

## Peru

The heroism of hundreds of revolutionary prisoners of war in the face of massacre reverberated throughout Peru, and indeed, the world. Statements by the PCP Central Committee and the Committee of the RIM. Also, analyses of the first five years of the people's war and of the current situation.

## Haiti

The old order has been shaken: the masses are in no mood to sit down. Marxist-Leninists are uniting and grappling with plans to unleash people's war.

*A World To Win* has been inspired by the formation of the Revolutionary Internationalist Movement, announced on March 12th, 1984, which has regrouped many Marxist-Leninist parties and organisations from around the world. It is not an official organ of the RIM. Its pages are open to all those on the same sides of the barricades in the fight against imperialism and reaction.

*A World to Win* is presently available in English, Farsi, Italian, Spanish and Turkish.
