bring to the fore pre-planned moves. The conspiracy to separate Hyderabad from Telangana and making it a Union Territory or to make it the common capital of two states is part of this. They are propagating another proposal where Hyderabad would

be separated and a separate state would be formed by joining Kurnool with the rest of Telangana. Telangana people would never accept any of these proposals. That Hyderabad is an inseparable part of the Telangana is an undeniable historical truth. Telangana people must stand united and defeat the conspiracies to form Separate Telangana state without Hyderabad.

Government is resorting to severe repression to suppress the entire people's strike which is raging like wild fire since 18 days. It is using ESMA to suppress the rights of workers and employees; is turning factories, mines and offices into police camps, lathi charging and firing rubber bullets on processions, making illegal arrests and resorting to threats. On the other hand it is trying to bring a divide between Telangana people and Andhra settlers and trying to suppress the movement. As part of this, it is bringing black legs into the strike and they are resorting to attacks on workers. NGO leader Swami Goud was attacked as part of this. As part of this conspiracy Lagadapati Rajgopal came to Hyderabad under the pretext of a courtesy visit to RTC workers and was also in the forefront in trying to fizzle out the strike by bringing in drivers on hire from Seemandhra. Governor Narasimhan, Chief Minister Kiran Kumar Reddy and DGP Dinesh Reddy are severely trying to suppress the entire people's strike under the orders of the Central Government. Congress ministers from Hyderabad Danam Nagender, Mukesh Goud and Owaisi brothers who are Majlis leaders are working against the demand of Separate Telangana and have turned into traitors of Telangana. Governments and ruling classes are controlling the media following the suggestions given in the 8th chapter of Sri Krishna Committee that this entire people's strike going on at higher level should not be propagated in Andhra Pradesh and in other states of our country. Thus they are trying to continue their rule by keeping the people of our country in dark.

Beloved people of Telangana!

Carry on the entire people's strike with more determination and intensify it. Formation of a Separate Telangana state would be possible only by preparing ourselves for bitter struggles. We cannot expect the ruling classes which suppress even the basic rights of people to start the process of

formation of Telangana state so easily. When we look at the past history too it can be seen how the Telangana people had to shed blood even for fundamental rights. Preparing ourselves for long term, united and militant agitations and advancing forward along the path of struggle is the only way to achieve Telangana state by bending the Central Government. We all know that the ruling classes and their leaders would try to fizzle out the movement at the first chance by resorting to compromising agreements always. We must expose these conspiracies from time to time and defeat them. When the movement rages for a long time, we must fight back the vacillations occurring among the leaders and keep alive the movement. TRS which believes strongly in achieving Telangana through lobbying is participating in the entire people's strike in an inevitable situation to save itself from getting isolated from the people. But on the other hand it is trying to get its candidate (who jumped from TDP to TRS) elected in Banswada by-election and this is nothing but tactics to divert the people from entire people's strike. Congress which claims that it is committed to Telangana had exposed its opportunism by contesting this election. TDP which had always been opposing Telangana state announced that it would not participate in elections till Telangana is formed and boycotted the Banswada by-election. This is nothing but rank opportunism. The various JACs must advance forward in accordance with the struggle unity coming to the fore very strongly in the entire people's strike in Telangana. They must keep aside their vacillations and lead the militant agitation of the people properly. This is the appeal of CPI (Maoist) to the various JACs at this juncture.

The entire people's strike is creating a great impact on the people of our country. It is serving as a strong inspiration to movements for separate states. It is an important task before the people of our country to stand in support of the Telangana people at present. Our Party is whole heartedly issuing an appeal to the people of Seemandhara to respect the aspirations of the Telangana people which are blooming during the entire people strike and stand in support of the separate statehood demand. We appeal to them not to give in to the conspiracies of the exploiting ruling classes which are scheming to create a divide between Telangana and Seemandhra people and to welcome the democratic demand for Telangana state.

We demand that Separate Telangana State be immediately formed in accordance with the strong aspirations of the people of Telangana and are issuing a call for Bharat Bandh on October 11, 2011 in support of the entire people's strike. We appeal to workers, peasants, students, intellectuals, women, democrats, progressive mass organisations, progressive elements, poets, artistes and the vast masses to participate in observing the bandh and make it a success. We appeal to the people of our country to shut down offices, educational institutions, trade organisations etc completely and show solidarity to the movement for separate statehood of Telangana.

**Let us intensify People's War with the aim of
defeating "Operation Green Hunt" –
War on People !**

**Call of Central Military Commission, CPI (Maoist) on the
occasion of PLGA 11th anniversary**

Beloved people!

By December 2, People's Liberation Guerilla Army (PLGA) would complete eleven years. On this occasion Central Military Commission (CMC) is giving a call to celebrate the 11th anniversary in all our guerilla zones and red resistance areas with the determination to defeat Operation Green Hunt (OGH) of the exploiting ruling classes. In the People's War ongoing for the liberation of toiling masses in India nearly 150 best daughters and sons of the soil and ordinary people have laid down their precious lives since December 2010 to September 2011. Let us pay revolutionary homage to all the brave fighters. Let us vow to fulfill their aims.

In the past one year, hundreds of local mass organizations, revolutionary people's government activists and people were arrested, booked under black laws and put in jails. To suppress the revolutionary cultural movement, death sentences were pronounced on four cultural activists of Jharkhand Abhen including Jeeten Marandi. It is necessary to build a strong people's movement to annul these death sentences. Particularly, as part of inflicting losses on our party leadership in the dog hunt of the enemy intelligence agencies on April 29, 2011 three Central Committee members and in July comrade Bhupeshda and many other leadership comrades and activists were arrested by the enemy. The enemy is making conspiracies to incarcerate them in jails permanently. CMC is giving a call to the people to build agitations everywhere for the release of these political prisoners.

In the operations conducted by our PLGA forces against fascist OGH all over the country, 150 mercenary policemen were wiped out, 180 were

injured and seized 60 weapons all over the country successfully since December 2010 to October 2011. Moreover, in the continuous single actions conducted by the PLGA forces, 170 anti-people elements, were wiped out. Particularly, the role of people's militia forces is worth mentioning in this.

The central and state governments have announced that the second phase of the fascist OGH is ongoing. This unjust war (Green Hunt military offensive) unleashed by the Sonia-Manmohan Singh-Chidambaram clique against the people of this country from mid-2009, is nothing but a war to let the comprador companies and MNCs to loot the mineral wealth in the adivasi areas. In order to brutally continue the 'War on people' the government deployed a brigade level army force in the name of training in May end of this year. In fact, army officials have been guiding the counter-insurgency operations of the paramilitary forces since six years with the aim of wiping out the revolutionary movement which is proving to be a hurdle to corporate loot. The army on its own established counter-terrorism Jungle Warfare schools including the ones at Kanker of Chhattisgarh and Ambicapur in North Chhattisgarh and is giving special training to police-paramilitary forces. Army higher officials have conducted Bastar tours several times. During the days when Salwa Judum was at the height of its cruelty, American consulate officials have visited the Jungle Warfare School in Kanker and had consultations with Raman Singh and police higher officials in Raipur. All these undoubtedly prove that all this is happening under the guidance of the US imperialists.

Attacks on people, murders, sexual atrocities on women, razing down houses, loot, destruction of harvest and looting of hens, pigs and goats have become commonplace in the fascist Green Hunt military offensive. The Chintalnar murders-atrocities-razing of houses-loot, the massacre conducted in Netai village (Lalgarh, PB) by the CPM with the help of central and state Joint Forces and the massacre by PLFI goons in Jamgai village (Gumla district, JH) are living examples for this. Ninety nine percent of the persons killed by the reactionary Salwa Judum, Sendra, Nagrik Suraksha Samity, Santi Sangams, government armed forces including several kinds of killer gangs in Bihar and Jharkhand are unarmed people. The armed guerillas dying in encounters and fake encounters will not be more than one percent.

This hugely indicates that this is a 'War on the people'.

By portraying DK as a stronghold of Maoist guerillas, the Indian Army stepped in DK in the name of 'training' by violating the laws banning land transfer, PESA act and the acts giving all powers to the Gram Sabhas. But the actual aim of the army is to chase the Adivasis away from their ages old abode to wipe out the most ancient human community and their primitive culture and to nip in the bud the Janatana Sarkars being established by the adivasi people under the leadership of the Maoists. For this sake, the central government gave all powers to the army to implement the majority aspects in AFSPA and to go to any length in the name of self-defence. Indian Army which is supposed to defend the borders of the country is now ready to wage war on its own people in the heart of the country. All adivasi communities all over the country must now agitate against the conspiracies of the Indian ruling classes to safeguard the interests of the imperialists and MNCs and to extend the atrocities and massacres carried on by the Indian Army and paramilitary forces on Kashmir and North-East national liberation struggles. People belonging to all classes and sections, democrats, patriots and mass organizations must stand firmly in their support.

Beloved people!

As a consequence of the distorted development of the imperialist LPG policies, the impact of the world economic crisis is severe on our country too. Increase in corruption, unemployment, price rise, poverty and displacement and due to loss of lands, forests and water, the living conditions of the oppressed working class, peasant and middle class people became unbearable and they do not have anywhere to turn except towards revolution. Material conditions are ripening for revolution. Strikes and agitations of all sections of people are increasing. Economic struggles are turning into political struggles. The political agitations of the backward adivasi peasantry are intensifying. Struggles like Lalgah, Kalinganagar, Narayanapatna, anti-Posco, Niayamagiri, Mali, Deomali, Singareni, Open casts, Polavaram, Sompeta, Kakarapalli, Jaitapur and Greater Noida, struggle of people displaced due to urban development in Jharkhand, countrywide anti-SEZ struggles, price rises, anti-corruption struggles, struggles on peasant issues and the struggles of dalit and women indicate the political consciousness of the people. People are rallying militantly for the formation of separate

Telangana state. The national liberation struggle of Kashmir is continuing to rage. In order to divert the militant struggles of the people, NGOs run with the guidance of imperialists and those under the leadership of persons like Anna Hazare are bringing forth struggle forms like hunger strikes in the name of non-violence. Fascist repression of the ruling classes is increasing on our Maoist party which is serving as the beacon light of the oppressed masses and also on working class, peasantry, middle class and oppressed masses. The economic and political crisis is intensifying every where and so vast masses must display revolutionary spirit and take up political agitations with the slogan that we will fight till our last breath. We must rally on a huge scale on daily issues and political issues. We must realize that it is not possible for the economic interests of the oppressed masses to be fulfilled without decisive political struggles and develop these agitations to a higher level by linking it with the slogan that “Political Power must be seized through People’s War”.

Call of the CMC

Beloved workers, peasants, adivasis, toiling masses, women, students, youth and intellectuals! Thousands of people, particularly adivasi peasantry are rallying into these struggles to defeat the ‘War on People’ conducted by the central and state governments. All the toiling classes and sections of the people must integrate into these struggles. Rally actively to stop the brutal attacks of the mercenary police who are massacring hundreds of adivasis and looting their properties, dignity and everything dear to them like a pack of wolves attacking a flock of sheep, in the name of fighting terrorism. Maoists are not advocates of violence. In fact, they would be in the forefront among those who wish for peace. Do not believe a word of the vicious propaganda unleashed by the bourgeois media on Maoists! Stand firmly with the revolutionary movement! If we do not defeat this enemy offensive, if we do not defeat the conspiracy to wipe out the revolutionary movement, Maoist party, PLGA, alternate people’s power organs and mass organizations, then all the valuable fruits won by the revolutionary movement would be destroyed. So, play your role in isolating and defeating the enemy! Join the PLGA in huge numbers, increase its force manifold and strengthen it! Integrate with the deluge of mass movements rising in several areas in our country with the slogans of land-

power-democracy-building of people's army and self-reliance! Join hands with them! Stand shoulder to shoulder with the armed resistance struggles of PLGA! There can be no fundamental change without completely destroying the exploiting classes. The reforms thrown by them as bread crumbs are useless and would only destroy the lives of the people further. Let us advance for an alternative new democratic society by declaring that reforms are part of the conspiracy to damage the unity of the people and fight them back! Come! Dare to fight and ultimate victory belongs to the people!

- Let us develop PLGA into PLA and guerilla warfare into mobile warfare with the aim of developing Dandakaranya and Bihar-Jharkhand into Liberated Areas!
- Let us oppose the deployment of army by the Indian ruling classes for wiping out Maoist revolutionary movement!
- Let us teach a lesson to the mercenary Indian Army which loots, represses and suppresses the Indian toiling masses through our glorious People's War!
- Long live the CPI (Maoist)!

Deoji,

*For Central Military Commission

**Condemn the brutal murder of
Comrade Mallojula Koteswara Rao,
the beloved leader of the oppressed masses,
the leader of Indian revolution and
CPI (Maoist) Politburo member!**

**Observe countrywide protest week
from November 29 to December 5 and
48-hour 'Bharat Bandh' on December 4-5!!**

November 24, 2011 would remain a black day in the annals of Indian revolutionary movement's history. The fascist Sonia-Manmohan-Pranab-Chidambaram-Jairam Ramesh ruling clique who have been raising a din that CPI (Maoist) is 'the biggest internal security threat', in collusion with West Bengal chief minister Mamata Banerjee, killed Comrade Mallojula Koteswara Rao after capturing him alive in a well planned conspiracy. This clique which had killed Comrade Azad, our party's spokesperson on July 1, 2010 once again spread its dragnet and quenched its thirst for blood. Mamata Banerjee, who had shed crocodile's tears over the murder of Comrade Azad before coming to power, while enacting the drama of 'peace talks' on the one hand after assuming office, killed another topmost leader Comrade Koteswara Rao and thus displayed nakedly its anti-people and fascist facet. The central intelligence agencies and the killer intelligence agencies of West Bengal and Andhra Pradesh chased him in a well planned conspiracy and killed him in a cowardly manner in a joint operation and now spreading a concocted story of encounter. The central home secretary R.K. Singh even while lying that they do not know for certain who died in the encounter, has in the same breath announced that this is a big blow to the Maoist movement. Thus he nakedly gave away their conspiracy behind this killing. The oppressed people would definitely send to grave the

exploiting ruling classes and their imperialist masters who are day dreaming that they could wipe out the Maoist party by killing the top leadership of the revolutionary movement.

Comrade Koteswara Rao, who is hugely popular as Prahlad, Ramji, Kishenji and Bimal inside the party and among the people, is one of the important leaders of the Indian revolutionary movement. The tireless warrior who never rested his gun while fighting for the liberation of the oppressed masses since the past 37 years and who has laid down his life for the sake of the ideology he believed in, was born in 1954 in Peddapally town of Karimnagar district of North Telangana, Andhra Pradesh. Raised by his father Late Venkataiah who was a freedom fighter and his mother Madhuramma, who has been of progressive views, Koteswara Rao imbibed love for his country and its oppressed masses since childhood. In 1969, he had participated in the historic separate Telangana movement while he was in his high school studies in Peddapally town. He joined the revolutionary movement with the inspiration of the glorious Naxalbari and Srikakulam movements while studying graduation in SRR college of Karimnagar. He started working as an active member of the Party from 1974. He spent some time in jail during the black period of the Emergency. After lifting up of the Emergency, he started working as a party organizer in his home district of Karimnagar. He responded to the “Go to Villages” campaign call of the party and developed relations with the peasantry by going to the villages. He was one of those who played a prominent role in the upsurge of peasant movement popular as ‘Jagityal Jaitrayatra’ (Victory March of Jagityal) in 1978. In this course, he was elected as the district committee member of the Adilabad-Karimnagar joint committee of the CPI (ML). In 1979 when this committee was divided into two district committees he became the secretary of the Karimnagar district committee. He participated in the Andhra Pradesh state 12th party conference, was elected to the AP state committee and took responsibilities as its secretary.

Up to 1985, as part of the AP state committee leadership he played a crucial role in spreading the movement all over the state and in developing the North Telangana movement which was advancing with guerilla zone perspective. He played a prominent role in expanding the movement to Dandakaranya (DK) and developing it. He was transferred to

Dandakaranya in 1986 and took up responsibilities as a member of the Forest Committee. He led the guerilla squads and the people in DK. In 1993 he was co-opted as a member into the Central Organizing Committee (COC).

From 1994 onwards he mainly worked to spread and develop the revolutionary movement in Eastern and Northern parts of India including West Bengal. Particularly his role in uniting the revolutionary forces which were scattered after the setback of the Naxalbari movement in West Bengal and in reviving the revolutionary movement there is extraordinary. He mingled deeply with the oppressed masses of Bengal and the various sections of the revolutionary camp, learnt Bangla language with determination and left an indelible mark in the hearts of the people there. He worked tirelessly in achieving unity with several revolutionary groups and in strengthening the party. Comrade Koteswara Rao was elected as a Central Committee (CC) member in the All India Special Conference of erstwhile CPI (ML) (People's War) held in 1995. He strived for achieving unity between People's War and Party Unity in 1998. In the Party Congress of erstwhile CPI (ML)(PW) held in 2001 he was once again elected into CC and Politburo. He took up responsibilities as the secretary of the North Regional Bureau (NRB) and led the revolutionary movements in Bihar, Jharkhand, West Bengal, Delhi, Haryana and Punjab states. Simultaneously he played a key role in the unity talks held between erstwhile PW and MCCI. He served as a member of the unified CC and Politburo formed after the merger of the two parties in 2004 and worked as a member of the Eastern Regional Bureau (ERB). He mainly concentrated on the state movement of West Bengal and continued as the spokesperson of the ERB.

Comrade Koteswara Rao played a prominent role in running party magazines and in the field of political education inside the party. He took part in running 'Kranti', 'Errajenda', 'Jung', 'Prabhat', 'Vanguard' and other party magazines. He had a special role to play in bringing out various revolutionary magazines in West Bengal. He wrote many theoretical and political articles in these magazines. He was a member of the Sub-Committee on Political Education (SCOPE) and played a prominent role in teaching Marxism-Leninism-Maoism to the party ranks. In the entire history of the party he played a memorable role in expanding the revolutionary

movement, in enriching the party documents and in developing the movement. He participated in the Unity Congress-9th Congress of the party held in 2007 January, was elected as CC member once again and took responsibilities of Politburo member and member of the ERB.

The political guidance given by Comrade Koteswara Rao to the Singur and Nandigram people's movements which erupted since 2007 against the anti-people and pro-corporate policies of the social fascist CPM government in West Bengal and particularly to the glorious upsurge of people's rebellion in Lalgarh against police atrocities is prominent. He guided the West Bengal state committee and the party ranks to lead these movements and on the other hand conducted party propaganda through the media too with initiative. In 2009 when the Chidambaram clique tried to mislead the middle classes in the name of talks and ceasefire, he worked significantly in exposing it. He did enormous work in keeping aloft the importance of People's War and in taking the revolutionary politics into the vast masses. This great revolutionary journey which went on for almost four decades came to an abrupt end on November 24, 2011.

Beloved People! Democrats!!

Do condemn this brutal murder. It is the conspiracy of the ruling classes to wipe out the revolutionary leadership and deprive the people of correct guidance and proletarian leadership. It is a known fact that the Maoist movement is the biggest hurdle to the big robbers and compradors who are stashing millions in Swiss banks by selling for peanuts the *Jal, Jungle* and *Zameen* of the country to the imperialist sharks. The multi-pronged, country-wide brutal offensive named Operation Green Hunt of the past two years is exactly serving this purpose. This cold-blooded murder is part of that. It is the duty of the patriots and freedom-loving people of the country to protect the revolutionary movement and its leadership like the pupil of their eye. It's nothing but protecting the future of the country and that of the next generations.

Even at the age of 57, Com. Koteswara Rao led the hard life of a guerilla like a young man and had filled the cadres and people with great enthusiasm wherever he went. His life would particularly serve as a great inspiration to the younger generation. He studied and worked for hours

together without rest and traveled great distances. He slept very little, led a simple life and was a hard worker. He used to mingle easily with people of all ages and with people who come from various social sections and fill them with revolutionary enthusiasm. No doubt, the martyrdom of Comrade Koteswara Rao is a great loss to the Indian revolutionary movement. But the people of our country are very great. It is the people and the people's movements which gave birth to courageous and dedicated revolutionaries like Koteswara Rao. The workers and peasants and the revolutionaries who have imbibed the revolutionary spirit of Koteswara Rao right from Jagityal to Jungle Mahal and who have armed themselves with the revolutionary fragrance he spread all over the country would definitely lead the Indian New Democratic Revolution in a victory path. They would wipe out the imperialists and their lackey landlord and comprador bureaucratic bourgeoisie and their representatives like Sonia, Manmohan, Chidambaram and Mamata Banerjee.

Our CC is appealing to the people of the country to observe protest week from November 29 to December 5 and observe 48-hour 'Bharat Bandh' on December 4-5 in protest of the brutal murder of Comrade Koteswara Rao. We are appealing that they take up various programmes like holding meetings, rallies, dharnas, wearing black badges, road blocks etc protesting this murder. We are requesting that trains, roadways, commercial and educational institutions be closed and that all kinds of trade transactions be stopped as part of the 'Bharat Bandh' on December 4-5. However, we are exempting medical services from the Bandh.

Revolutionary greetings from CPI (Maoist) to the friends of Indian revolution and well wishers

Comrades and Friends,

On 24 November, 2011 the Indian revolution lost its great leader and the oppressed masses of India lost their most reliable servant. November 24 would remain a dark day in the history of the Indian revolution. On July 1, 2010 the Indian ruling classes had murdered our Politburo member and spokesperson Comrade Azad. Within one and a half years, another Politburo member Comrade Koteswarlu (who is popular among the people and party ranks as Kotanna, Prahlad, Ramji, Kishenji and Bimal) was caught alive in a covert operation, tortured inhumanly and was killed in a fake encounter. In India which claims to be the largest democracy in the world, the feudal and comprador bureaucratic bourgeois ruling classes, with the support of the imperialists, particularly the US imperialists, are trying to suppress the democratic, national liberation and revolutionary movements with iron heel. Particularly, since 2009 they are carrying on an unjust war on the people in the name of ‘Operation Green Hunt’. They are shamelessly violating even the constitution and the laws formulated by themselves and are killing people, activists and leaders of the movement. They are unsuccessfully trying to justify all their unlawful murders in the name of a lie named ‘encounter’ tracing the footsteps of the British colonial rulers. Now it is an established fact that ‘encounter’ anywhere in India means a conspiratorial murder by the state.

Comrade Koteswarlu was born on November 26, 1954 in Peddapalli town of Karimnagar district which has a legacy of the glorious Telangana armed struggle. He led the Indian revolutionary movement for nearly four decades. Comrade Koteswarlu was brought up by democratic thinking parents and imbibed patriotic feelings and love for the oppressed people since childhood. He was a top rank representative of the generation after the glorious Naxalbari rebellion. Though the Naxalbari rebellion which established Maoist Protracted People’s War as the path for the Indian

revolution was suppressed within a few years, it had a great impact all over the country. Peasant rebellions arose in many areas following its model. It awoke the students in colleges and universities. The slogan 'Naxalbari Ek Hi Rasta' (The Only Way is Naxalbari) reverberated all over the country. It was this backdrop that turned Comrade Koteswarlu into a Maoist revolutionary. Firstly, at the end of 1970s, he organized the peasantry against deeply entrenched feudalism in his home district of Karimnagar and led many struggles. He played a key role in the peasant movement popularly known as 'Jagityal Jaitrayatra' (Victory March of Jagityal). In no time this spread to the whole of North Telangana apart from Karimnagar and Adilabad districts. Even while mobilizing peasants into anti-feudal struggles, he greatly strove to attract students, writers, intellectuals, workers...all oppressed classes and sections of people into the fold of revolutionary movement. In this course, he worked as a party organizer at first, then as the district committee secretary and was later elected as the secretary of the Andhra Pradesh State Committee and won the accolade of the people and the party ranks. Since 1986, he played a crucial role in the development and expansion of the revolutionary movement in central, eastern and northern parts of India. He particularly concentrated on Dandakaranya for eight years and on West Bengal for eighteen years. Since 1993 till he breathed his last he worked as a Central Committee member, later as Politburo member member and held responsibilities for Northern and Eastern Regional Bureaus. He contributed greatly in many spheres in the party such as political education, magazines, propaganda and shone as a man of many talents. He played a prominent role in enriching the party documents and in developing party political-military line and policies. He represented the CC in the meetings and bilateral talks held with various national liberation organizations and Maoist forces in South Asia. He strove a lot to unite the Marxist-Leninist groups and individuals that divided and scattered after the setback of Naxalbari and particularly to achieve unity of the ML and MCC organizations which continued as separate streams since Naxalbari. Thus his role remains etched forever in the annals of the history of Indian revolution.

At the end of 1970s, Comrade Koteswarlu played a crucial role in the Jagityal peasant movement and in the first decade of the 21st century he became the architect of the illustrious Lalgarh people's upsurge. He was

an inspiring leader who never left the people and the cadres and who stood firmly during many an ebb and flow in the Indian revolutionary movement with courage and initiative. He was an organizer with initiative, a warrior commander and a guide who imparted love and care. His very presence proved to be a hard nut to crack for the enemy right from the beginning. He successfully fought back several attacks and attempts to murder him. He was a tireless warrior who fought incessantly and uncompromisingly and never let go of any opportunity to attack the enemy politically and militarily. That is why the ruling clique of this country led by Sonia-Manmohan-Chidambaram-Pranab-Jairam colluded with the Chief Minister of West Bengal Mamata Banerjee and killed him in the cruelest manner. The brutal signs of torture on his dead body indicate the fascist nature of the enemy, his cowardliness and his defeat. On the other hand he bore all the inhuman tortures in the hands of the enemy and emerged victorious even in the face of death. The crimson of the international red flag of the proletarians turned deeper with the blood spilled by him in Jungle Mahal.

With the murder of Comrade Koteswarlu @ Kishenji the Indian revolutionary movement lost a great leader. This is a huge loss for our party. Our party has been continuously losing main leadership forces since a few years and this loss cannot be surmounted under these circumstances. However our party would fight firmly to advance the Indian revolution on the path of victory by overcoming these losses. The exploitative ruling classes can never comprehend the truth that people and the people's movements give birth to hundreds and thousands of leaders like Koteswarlu and Azad and they continue daydreaming that they could suppress the movements by killing the leaders. As long as there are exploitation and suppression, people would continue to revolt. Leaders like Koteswarlu keep on emerging. That is why the great struggles with sacrifices and the ideals established by the thousands of great martyrs serve as an inspiration.

Our Central Committee pays red homage with bowed heads to the great martyr Comrade Koteswarlu. Our CC is expressing deep empathy to mother Madhuramma who was calling upon the people to follow the footsteps of her son even while immersed in deep sorrow, to other family members and friends of Comrade Koteswarlu. Our Central Committee calls upon entire Party, PLGA, activists of mass organizations and revolutionary masses who are immersed in deep sorrow and agony with

the brutal murder of Comrade Koteswarlu to overcome the grief and intensify the People's War. Our CC calls upon the youth to join our Party and PLGA in large numbers and to march forward in the footsteps of Comrade Kotanna to fulfill his cherished dreams. Our party is sending revolutionary greetings to the democrats and revolutionary sympathizers who brought the deadbody of Comrade Koteswarlu from West Bengal to Peddapalli and to all the people who participated in the funeral procession on a huge scale to pay last respects to the fallen leader by overcoming many restrictions and encirclements of the governments and police forces. We humbly express our thanks to various mass organizations, civil rights organizations, revolutionary parties, democrats, writers, journalists, media friends, artistes and the agitators of Separate Telangana struggle who condemned the brutal murder of Comrade Kishenji. Our red salutes to all those writers and intellectuals who have written articles and reports unequivocally condemning this killing. Our CC is sending revolutionary greetings to all the revolutionary parties and democratic organizations of several countries that condemned the murder of Comrade Kishenji and the war unleashed by the Indian government on its people and sent condolence messages to our party.

Our CC is firmly taking the vow once again on behalf of the entire party, PLGA, revolutionary mass organizations and the revolutionary masses of India that we would advance by overcoming all the hurdles in the path of accomplishment of New Democratic Revolution of India with the aim of achieving socialism and communism and that we would carry the unfulfilled aims of the thousands of martyrs including Comrade Kishenji till their fulfillment. It is assuring the oppressed masses of India as well as entire world that it would not rest until feudalism, comprador bureaucratic bourgeoisie and imperialism are sent to the grave and all kinds of reaction are put to an end.

- Long Live Comrade Kishenji!
- Long Live Marxism-Leninism-Maoism!
- Long Live Proletarian Internationalism!

Condemn the arrests and torture of Maoist activists in Kolkata and Mumbai!

In the last week of February 2012, the police have arrested activists of our Party including some senior cadres from Kolkata and Mumbai. On the specific intelligence inputs provided by the murderous APSIB, joint forces of police and STF of AP, Maharashtra and West Bengal have raided the shelters of our comrades in Kolkata and Mumbai suburbs and arrested at least nine comrades including two women comrades. Comrades Sadanala Ramakrishna, Deepak Kumar Pargania, Sukumar Mandal, Bapi Mudi and Sambhu Charan were arrested from Kolkata while Comrades Dinesh Wankhede, Aasimkumar Bhattacharya, Suman Gawde and Paru Patel were picked up from Thane in Maharashtra. Comrades Sadanala Ramakrishna alias Santosh (62) and Aasimkumar Bhattacharya (65) were the seniors among the arrested. Senior comrade Sadanala Ramakrishna has been working for the revolution for at least four decades. He has been ailing with serious health problems for so many years. A mechanical engineer graduated in prestigious Regional Engineering College (REC) of Warangal from where martyr leaders like Surapaneni Janardhan and Azad were emerged as great revolutionaries of their times, Comrade Ramakrishna sacrificed his bright life for the cause of liberation of the downtrodden.

Both the two women comrades arrested - Vijaya and Suman - have been undergoing medical treatment for some time staying in the shelters outside the struggle zones. Particularly, comrade Vijaya has been suffering from serious heart problems.

The police forces, better known for worst kind of cruelty, have been torturing these comrades mentally and physically in custody. They have foisted several false cases against these comrades so that they could be languished behind the bars forever.

On one hand the ruling classes are asserting that these arrests are a big success for them and on the other hand, they are trying to portray our comrades as dangerous criminals claiming that they have recovered huge amounts of cash and other material that is used for making arms.

These arrests are nothing but a part of Operation Green Hunt (OGH), i.e. the ‘War on People’, which has been underway since 2009. The comprador ruling classes in connivance with their imperialist masters, particularly with the US imperialists, have unleashed this brutal war of suppression in the poorest parts of India so that their neo liberal policies of plunder of resources could get going unhindered. They are particularly targeting the revolutionary leadership and eliminating them. As the Pentagon itself claimed recently, the US Special Forces are not only actively involved, but also assisting their Indian counterparts on the ground in the counter-insurgency operations aimed at eliminating the revolutionary leadership. This fact also shows us that the US has been patronizing in the ongoing OGH making the values such as freedom, independence, and sovereignty of our country a joke. The exploiting rulers of our country are daydreaming that this movement can be suppressed if its leadership is wiped out.

Revolutionary movement cannot be crushed with arrests and murders. The bars of the dungeons can not restrict the revolutionary ideas from spreading among the vast masses.

The CC of CPI (Maoist) strongly condemns these arrests and inhuman torture being inflicted to them. We demand immediate and unconditional release of these comrades, as well as all of the political prisoners languishing in various jails in all corners of our land. We also demand to lift all the false cases foisted against these comrades.

Scrap the Proposal for the Formation of Anti-people, Tyrannical and Fascist NCTC!

On May 5, 2012, a meeting was planned by the Central government with the state Chief Ministers to take final decision on the formation of National Counter-Terrorism Center (NCTC) and to make some changes in the police and intelligence structures. NCTC is an outright fascist institution that is going to be formed with the advice, guidance of the imperialists, particularly the US imperialists, following their model. The motive of the Indian ruling classes behind the formation of NCTC is to crush with more centralized methods the people of our country fighting on their issues and for democratic rights, the Muslim minorities who are protesting in various forms and resisting the attacks of the Hindu chauvinists and Hindu fundamentalism, the nationality movements fighting for the self-determination of the nationalities including the right to secession and particularly the Maoist movement that is rejecting the government's sham development model and building people's alternative development model and fighting for the liberation of all the oppressed masses of India through New Democratic Revolution. This institution that is to be formed based on the provisions in UAPA that curbs the democratic rights of the people more cruelly than all the previous repressive laws and gives arbitrary powers to the Indian armed forces, is going to be the 'biggest threat to the sovereignty, peace, security, freedom, democracy and right to live of the citizens of this country'.

The Central Home Minister Chidambaram suggested while putting the proposal for the formation of NCTC in 2009 December the bifurcation of the MHA separating law & order and investigation so as to allow the Home Minister to concentrate his full energy to the crucial function of internal security keeping in view the imperatives and challenges in internal security at present and in the coming 5 to 10 years. He said that the security architecture must be radically restructured at the national level. All the internal security challenges that he mentions are in fact nothing but the hurdles that the imperialists, feudal lords and the comprador bureaucratic bourgeoisie (CBB) are facing in indiscriminately looting the natural resources

and riches of our country. These challenges are the struggles waged by the most poor and most oppressed masses of our country to stop the selling of our country to corporate companies. Particularly, the armed resistance put up by the workers and peasants, the majority of whom are Adivasis and Dalits, under the leadership of CPI (Maoist) against exploitation and oppression on them is prominent among these challenges. After the introduction of New Economic Policy that opened wide the doors of our country to the imperialists and in accordance with the imperialist LIC strategy, a restructuring of all spheres in our country is going on. This proposal to restructure the security architecture at the national level is also part of it. The sole aim of this restructuring in all the spheres is to secure super profits for the imperialist MNCs and the CBB companies. Any thing that proves to be a hurdle to these profits is to be crushed under the juggernaut of the ruling classes – whether it is democracy, sovereignty of our country or the rights won by the people through struggles. The characteristic feature of this restructuring is more fascization and more centralized powers – in all spheres and in all aspects.

This proposal would make the Home Minister an unopposed emperor of internal security. All the intelligence agencies would be put under this. This would tear the veil of even the namesake federalism written in the constitution and would give full powers to the centre. This would be a pocket borough of the centre to completely control the states. This would control and coordinate all the counter-terrorist operations. Functionaries of the state government (including police) must provide information, documents and reports to NCTC. The Defence and Finance ministries all also supposed to depute their representatives to the NCTC. They want to bring any institution that participates in suppressing the so-called terrorism under the oversight of NCTC to the extent they deal with ‘terror’. Since NCTC would be under the IB, this would give arbitrary powers to the IB and NCTC director. The HM mentioned that his director would be the single person accountable to the country on all matters relating to internal security. Intelligence, investigation and operations would also come under this. With many more arbitrary powers the ruling classes are forming this as an opaque, most tyrannical institution above the constitution that is not answerable to any and thus violating even the namesake democratic principles written in their own constitution. More alarmingly, the ruling classes are portraying

all kinds of political movements as ‘terrorist’. They are focusing ‘terrorism’ as a monster to divert the attention from the basic issues of the people and burning problems such as displacement, nuclear projects, SEZs etc implemented as part of the pro-imperialist policies. So, bringing all counter-terrorism operations under it means suppressing all political movements by terming them ‘terrorist’.

Such centralized powers are in fact ridiculing the law & order that is a state government subject. It is on this point that non-congress Chief Ministers like Mamta Banerji, Naveen Pattanayak, Narendra Modi, Prakash Singh Badal and Jayalalitha are creating a ruckus that this would curb the rights of the state governments and violates federalism. Are they really worried about federal principles? Not at all. And there is not a single word from them that NCTC would lead to further suppression of the people. In fact, the Congress party and the non-Congress ruling parties are all blood-sucking dictators. The history of each of these dictators is one of soaking the people’s movements in blood and murdering the people’s leaders who are the daughters and sons of the soil and wiping out the revolutionary movement’s leaders. All of them kowtow in front of the corporate companies, stash away the millions they earn as kickbacks, tie their interests tightly with that of the corporate classes and go to any end to remove all kinds of democratic and revolutionary forces that resist this. So, why this hullabaloo as if they are opposing the NCTC? Their actual grievance is that their bandit leader Chidambaram is violating their agreements on distribution of booty and rights and entering their arena and trying to usurp their repression powers too. These CMs who rule like despots in their states without being accountable to anybody are worried that they may have to be now accountable to the home ministry to that extent. This is just like a squabble between the robbers while distributing the booty. The most undemocratic manner in which they all passed the amendments to the UAPA in December 2008 unanimously, without any discussion or opposition in the parliament would suffice to understand that they are in the same boat. And it is on these arbitrary powers of the UAPA that this NCTC is based. Without any doubt all these bandits would solve their so-called ‘differences’ ‘smoothly’ in a ‘friendly’ atmosphere on May 5th and would appear on the screen more ‘united’. That this unity is to intensify in a more ‘united’ manner the ‘War on People’ goes without saying.

Beloved people and Democrats!

Already as part of Operation Green Hunt, the ‘War on People’, the democratic rights of people are getting curbed with each passing day. The government armed forces are crushing all kinds of resistance (both unarmed and armed) under their iron heels. If NCTC is formed every fighting organization would be banned just as our party and other organizations have been banned under UAPA. Every protest of the people would become a crime. Every struggle would be termed illegal. All movement areas would turn into concentration camps. India would turn into Germany under Hitler. Particularly, the intervention of US would increase further in all matters related to internal security.

So, our CC, CPI (Maoist) is giving a call to build a huge movement demanding the scrapping up of the proposal by the ruling classes to set up NCTC as a naked fascist institution to sell our country to the MNCs and to completely wipe out all the organizations that are proving a hurdle to the implementation of hundreds of MoUs signed with them. NCTC formed by replicating the Homeland Security Act of US and tying the interests of our country to the security and intelligence agencies of US would try to wipe out any kind of people’s resistance to corporate loot by banning fighting organizations in the name of ‘War on Terror’ and by suppressing the democratic rights of the people. This is bent upon annihilating the leaders of the people’s movements, particularly that of revolutionary movements so that such people’s resistance can be made leaderless. Our CC is calling upon the workers, peasants, students, intellectuals, writers, journalists, professionals, media friends, women, minorities, Adivasis, Dalits, democrats, progressives, patriots and one and all to grasp the conspiracy behind NCTC and demand that the proposal for its formation be withdrawn to fail that conspiracy. It is appealing to the people to rally on a huge scale demanding that UAPA that is taken as the basis for NCTC and other repressive laws such as AFSPA, CGSPSA, MCOCA etc should be annulled immediately.

Revolutionary Greetings from CPI (Maoist) To the NPA for seizing 66 weapons in the Butuan Raid

The New People's Army Front under Front 4 under the NPA North Central Mindanao Command successfully conducted a raid on an arms storage facility being maintained by a security agency in Butuan City in the Mindanao island of Philippines on April 22, 2012 and seized 66 assorted high-powered firearms. CPI (Maoist) congratulates the NPA commanders and the red fighters for conducting this successful raid. The caché of firearms seized by the NPA is composed mostly of AK-47 assault rifles, several sniper rifles and hand pistols.

NPA seized these modern weapons from the Earthsaver Security Agency's office that the mining companies had established in Barangay Libertad, Butuan City. This brave raid enthused the people and the revolutionary forces of Philippines a lot. This raid served as a model to the NPA forces all over Philippines. The people and the NPA hailed the NPA forces in the North Central Mindanao Command. Many young women and men who were motivated by this raid are coming forward to join NPA. They are readying themselves to advance the armed agrarian revolution in their country. Our party, the CPI (Maoist) is sharing this elation along with you. This incident very much inspired the advancing revolutionary movements in Philippines, India, Turkey and other countries.

In the past few years, the NPA revolutionary guerillas led by the Communist Party of Philippines conducted hundreds of tactical counter offensives on the counter-revolutionary police (APP) and military forces (AFP). They seized hundreds of weapons. These offensives played a crucial role in advancing the People's War in Philippines. At present, the Philippines revolution is striving to advance in a planned manner from the stage of strategic self-defence to the stage of strategic stalemate. The NPA revolutionary forces conducted the Butuan raid as part of this. Within a few days of this incident, on April 25, 2012, in a brave ambush conducted

by the NPA in Ifugao, eleven soldiers including battalion operations officer of the 86th Infantry Battalion were wiped out. This is another big blow to the Philippines Army this year.

Comrade Mao has repeatedly taught us that wiping out the enemy and seizing of weapons play the most crucial role in establishing the New Democratic society by overthrowing the exploiting society. The task of the revolutionaries all over the world who are following the path of Protracted People's War is to wipe out the enemy in huge numbers on the one hand and on the other hand build revolutionary people's armies with the weapons seized from the enemy forces, train them, further advance the People's War and establish alternative people's political power. At present, it is necessary to conduct many more raids like Butuan for the advance of the World Socialist Revolution. Through such raids we must build the people's political power, strengthen it and expand it. Our party is sending revolutionary greetings to the NPA and CPP for placing a model in front of the world revolutionaries through this Butuan Raid. Communist revolutionary parties, groups and revolutionaries following the path of People's War formulated by Comrade Mao would definitely advance forward by emulating the model of Butuan Raid.

Chidambaram has no moral right to talk about 'kidnaps' by Maoists While incarcerating thousands of Adivasis and agitators in jails

On 9-05-2012 Home Minister P. Chidambaram while replying in Rajya Sabha said - Maoists 'kidnapping' young collectors, elected representatives and foreigners indicates a clear shift in the nature of the Maoist extremism and shows that Maoists are resorting to 'terror' tactics to bend the state government to their demands and that Maoists seek to stop development in those districts. He reiterated his government's resolve to continue the anti-axal operations by following a two-pronged strategy of development and security related strategies to face this challenge.

Chidambaram was obviously referring to the recent 'kidnaps' of the Italian tourists and Jhina Hikaka (MLA) in Odisha and collector Alex Paul Menon in Chhattisgarh. This statement also comes in the backdrop of the centre pushing hard for the formation of the NCTC. The government wants to put each and every just struggle under the head of so-called 'terrorism' and suppress the movements that they are part of. With the May 5th meeting with the Chief Ministers not reaching a decisive conclusion on the formation of NCTC, P. Chidambaram even while trying every trick in his basket to form it, is fast weaving his vicious web to create opinion that would push every action taken by the people for their genuine demands into the so-called 'terrorism' vat and consequently makes every citizen who participates in these struggle forms a so-called 'terrorist'.

Firstly, we want to state that these are not 'kidnaps' done for ransom, vendetta, personal demands or settling scores. People are 'arresting' them and putting the genuine long-standing collective demands of the oppressed people, particularly the Adivasis in those areas in front of the government. All the demands are pertaining to the severe excruciating state repression that has been unleashed on them, particularly for the release of thousands of Adivasis incarcerated in the jails and their leaders. 3000 Adivasis are in jails in Chhattisgarh while 6000 Adivasis are in jails in Jharkhand. Thousands more are jailed in Punjab, Uttarakhand, Bihar, Maharashtra, Odisha, West

Bengal, Andhra Pradesh, Tamilnadu, Karnataka, Uttar Pradesh and other states for fighting against displacement and for Jal-Jungle-Zameen. Peasants fighting the land lords with the slogan 'Land to the tiller' and fighting police atrocities have been put in jails in large numbers in areas like Narayanapatna and Lalgarrh. They had been implicated under false cases and denied bails in the most unjust manner. Many had been arrested in front of the jail gates after being granted bails and again put in jails after foisting more false cases on them. In fact, most of them would have been released even if they had been sentenced. Such is the callousness of the Indian state towards the Adivasis and the poor of our country and the reason for this is to pave the way for corporate loot of natural resources in the mineral rich forest areas of our country.

The sole reason for such 'arrests' is not any so-called 'terrorist tendencies' among the people or the CPI (Maoist) leading them but the Indian State. If at all it had delivered justice to the people at any point of their life, people would not have been forced to take up such struggle forms to get their demands fulfilled. A people crushed under the iron heels of the State are very rarely taking up such forms after taking up all kinds of struggle forms like dharnas, bandhs, rallies, protest marches, hunger strikes - in one word every kind of collective struggle form involving hundreds and thousands of people for days, weeks, months or even years together to get their people (ranging from juveniles to very elderly persons) released. The Indian state always answered with bullets, more arrests, more beatings, more custodial deaths, more false cases and more 'abductions' of these agitators. The police, paramilitary, judiciary, civil administration, bureaucracy etc that constitute the Indian State are acting like the tentacles of a giant Octopus and entangling the people and making them breathless. The struggles of political prisoners in the jails are also being crushed most brutally. The rights to which prisoners are entitled are also violated most blatantly. It is this suffocating situation inside and outside jails that is leading to arrests of government representatives by people.

With all doors closed for justice, such struggle forms are taken up to find some respite from the umpteen numbers of violations of human rights of the Adivasi people by the central and state armed forces. In a country where media corporations are in cahoots with the interests of the imperialists,

MNCs and the big land lords and do not lend their voice or space to the poor people, sometimes such struggle forms are being used by the people to even bring the genuine demands of theirs to the attention of the citizens of this country.

A quick perusal of the main demands put forward during such arrests would give anybody a fair idea about the ordeal of people under Operation Green Hunt (OGH). They are demanding the release of ordinary Adivasis who were 'kidnapped' by the state and have been traceless since then or were put in jails under fabricated charges and they are demanding the release of their leaders. On such occasions, they are also focusing the demand to end the multi-pronged country-wide offensive named OGH but in reality a 'War on People' - on the toiling masses of our country, most of whom are Dalits and Adivasis and half of whom are invariably women.

The young collectors that Chidambaram is speaking of are implementing the 'development' part of the two-pronged strategy and this development leads to nothing but the impoverishment and displacement of the hundreds of thousands of Adivasis and is nothing but the other side of the coin that has repression on one side. And the foreigners he is speaking of were taking objectionable photos of Adivasi women as part of tourism that the Indian state wants to promote at the cost of the dignity of the Adivasi people. There is no need to write much about the 'elected representatives' that are part of the rotten parliamentary system reeking of corruption, nepotism and is implementing nothing but anti-people policies as dictated by their imperialist masters. These representatives have done nothing to get the poor Adivasis released from the jails and deliver justice to them in all the years of their tenure. In fact, they are very much part of the implementation of OGH in their areas.

So we appeal to all democrats and citizens of this country to truly distinguish who the real 'terrorists' are – is it the poor Adivasis led by their party the CPI (Maoist) resorting to some struggle forms for their genuine demands or the Indian State that is unleashing 'terror' day in and day out on the disadvantaged destitute of our country? **We appeal to the Indian masses to support the genuine demands put forward by the people during such arrests and fight for their fulfillment by joining hands with them. Our party firmly believes that a broad united struggle of**

the Indian masses is compulsory and necessary for getting the indisputable democratic rights of the deprived to be realized in practice.

It is the democratic right of the people to take up various struggle forms for fulfilling their genuine demands or even to propagate them when every inch of democratic space is being gradually but rapidly occupied by the giant octopus that is the Indian State. When this space is getting shrunk with each passing day due to the marching of the security forces in their hamlets and villages and now with the formation of a fascist institution like the NCTC, it is the inalienable right of the people to resort to various struggle forms including arrests of this kind. No struggle form is anathema to the fighting people as long as they adhere to mass line and class line as taught by our Marxist Teachers.

Chidambaram is saying that formation of NCTC is the ‘need of the hour’. Through this fascist institution modeled on the NCTC of US, the Indian ruling classes and the imperialists, particularly the US imperialists backing them wish to crush every democratic aspiration and genuine demand of the people. The ‘need of the hour’ is to fight back such fascist attempts by the Indian State to crush every political struggle and struggle form in the name of so-called ‘terrorism’. The Indian people would definitely defeat the two-pronged strategy of ‘development’ and repression (two sides of the same coin) of the central and state governments by creatively inaugurating a rainbow of myriad struggle forms. Yes, of course, Mr. Chidambaram! The people led by the CPI (Maoist) definitely wish to put a stop to your anti-people, pro-imperialist, undemocratic and repressive ‘development’ model. They categorically reject it and are very clear about it. They would prove with their uncompromising struggle for New Democratic Revolution that true ‘development’ is what they aspire for while having the interests of their children and their ecology at heart and not what the ruling classes want to impose on them while having the interests of the MNCs and the big land lords at heart.

**60 Years of Parliamentary rule in India meant
Impoverishment & displacement for the
people, particularly the Adivasis, Servitude to
imperialists for the country, Prison house for
the nationalities and Insecurity &
discrimination for the minorities,
Dalits and women**

The Parliament of the world's 'largest democracy' celebrated 60 years of its existence with much fanfare in May 2012. The Prime Minister Manmohan Singh unabashedly waxed eloquent about Progress, Peace and Development achieved and to be achieved under the Parliamentary system.

The Indian Parliament is one of the most rotten institutions in the whole world and parliamentary democracy is a big lie. It is a thin cover for the autocratic rule representing the dictatorship of comprador bureaucratic bourgeoisie (CBB) and feudal classes subservient to imperialism. Its very birth was a result of collusion between the imperialists, the big land lords and the CBB and it was imposed by British imperialism from above. It was an absolute deception of the Indian people and sell-out to the imperialists. In its 60 years of existence it had absolutely fulfilled the purpose for which it was formed – facilitating and exacerbating the exploitation, oppression and discrimination of the toiling masses by the exploiting classes and selling of our country's resources and riches to the imperialists for peanuts.

What Progress can be achieved when the workers and peasants who produce the riches of our country are being exploited and oppressed in the most inhuman manner? Peasants who feed this country with their sweat and blood are committing suicides in their lakhs. Due to pro-imperialist agricultural policies of the governments, agriculture became a burdensome occupation and the overwhelming majority of the Indian population that depends on land for livelihood is increasingly and rapidly becoming landless.

Agri business corporations are guzzling the water that is essential for irrigating the lands and the vast number of MoUs signed by the governments for SEZs and other useless-for-people projects are displacing the peasants on a huge scale. Workers who fulfill every need of the citizens through their toil are progressively being denied all the hard-won rights at work place and are forced to work 12 to 18 hours a day like in 18th century Europe. Strikes are banned, demonstrations are fired upon, protests are crushed and agitators are jailed. Retrenchments, forceful retirements, closures of factories, evictions of slums, unemployment, backwardness, uneven development, price rises, deaths due to malnutrition or malaria, inflation, illiteracy, female foeticide, lack of housing or safe drinking water facilities, utter paucity of medical care in the villages... the list of the 'gifts' bestowed by the stinking Parliament to the Indian people can go on. It is obvious that no viable solution of the fundamental problems of the people can be sought through this Parliament. Progress does not mean anything without 'Land to the tiller' in India. And the pigs fattening on the sweat and blood of the workers and peasants of the country have the audacity to declare that their pigsty of a Parliament represents Progress, Freedom and Self-respect!

What Peace can we expect to have with the unprecedented swelling of armed forces and whopping increases in defence budgets all of which are meant for targeting the poor people of our country? The Indian Army is marching wreaking havoc in its footsteps in the North-East, Kashmir and now in the heartland of India fighting the nationalities, Dalits and Adivasis who are perceived as the 'biggest enemies' by the rotten heartless system known as the Indian Parliament. If Peace means loot, destruction, rapes, massacres, fake encounters, mayhem, arson, abductions, missing cases, incarcerations, tortures, custodial deaths, false cases, denial and violation of human rights then we have a horrendous abundance of it. The revelation that Special Forces of the US are already present in India also comes with a 'Peace' tag. The blood-sucking man-eaters sitting in the Parliament would want us to believe that even the land mines of hundreds of MoUs signed between the governments and the MNCs and planted in the mineral-rich regions of our country all set and ready to blast the very existence of the indigenous communities and their age-old cultures are

meant for Peace. They would also like us to believe that all the draconian laws they got as a legacy from their British masters or those they formulated or amended in the Parliament are also for Peace and if these happened to maim and wreck the lives of lakhs of people we just have to understand that as ‘collateral damage’ accompanying Peace by taking a leaf from the Bushes and Obamas.

What development can we expect under this Parliamentary system that had spent its whole 60 years of existence formulating laws, Acts and amendments to the constitution surrendering to arm-twisting by the imperialists, particularly the US imperialists? Parliament served the interests of big land lords, CBB and imperialists whether it followed the ‘mixed economy’ model or adopted New Economic Policies. It widely opened the doors for corporate loot of our country and shamelessly placed the sovereignty of our country at the feet of the imperialists. All that this ‘development’ gave to the people, particularly the Adivasis is displacement due to big dams, SEZs, mining projects, nuclear power plants etc and impoverishment. It is paving the way for the intervention of the US imperialists behind every policy making decision that decided the fate of our people in economic, political, social and cultural spheres. It is serving the expansionist interests of the Indian ruling classes by trying to coerce and control the South-East Asian countries through various treaties.

The Indian Parliament completely served the Indian ruling classes in turning the country into a prison house of nationalities and Manmohan did not forget to compliment the Parliament for achieving this feat. The just struggles of the nationalities for self-determination including the right to secession are being crushed by it in the most brutal manner. The Indian Parliament has done little to end the horrible plight of Dalits, minorities and women of our country in these sixty years. On the contrary, it is playing a crucial role in perpetrating oppression, exploitation and discrimination on them due to its Brahminic, patriarchal and Hindu communal nature. It is deliberately trying to divide the people and rule using caste, religion, ethnic, nationality and other differences.

Whether it is the ruling parties/coalitions or the opposition parties sitting in the Parliament – all are working hand in gloves in intensifying the

repression on the toiling masses. Wasting huge amounts of public exchequer, parliamentarians are making a mockery of democracy and several of them are stashing away billions of dollars through scams and kickbacks from imperialists. Most of them are billionaires and came to power throwing huge amounts of money and using muscle power. Several of them have criminal records including allegations of rape. Manmohan said that this was not a perfect democracy but a functioning democracy. So much for its ‘functioning’! If the kowtowing to the US imperialists is absolute, then it would be ‘perfect’ for this spineless PM who wails whenever there is even namesake opposition to US dictated policies brought forth by him.

CPI (Maoist) has always called for a boycott of the sham Parliament and the elections for it. It is once again appealing to the Indian people to realize the exploitative, oppressive and repressive nature of this instrument of the State and reject it outright. As Lenin said almost a century back, *“Elections are held to decide once every few years which member of the ruling class is to repress and crush the people through parliament—such is the real essence of bourgeois parliamentarism, not only in parliamentary-constitutional monarchies, but also in the most democratic republics.”*

It firmly reiterates one more time that only New Democratic Revolution with armed agrarian revolution as its axis following the path of protracted people’s war can smash this Parliament and the semi-colonial, semi-feudal Indian State that it is part of and pave the way for a genuine democratic state of the four revolutionary classes (the proletariat, peasantry, the urban petty-bourgeoisie, and national bourgeoisie) based on worker-peasant unity. Only such a state can ensure an end to all kinds of regressive, reactionary, counter-revolutionary characteristics that the present Parliamentary system blatantly represents.

Condemn the proposal to ban world-renowned writer Jan Myrdal's visits to India by the Central Government

Comrade Jan Myrdal belongs to Sweden and is a world-renowned writer. He visited several countries including People's China and is writing since six decades in support of the oppressed masses of the world and on several subjects including art, culture, history, environment etc. He visited India at the ripe age of 82 years to attend some democratic program and toured the revolutionary movement area led by the CPI (Maoist) and wrote a book "Red Star Over India". He met the top leadership of CPI (Maoist). Again he visited India and went to several cities including the capital Delhi for the inaugural meetings of this book and shared his views with several writers, democrats, students and journalists. All his tours and publications are happening in public view with everybody's knowledge. Similarly, his views are also clearly known to everybody. He clearly stated that he was a communist. He has been clearly observing since more than three decades the long-term repressive measures on the revolutionary movement by the exploiting ruling classes in India. He toured Andhra Pradesh in the early 1980s and wrote a book "India Awaits". The supports he has been giving recently to those who mobilize democratic forces all over the world in support of the Indian democratic revolutionary movement are praiseworthy. He stood on the side of the oppressed masses and is fearlessly stating his anti-imperialist, democratic and communist views using his pen effectively. It is known world over that US imperialism has imposed indirect ban on him from entering US by imposing stringent regulations. The Indian government trying to ban his visits to India tracing the footsteps of the neo-fascist US state uncovers its democratic facade completely and exposes its fascist nature and its fear towards revelation of truth. Our party unequivocally condemns the fascist treatment of the world-renowned writer by the Indian state. It appeals to the intellectuals, democrats, writers, artistes, students, journalists and people from all walks of life to condemn the

tyrannical stand taken by the Indian government.

Apart from Jan Myrdal, his father Gunnar Myrdal and mother Alva Myrdal had close relations with India. Both of them were Nobel Laureates and his mother had served as Sweden's ambassador in India for about five years between 1955 and 1961. The Indian government felicitated the couple with the Jawaharlal Nehru International Understanding Award. Their son Myrdal is frequently giving speeches on several issues in Delhi University. Thus he has been in touch with our country since a long period, knowing about the issues and difficulties of the oppressed masses here and putting them in writing to his full ability. The stand taken by the Indian government to stop such a great friend of India from coming is most shameful. The Indian government that is giving red carpet welcome to MNCs and big bourgeoisie to indiscriminately loot the most valuable riches of India is being intolerant towards those who are opposing them with genuine democratic and progressive views. The Indian government is inviting international big corporate sharks like Enron, Dow Chemicals, POSCO, Monsanto, Vedanta and Areva and so many others. It is hugely supporting Jindal, Mittal, Essar, Tata and Ambani that are colluding with these and serving them. The Adivasis are fighting a life and death struggle to preserve the most valuable lands, forests, hills, waters, minerals and all kinds of other natural resources in the vast areas of our country from their exploitation. The central and state governments have deployed lakhs of police and paramilitary forces in the forests and rivers of blood are flowing due to its cruelest Green Hunt military offensive of the past three years. Green Hunt offensive has extended to towns and cities and the ruling classes are harassing, arresting, interrogating, inhumanely torturing and implicating in false cases, the democrats, revolutionaries, Adivasi well-wishers, people's writers, artistes and journalists in various manners. The proposed ban on Jan Myrdal's visits to India is an express example of the fact that at present Green Hunt offensives have crossed the country's borders. The Indian government is all set and ready to deploy the Indian Army at any second apart from the armed forces that were deployed to crush the revolutionary party that is leading the revolutionary movement. Our party is absolutely hopeful that people's writers, poets, artistes, democrats and Adivasi well-wishers, in other words all those who side

with the oppressed masses would stand firmly in support of Comrade Jan Myrdal who himself stood firmly with the oppressed masses and the revolutionary movement by exposing the most dangerous trends of the imperialists and fight against this proposed ban.

It is not new for the ruling classes of this country to deal artistes, writers, journalists, film producers and directors in a fascist manner. There are several writers and democrats who have been implicated in countless conspiracy cases and put in jails in this country. Even recently on July 1, 2010 a Delhi based journalist named Hem Chandra Pandey was shot dead in a fake encounter by the Andhra Pradesh police. Well-known writer Arundhati Roy was sentenced under the Indian Penal Code for supporting the just struggle of the Kashmir people. The communal goons beat Supreme Court lawyer Prasant Bhushan. The state that killed Safdar Hashmi in the past, recently sentenced people's artiste Jeeten Marandi to death and later withdrew it due to popular pressure. Recently the Bengal neo-fascist Empress, Chief Minister Mamta Banerji got Professor Abhishek Mahapatra arrested with the ire that he drew a cartoon on her. The Jadavpur University students who questioned this were harassed in the name of Maoists. Thus the fascist attacks of the ruling classes are increasing and spreading by the day and exposing the cruelest face of Green Hunt. During the British rule, several writers, artistes and revolutionaries were hanged for displaying their patriotism. The Indian state is obediently following the steps of those imperialists, particularly the US imperialists at present and is intensifying its suppression measures. Our party is appealing to one and all to condemn the above, to build a broad and strong solidarity movement that would give more strength to the pen of Comrade Jan Myrdal and to fight till the Indian government revokes the proposal to ban his visits to India.

Punish the perpetrators of Basaguda Massacre !

Demand the immediate withdrawal of all paramilitary and military forces from Bastar !

On 28-6-2012 in one of the most brutal massacres till date in Chhattisgarh's Bastar region 17 innocent, ordinary, unarmed villagers were killed by about a thousand blood-thirsty CRPF-CoBRA, state police forces and Koya Commandos and SPOs. These mercenary forces surrounded a gathering of villagers discussing about their harvest and related festivals in Sarkinguda on that night and killed several people in an indiscriminate, one-sided cold-blooded firing reminding one of the Jallianwalabagh massacre. Many more villagers were injured. Nine of the dead were juveniles between 12 and 16 years of age. There were children, women and elderly persons among the injured too. The mercenary forces wreaked havoc the whole night and shot dead some more villagers, looted their homes and resorted to sexual abuses on women. They threatened the villagers who tried to help the injured that they too would face the same fate. On the same day two more Adivasi peasants were murdered by the same fascist government armed forces in Simlipenta, a nearby village taking the toll to 19.

This massacre was perpetrated by the mercenary forces as part of the second phase of Operation Green Hunt (OGH) launched by the Indian ruling classes with the full support and aid of the imperialists, particularly the US imperialists since mid-2009. The blue-print for this well-planned massacre was prepared under the auspices of the notorious ruling clique of Sonia-Manmohan-Chidambaram-Jairam Ramesh and their 'reliable lieutenants' at the centre and in Chhattisgarh (CG) – secretary for Home RK Singh, CRPF DG Vijaya Kumar-Raman Singh-Nankiram Kanwar-Longkumer-Anil Navani-Ramnivas et al., who are carrying on this country-wide, multi-pronged, counter-revolutionary massive military offensive on the Maoist movement areas in the most atrocious manner and where massacres of ordinary villagers has come to be one of the most common

forms of repression in this “War on the People”. The statements by Raman Singh and Nankiram Kanwar about a massive offensive on Maoists to be launched in June in CG forewarned about what was in store because as any keen observer of these ‘offensives on Maoists’ is well aware – it is most common for ordinary people to become victims in fake encounters, lock-up deaths and massacres in such ‘offensives on Maoists’.

In Dandakaranya (DK) starting from Singaram massacre in January 2009 several massacres of Adivasis have been carried on by the state and central mercenary forces like in Vechapad, Singanamadugu, Palachelima, Gompad, Gumiapal, Kokavada, Takilod, Ongnar and massive destruction and murders as in Tadimetla-Morpalli-Chintalnar etc., and none of the perpetrators – neither the ‘Generals’ like Sonia, Manmohan, Chidambaram, Raman Singh, Nankiram Kanwar, Vijay Kumar, Longkumer or a Kalluri nor the actual police-paramilitary officers and ‘foot soldiers’ who carried out their orders - of these massacres have been booked or punished till date. All the culprits are roaming scot-free in the corridors of power in New Delhi and Raipur and the off the hook police-paramilitary forces are ruthlessly going about their daily routine of mayhem, murder, loot, destruction, arson and rapes in the heart of India.

The Basaguda massacre is all the more bizarre for the utter lies, distortions, twisting of facts and the lower depths the ruling classes could stoop to justify their unscrupulous deed. Firstly, they for the umpteenth time repeated the routine story that armed Maoists had attacked them and that these ‘Maoists’ were killed when they retaliated. They even lied that they had seized weapons and explosives from the site. Six injured jawans were shown as ‘proof’ of the fact that an exchange of fire took place. Herr Chidambaram could not hide his glee at the death of ‘twenty Maoists’ and in a moment of truth announced that ‘this was a pre-planned attack’ based on information. Later this Indian avatar of Goebbels had to eat his foul lexis as every fact pointed out to a cold-blooded massacre and even the Congress in CG was forced to form a committee on this after the people of the village and neighboring villages came on the roads and stated the facts for the entire world to hear. In spite of the facts put forward by the entire people of the village and his own party, Chidambaram conveniently and shamelessly ‘passed the buck’ to the Raman Singh government saying that it is for the state government to decide if an enquiry is needed or not

and that the central government had nothing to do with this. Shedding crocodile tears he had the audacity to say that he regretted if innocent people had died even while self contradicting himself that this was a ‘transparent and upfront’ attack. Raman Singh not even caring if any sane person believed him, once again spun the same old bull-shit theory that Maoists used the ordinary people as human shields and so they died! Like a pet dog more faithful than the master Nankiram Kanwar went to the end of saying that whoever is with the Maoists is also a Maoist implying that those villagers could be (or deserved to be) killed as ‘they were with Maoists’.

The stark fact is that there were no Maoists with the villagers and no exchange of fire had taken place. The mercenary forces just surrounded the villagers from all sides and fired upon them and some were pulled out of their homes and shot dead. Even the so-called injuries of the jawans must have been a hoax as in some earlier instances or they might have been injured in their own cross-fire.

This massacre happened in the backdrop of the deployment of Indian Army in Bastar in the name of training and the attacks already being launched by the Air Force in the pretext of logistical support and self-defense. It is like a curtain-raiser to the things in store and let nobody make the mistake of seeing this massacre as a mistake of the government forces in the field. As every concerned democratic citizen in this country is increasingly realizing and as our party has stated several times, this “War on People” is being perpetuated with the sole aim of the plunder of the rich natural resources of our country and to crush every kind of force that proves to be a hurdle to it. The people led by the CPI (Maoist) and the party are perceived by the imperialists and the Indian ruling classes as the most formidable ‘hurdle’ (read biggest threat to the ‘internal security’ of the plunderers) to the loot of our country and particularly that of Adivasi areas by the imperialists, comprador bureaucratic bourgeoisie and the big landlords of our country which explains this massive military offensive on our movement areas. In the name of crushing Maoists the ruling classes are crushing all kinds of democratic and patriotic forces in this country and we once again appeal to the people to realize that this is not just an offensive on the Maoists but a “War on the People”. This is what lies behind massacres like the one at Basaguda.

The lives of ordinary citizens and Adivasis of this country hold no value for the ruling classes is something that has been proven hundreds of times in police firings and such massacres. The only new thing is that now they are shouting this fact from the roof-tops openly. The convoluted logic that whoever is with the Maoists deserved to be killed or could be killed should be thoroughly exposed and condemned as this is nothing but a thinly veiled threat to the lives of the citizens of this country and particularly the Adivasis in the Maoist movement areas. The full scale preparations for drone attacks and the future deaths of Adivasis in these attacks would also be justified with the same logic of ‘collateral damage’ as in Afghanistan or a Pakistan. Already in Peda Kedwal and Chinna Kedwal villages of Bastar the government forces conducted an aerial operation in December 2011 using more than a dozen helicopters for deployment of forces. In all the massive military operations conducted recently in Dandakaranya, Bihar, Jharkhand, Chhattisgarh-Odisha Border and Andhra-Odisha Border areas involving Brigade level of forces, UAVs were used. They had openly declared that this is how future attacks would be conducted in Maoist areas.

We appeal to all citizens of this country, democrats, patriots, well-wishers of Adivasis and all civil liberties organizations to condemn the Basaguda brutal massacre in no uncertain terms and demand severe punishment for the perpetrators. Demand the immediate withdrawal of all paramilitary and military forces from Bastar. We particularly appeal to the media persons to bring the facts about this massacre into light as some pro-government corporate media persons are trying to hide the facts and falsely portray this massacre as ‘people being crushed between government forces and Maoists’. We appeal to one and all to build a vast and united agitation all over the country with these demands. We appeal to all revolutionary and democratic forces in the country and the world to condemn this massacre, to oppose the deployment of UAVs to crush the Maoist movement in India and to demand an end to “War on People” – the Operation Green Hunt.

**CC, CPI (Maoist) out rightly rejects
all the vicious, baseless and sham allegations
made by Sabyasachi Panda In cahoots with
the ruling classes And expels him
from the party for his betrayal**

Sabyasachi Panda, the secretary of our Odisha State Organizing Committee released a 16-page letter addressed to the General Secretary of our party, Comrade Ganapathy to the media on 14-07-2012. In cahoots with the ruling classes he spit venom on the CPI (Maoist) and the revolutionary movement led by it and hurled several baseless, sham allegations and fabricated lies. He released this letter with the evil intention of liquidating the party and the revolutionary movement, discarded the ideology of Marxism-Leninism-Maoism and left the vanguard party of the proletariat. He openly declared that he is completely disassociating himself from the People's War line and revolutionary practice and exposed his modern revisionist face. In the most abominable, crooked and conspiratorial manner he betrayed the party and revolution and the great cause of the toiling masses, particularly of the oppressed masses of Odisha and proved himself to be a renegade

Sabyasachi Panda worked for some period in the CPI (M) and later in the CPI (ML)-Liberation. He was influenced by the revolutionary movement and joined the erstwhile CPI (ML) [PU] in 1998 leaving the right opportunist Liberation party. Due to the merger of parties he continued to work in the erstwhile CPI (ML) [PW] and latter in CPI (Maoist). He worked as a member of the AOBSSZC between 2003 and 2005, as a member of Odisha State Organizing Committee from 2005 and as its secretary since 2008. In his 15 year long practice, though he worked in a revolutionary party he failed to transform himself into a genuine proletarian revolutionary and had been criticized several times by his colleagues, cadres and the CC comrades for his anti-revolutionary opportunist political views, stands and

practice. Even in the state level Special Plenum held in December last year, when he was criticized he accepted only some of his mistakes that too for namesake and escaped answering some of them. This coward ran away leaving the revolutionary movement instead of sincerely realizing and rectifying his mistakes like a true proletarian revolutionary.

His 16-page letter is full of rotten lies, distortions and twisting of facts and there is not an iota of truth in them whatsoever. They were hurled with the most awful intention of liquidation and destruction of revolutionary movement in Odisha and damaging the image of our party that is serving as a ray of hope for the toiling masses and renowned for dedication to a great cause, the cause of liberation of our country and selfless unparalleled sacrifices. It is an open secret that he hurled them with the evil and appalling intention of fulfilling his selfish political motives that serve the ruling classes. Ruling classes bring to the fore people like Panda to gain legitimacy for the foul propaganda they carry on about the revolutionary movement and such phenomena occur frequently in history. The enemy has been hurling such fabricated lies on several of our leaders like comrades Charu Mazumdar and Kanhai Chatterji, on our party and the revolutionary movement ever since the launch of the revolutionary movement by keeping opportunists like Panda in the front.

Before going into the allegations made by Panda and the reasons behind them, we want to clearly state the fact that our party conducts meetings, plenums and conferences in order to correct and improve our practice and to advance with higher tasks. It realizes its mistakes and corrects them through criticism – self-criticism, reviews and rectification campaigns taken up specifically. This is a continuous process. Panda’s evil intentions can be gauged from the fact that in spite of knowing all these things he placed before the people his 16-pages of sham allegations. The actual fact is that he decided to leave the party as he was not ready to rectify himself in such a process.

The list of Mr. Panda’s filthy and foul-smelling allegations is long enough, some of the allegations he hurled prominently are as follows :

1. Violence for no reason and killings of innocent persons has become the norm for the Maoists; cadres are being ordered to kill innocent and unarmed policemen indiscriminately
2. There is domination of Telugu and

Koya comrades in the Party. 3. Adivasis are exploited the most by the Maoists, they are made to cook and carry luggage; cadre are not allowed to meet their families even during festivals; Adivasi women are being exploited sexually by the Maoists 4. Ganapathy wants to establish a dictatorship based on terror and fear.

State suppresses people fighting for their rights with all kinds of weapons available with it. And if that fight is for the liberation of the people i.e., for the political power of the toiling masses, the state suppresses it most severely. Its police, paramilitary and military carry on this offensive from the front while all its other components participate most cruelly in the offensive in a planned, coordinated and conspiratorial manner. So it becomes absolutely necessary for people to resort to armed struggle. Anybody who knows ABC of Marxism would know about this fundamental and primary principle about revolutionary violence. Nobody would think that Panda did not know about this party line when he left the right opportunist CPI (ML)-Liberation party, accepted the line of the revolutionary party and joined the party and when he accepted the line of the Unity Congress. However as Panda wanted to disassociate himself from the party, he is spitting venom that Maoists resort to violence for no reason and that they are killing innocent people. He is trying to show that he is opposing all this so that the Indian state takes a benevolent attitude towards him. Class enemies like Laxmananand and Jagbandhu, government armed forces and officers who carry on the state repression and participate in it, who severely torture the people, destroy their lives in all aspects and resort to killings, are suddenly being perceived as innocents by Panda. He is displaying more faith than the master to kowtow before the ruling classes and is surpassing the enemy foul propaganda in uttering lies.

Panda is resorting to the age-old cheap 'divide and rule' tactic of the British colonialists and the Indian ruling classes who are retracing their steps by making the allegation that Telugu and Koya comrades are dominating in Odisha. The revolutionary movement led by CPI (Maoist) follows the path of Protracted People's War and builds the revolutionary movement to finally seize political power all over the country by spreading from smaller areas to vaster areas, isolated areas to all over the country, and by developing from a small force to a mighty force. From the beginning

with a strategic outlook it deploys its forces in various areas accordingly and carries on the work. It develops local mass base, develops party and army and establishes area-wise political power. By following this line, it brings a change in the strength of forces, finally surrounds the cities and captures political power all over the country. Keeping this in view, every member of our party must be prepared to go to any part of the country to work. Moreover, as internationalists communists must be prepared to go any country or area and work shoulder to shoulder with the people there for their liberation. The entire history of Indian revolution indicates that revolutionary movement spread to various parts of the country due to the determined and revolutionary efforts of comrades who left their areas and states and went to other areas and states to work. Such comrades learnt the languages, respected the cultures of the people there and integrated themselves with them. The movements built in new areas are proof of this collective effort of comrades. Due to his narrow-minded regionalism not just today, but Panda could never accept the fact that comrades from other states are coming and working in Odisha. Instead of appreciating the selflessness of those comrades he continuously and conspiratorially tried to create a divide between them and the Odiya comrades by resorting to factionist methods. Panda displayed narrow-minded regional chauvinism towards comrades from other states who came to work in Odisha according to the needs of the movement and behaved in a domineering, undemocratic and sectarian manner with them. The fact is Odiya people and the Odiya comrades have happily welcomed and accepted the fact that comrades from Andhra Pradesh, Jharkhand and Chhattisgarh are coming to work for them and with them. We hope that those handful of cadres who are with Panda would rethink about the People's War path, see through the lie and expose him by realizing his conspiracies.

Nothing could be more deceiving than Panda shedding crocodile tears like the ruling class butchers and hurling accusations about the 'exploitation of Adivasis' by the Maoists even while discarding the aim of liberating the Adivasis as part of people's revolutionary movement. For Panda who never participated in collective works while he was in the party, the striving of Adivasi comrades for revolution by bringing out their energy to the full voluntarily and with the highest level of revolutionary consciousness is looking like 'exploitation by Maoists' after he wore the glasses of the ruling

classes. And, who are Maoists? Who are Adivasis? Are not all the Adivasi comrades inside the party Maoists? We are not at all surprised that the individual labor necessary in the daily life of a revolutionary movement, the collective labor necessary in military, technical, production-development, welfare and other fields and the various kinds of labor that people do in the course of people's movements looks like 'exploitation by Maoists' to this brand new opportunist who left the revolution and became an apologist for the ruling classes. In a proletarian party everybody does one's own work as part of daily life. Everybody participates in collective works and carries luggage too. Patients, physically weak persons and those with special responsibilities are extended help by other comrades. A people's army itself means that apart from participating in war it does its works like cooking and carrying luggage that are an integral part of it on its own. Everybody must inevitably do all these works as part of People's War with no discrimination based on nationality, gender, region etc. This has happened in all the guerilla zones in our country and is still continuing. In fact, the culture in a Maoist party is a democratic, socialist culture that does not discriminate between man and woman, literate and illiterate and cadres and leaders. This is one of the major factors in attracting a huge number of Adivasis towards our party. It is this kind of culture that our party strives to spread among millions of people.

The allegation that Maoists are raping and sexually harassing women in the party/Adivasi women has been hurled repeatedly by the state. In what other manner can we expect the newly turned renegade to attack the Maoists than in the heinous manner of the ruling classes? The answer given by our party several times in the past is the answer to this allegation now too. But the best answer to this allegation is being given by the hundreds of women comrades who are joining the party, the thousands-lakhs of members in revolutionary women's organizations along with the women in our movement areas and the hundreds of women martyrs who had laid down their lives for the liberation of the toiling people in the past 45 years since Naxalbari.

Since communist party was formed in India in 1925 till now, in the more than 90 years of Indian communist movement's history, it is not an exaggeration to say that never before had the communist party integrated

itself with the people, their culture and all the aspects relating to people's lives as in the past 25 years. Not only had our party integrated but it is also holding aloft all the progressive elements in the political and cultural lives of the people, imbibing them, developing them and revolutionizing them. The revolutionary masses would anyway not believe the allegation by Panda who worked as a state secretary that party is not allowing activists to go home even for festivals. This is just another instance of an opportunistic attack by him to make those who are not familiar with the realities of the revolutionary movement to believe that the revolutionary party is so horrible as to not send activists home even for festivals.

The allegation that Ganapathy wants to establish a dictatorship based on terror and fear is so ridiculous that it in fact does not even deserve an explanation. CPI (Maoist) is not at all any bourgeois party. Its immediate aim is to overthrow the present semi-colonial, semi-feudal system in our country and establish new democratic revolutionary rule, i.e., the democratic dictatorship of four classes – workers, peasants, petty-bourgeoisie and national bourgeoisie under the leadership of the proletariat and based on worker-peasant unity. Its ultimate goal is the establishment of socialism and communism. Panda is fully aware of this. Panda is making false allegation on comrade Ganapathy and our party with the selfish motive of gaining a place through compromise in the dictatorship of the comprador bureaucratic bourgeoisie and the land lords that are in collusion with the imperialists and carrying on an unprecedented despotic rule wearing the mask of parliamentary democracy.

In reality, it was Panda who was trying to establish his dictatorship inside Odisha. After seeing the reviews and decisions made in the Special Plenum he realized that the party cadres are no longer prepared to accept his domination. They criticized his bureaucratic behavior and his undemocratic and sectarian attitude towards comrades from other states. Realizing that he can no longer carry on his bureaucratic methods, this opportunist decided to quit the party and doubled his preparations for the same since then.

In fact, Panda stopped contacting the Odisha state in-charge CC comrade since the completion of the state level Special Plenum. Since then, for nearly half a year he went on spitting venom on the party in

interviews and statements. This created political and organizational problems in the party and caused severe damage to the Odisha movement as he was taking stands that were against the decisions of the Special Plenum, party's political line and policies. He resorted to downright opportunistic methods during the arrest of Italian tourists under his leadership. He declared a one-sided seize-fire for the entire state of Odisha. But in fact, it was not correct on his part to declare so when two different state border party committees are working in considerable parts of Odisha and its borders and he had no right to dictate terms to the other two party committees. He not only openly criticized AOB comrades for arresting a MLA and killing a SI after he had declared his one-sided seize fire but even went to the extent of saying that it had become a fashion for AOB comrades to kill.

Keeping aside the reviews made by the entire party under Odisha SOC, he declared that the annihilations of class enemies Laxmananda and Jagbandhu were not correct. He began a malicious campaign by giving statements in the name of comrade Nikhil, trying to create divide between comrades hailing from various communities and states. It is not a coincidence that when stories were being published continuously in the media about Panda leaving the party and forming a new group, Panda who always stays in touch with the media did not release any explanation. It is clear as the day that since the completion of the Special Plenum, Panda had been planning to desert the party and resorted to all these opportunistic methods and liquidationist activities. Finally he quit the party as a culmination of his degeneration.

Panda took a right opportunist stand regarding some political issues that came to the fore in the course of the Odisha movement and finally degraded into a revisionist who rejects the line of Protracted People's War. His sectarian, bureaucratic, ultra-democratic, factionist attitudes, careerism, craving for name and fame and organizational indiscipline caused severe damage to the Odisha party and the movement. He sought an easy life and was not hard-working. This opportunist utilized the situation where Odisha party and the State Organizing Committee that were in the course of consolidating faced severe losses and the enemy offensive was seriously concentrated on the CC, to carry on his disruptionist activities. The root for all this lies in his spilling over individualism which keeps the individual at

the centre. Apart from this, there has been a considerable change in the counter-revolutionary war carried on by the Indian ruling classes with the full support of the imperialists, particularly US imperialists since mid-2009 in the name of Operation Green Hunt. Panda's degeneration and betrayal must be seen in the context of the country-wide, multi-pronged massive military offensive that is being carried out on our movement since then. Party suffered serious losses all over the country in this offensive. Even Odisha state where class struggle is still weak had to bear the brunt and it suffered serious losses from end-2010. The offensive is bound to intensify in this state too. The reason for the intensification of this massive offensive is the MNC and our country's comprador corporate interests that want to crush every organization and the people that prove a hurdle to their plunder of natural resources and raw materials in backward countries like India. As the financial crisis that is engulfing the world economy intensifies, the offensive on the revolutionary party, its leadership, movement and the oppressed and toiling masses would also be intensified in proportion by them in order to come out of it. In such a backdrop, to lead the revolutionary movement is like walking a sword's edge for any leader of the revolutionary party. Any true party leader would strive to utilize the excellent revolutionary material conditions in the country and the world to politically prepare the people, to develop the People's War and turn the tide in favor of the revolution. It requires commitment towards revolutionary ideology, tremendous grit, courageous decision-making, mobilizing the party, people's army and the people in a unified way, and sacrificing nature to fulfill this task. It requires a steely will to transform oneself and the party according to the needs and tasks of the revolution. Those who do not display these qualities either fail to give leadership to the revolution or lose their capacity to lead. Some among them run away like cowards from the battlefield or join the enemy ranks. These opportunists and renegades take the side of the ruling classes and resort to all kinds of allegations to cover up the fact. There have been such renegades not only in our party history but also in the revolutions of various countries in the past and Panda would not be the last one.

Keeping all these things in view, our Central Committee began putting special efforts to rectify him by placing all allegations on Panda in front of him in a political manner and giving him a chance to rectify. But since the

completion of the state level Special Plenum, he cut his contacts with the CC in-charge comrade and went on attacking our party, movement and the leadership openly and in a series. As a culmination of all this, he released this letter to the media and proved himself to be a renegade. So our CC is expelling Sabyasachi Panda from the party and declaring the fact to our party comrades in Odisha, the entire revolutionary masses and the revolutionary camp in our country.

We are appealing to the Odisha comrades, mass organizations of Odisha and the revolutionary-democratic masses to condemn Panda's enemy-like opportunistic stand towards our party, movement and leadership and the pro-ruling class, anti-people stands taken by him and to completely reject him and his rotten modern revisionist politics and his allegations. History has proven several times that renegades such as Panda who boast about themselves as the heroes of revolution and who are focused as such by the ruling classes would be relegated to the dustbin and that the true revolutionary party, its leaders and the revolutionary masses led by it would advance en-route for victory in the midst of great storms and whirlwinds with undaunted courage and bravery. It is people who are makers of history and not sham revolutionaries like Panda. Our party is fully confident that the revolutionary masses of Odisha would certainly reject traitors like Panda who try to be in the limelight in the name of Odisha and immerse themselves in the service of the ruling classes to their heart's content and that the Odisha comrades and the vast toiling masses would follow the revolutionary path under the leadership of the CPI (Maoist).

Red Salutes to Veteran of Srikakulam Struggle & Epitome of Staunch Communist Commitment Comrade Goru Madhava Rao

The revolutionary movement in our country has lost another great fighter. The communist fighter Comrade Goru Madhava Rao who arose from the flames of Srikakulam armed struggle died on July 18, 2012 in his native village Jinkibhadra due to old age. He stood steadfast with the oppressed masses and greatly served the revolutionary movement for nearly five decades since he joined the '*Tegimpu Sangham*' (revolutionary peasant organization) as a youth and till he breathed his last. He stood as a huge pillar of support for the movement and his martyrdom left a void for the revolutionary movement.

Comrade Madhava Rao was born in a poor family in Jinkibhadra village (Sompeta Mandal, Srikakulam district). As the communist movement was strong in that area, he imbibed revolutionary ideas since his childhood. The impact of the movement led by popular revolutionary leader Comrade Tamada Ganapathy and other comrades in that area was strong on him. In those days '*Tegimpu Sanghams*' were formed in each village. The young Madhava Rao joined the *Sangham* of his village and became its activist. Soon he developed into a communist party member.

Madhava Rao got married while working in the movement and introduced revolutionary politics to his life partner Comrade Muthyalu too. He paid attention in teaching communist politics to her as he believed them with all his heart. They had two girl children.

The Naxalbari armed peasant rebellion led by Comrade Charu Mazumdar showed the path for the revolutionaries in our country and in Srikakulam too genuine revolutionaries rejected the modern revisionism of CPM and chose the path of armed struggle. When the question whether to start armed struggle in Srikakulam or not arose, the right opportunists tried

to postpone the armed struggle by resorting to several excuses. The communist revolutionaries argued that armed struggle must be launched immediately. Comrade Madhava Rao stood on the side arguing for the launch of armed struggle and displayed clear understanding regarding revolutionary line from the beginning. Thus the effort put by Comrade Madhava Rao and all the Srikakulam revolutionaries in those days in rejecting modern revisionism and in breaking its back and later in defeating right opportunist politics and holding aloft the line of armed struggle was very crucial in establishing correct revolutionary line in our country. This would serve as guidance for practice for generations of revolutionaries to come.

As soon as armed struggle was launched in the district, Comrade Madhava Rao responded to party's call and joined it as a professional revolutionary. Comrade Muthyalu welcomed his decision. He joined the guerilla squad led by the legendary woman commander Comrade Pachadi Nirmala. He stood in the forefront in several revolutionary activities conducted by that squad. With the information provided by an informer, the mercenary police and paramilitary forces surrounded their squad early in the morning on December 22, 1969 and cruelly shot dead comrades Nirmala, Ankamma, Saraswathi, Tamada China Babu, Subbarao Panigrahi and Ramesh Chandra Sahu after torturing them inhumanly. Comrade Madhava Rao who was in the squad when this happened could escape from the enemy dragnet. Later he worked along with comrades Dr. Chaganti Bhaskar Rao and Devineni Mallikarjuna Rao in Uddanam area. Comrade Madhava Rao was arrested in 1971, was given life sentence based on false evidences and put in Visakhapatnam jail. He again began working as a professional revolutionary since his release from jail in 1979. Comrade Muthyalu also worked as a PR and till 1990 both of them fulfilled several technical needs of the party.

Madhava Rao participated as a delegate in Andhra Pradesh State 12th Conference held in 1980 September and the AP State 13th Conference held in 1987 of the erstwhile CPI (ML) [People's War]. He conducted proceedings as the President in the 12th Conference and unfurled the Party Flag in the 13th Conference.

When fascist repression intensified on the revolutionary movement

and centers of revolutionary publications and sales like 'Kranti Publications' and 'Peace Book Center' were targeted by the state, Comrade Madhava Rao served as one of the centers for publication of revolutionary literature in AP. He published banned literature that the ruling classes wanted to stop from reaching the people and earned the ire of the state. He published several books belonging to erstwhile CPI (ML) [PW] and later CPI (Maoist) with his address and played a great role in propagating revolutionary literature. Though the state threatened him with arrest if he published naxalite literature, he did not dither and went on publishing revolutionary literature and continuously transmitted revolutionary ideas to the people. This revolutionary commitment of Comrade Madhava Rao is worth emulating. He participated in various people's struggles, in movements of students, youth and women, in united front activities of the people and put efforts for their advancement as much as he can.

Comrade Madhava Rao had immense confidence in the party line. Though the Srikakulam armed struggle suffered a setback, though Pulla Reddy, Nagi Reddy groups tried to liquidate the revolutionary line with right opportunism, though Pyla Vasudeva Rao who was elected the party's State Secretary after the martyrdom of Comrade Adibhatla Kailasam joined hands with Satyanarayana Singh and turned into a liquidationist and though liquidationists like Choudary Tejeswara Rao tried to divide the party, Comrade Madhava Rao did not leave the party or the party line. Comrade Madhava Rao was one of those few revolutionaries who held aloft the revolutionary line when the Srikakulam movement suffered several losses and damage and when several revolutionaries were leaving the revolution and running away. He stood staunchly with the revolutionary side during his incarceration in jail too. He always strongly criticized the methods of right opportunists that tried to cause damages to the revolutionary line. He was very much inspired with the deluge of revolutionary peasant movement that began from the end of 1970s in AP. He imparted the experiences of Srikakulam armed struggle to the delegates of the new generation of revolutionaries who attended the 12th State Conference and inspired them a lot.

When Satyamurthi and Kondapalli Seetharamaiah created internal crisis in the party in 1985 and 1991 respectively, Comrade Madhava Rao stood

firmly with the revolutionary movement. Though the AP movement suffered a setback in 2006-2007, he held aloft the party flag in AP and continued his revolutionary practice. He imparted party's message to the revolutionary ranks and people inside the state and by traveling to several areas in the country and strove hard to further increase confidence in them towards the revolutionary movement.

As Comrade Madhava Rao and his life partner Comrade Muthyalu worked in the movement they had no private property whatsoever. When he went underground during the Srikakulam movement, she bravely withstood several difficulties with their young daughters. Even in those difficult days, she looked after the revolutionary activists who came to her home like a mother with lot of affection. She was a party member too. The couple rejected feudal values while raising their girl children. Comrade Muthyalu breathed her last on June 30, 1993. Comrade Madhava Rao led a very simple life. He was born in an utterly poor family and imbibed communist ideals. That was why his simplicity was reflected in the manner he maintained the several dens according to the needs of the movement. There was never any pretense or show put-up in his manner or words. Though he was one of the most senior comrades in the revolutionary movement and fulfilled several responsibilities according to the needs of the movement as assigned by the party, he never gave a thought as to what his level in the party was. Such was his unselfish nature. The den he maintained in Kolkata served as a reliable center for the erstwhile MCC party during merger talks between revolutionaries in India as he was a veteran of Srikakulam movement and had enormous faith in the party line. The erstwhile MCC stream of comrades had enormous confidence and respect on him.

The lessons imparted by the Naxalbari and Srikakulam movements are very valuable for the present history. Similarly, the practice of Naxalbari generation of revolutionaries like that of Comrade Madhava Rao, their uncompromising struggle with modern revisionism, left and right opportunisms, their staunch commitment towards the liberation of the oppressed masses and unflinching confidence on the line of the revolutionary party are also most valuable to the next generations and worth emulating in practice. It is not only the younger generation of revolutionaries but also

every democrat and intellectual who wishes to liberate our country from feudal, comprador bureaucratic bourgeois and imperialist exploitation and oppression that must learn from the life and practice of Comrade Madhava Rao, a veteran of Indian revolutionary movement. In the backdrop where some persons are leaving the revolutionary path showing various reasons and excuses as they are not able to withstand the ups and downs, difficulties and travails and enemy repression in the course of revolutionary movement, the ideal of comrades like Madhava Rao who continued in the revolutionary movement till the end through decades of practice must be held aloft, followed and propagated widely.

With the martyrdom of Comrade Goru Madhava Rao, the party and the revolutionary masses have lost a great revolutionary fighter who held aloft the party line for more than five decades. CPI (Maoist) Central Committee pays revolutionary homage to him with bowed heads on behalf of the entire revolutionary ranks. It pledges to carry forward his aspirations till they are fulfilled.
