

## **Forward Along the Path Charted by Mao Tsetung**

This is the 20th anniversary of an unprecedented event — Mao Tsetung, the leader of a socialist country, turned around and launched *another revolution*. It was also ten years ago that Mao died; shortly afterward came the coup carried out by the “bourgeoisie within the Party” against whom Mao had led China’s workers and peasants in bitter battle.

To uphold and further popularise Mao’s contributions and the advances he led in achieving, and to continue to expose and fight revisionism, the Revolutionary Internationalist Movement is currently conducting an international campaign with the slogan, “Forward Along the Path Charted by Mao Tsetung.” In future issues we will report on the wide gamut of meetings and other kinds of activities being held under different conditions in many countries.

This issue consists principally of articles submitted by participating parties and organisations of the Revolutionary Internationalist Movement.

*A World To Win* has been inspired by the formation of the Revolutionary Internationalist Movement, announced on March 12th, 1984, which has regrouped many Marxist-Leninist parties and organisations from around the world. It is not an official organ of the RIM. Its pages are open to all those on the same sides of the barricades in the fight against imperialism and reaction.

*A World to Win* is presently available in English, Farsi, Italian, Spanish and Turkish.
