# FREE PALESTINE

The All Burma Federation of Student Unions [ABFSU] asserts our unwavering solidarity with the people of Palestine, resisting the brutal Israeli regime's illegal occupation of the stolen Palestinian land and the current violence amounting to genocide against the innocent civilians of Gaza.

As an Anti-Imperialist organization, that supports National Liberation, we condemn the Zionists' indiscriminate airstrikes and artillery shelling with the explicit aim to kill, displace, and demoralize the civilian populations in Gaza while cutting off information [internet blackout], much-needed essential supplies, and humanitarian aid for survival. It has resulted in the murder of 3,900 children, and 2,509 women, with civilian deaths of 9,488 and 24,000 injured, while the actual numbers will be much higher due to the active nature of the conflict.

We are reminded of “the four cuts doctrine” deployed by the genocidal Fascist Myanmar Armed Forces. The Zionist regime, ever since its inception through the illegal colonization and continued occupation of Palestinian lands in 1948, has been arming and training the terrorist fascist Myanmar Armed forces.

The apartheid Israeli state, in collusion with the Fascist Myanmar Armed forces, has been profiting from the 75 years of violent suppression of the various indigenous people's struggle for the right to national self-determination in Myanmar, terrorizing our student movement and the genocide of the Rohingya population in Rakhine state.

The Myanmar Armed Forces utilized Israeli surveillance technology developed through the brutal oppression of Palestinians to track, capture, torture, and murder thousands of activists since the 2021 coup de'ta, resulting in 4,160 Killed, 25,353 Arrested, and 19,632 Detained and displacing millions while the actual deaths are much more.

It is the same guns, bullets, bombs,  
surveillance technology, and inhumane  
psychological warfare used to terrorize  
both the people of Palestine and  
Myanmar.

The illegitimate state of Israel has always firmly sided with the fascist Myanmar Armed forces. As such, it is clear to us that the people of Myanmar, in our revolutionary struggle against Fascism, must also stand firmly in solidarity together with the people of Palestine in their fight for national liberation and not fall for the lies, bigotry, and Islamophobia peddled by our foes to divide and weaken us.

We must be able to tell our actual enemies from our true friends. In the revolutionary spirit of the Anti-Colonial struggle waged by the founding students of the All Burma Federation of Student Union, we support the fighting Palestinian youth. For all the martyrs who have given their lives in the struggle for National Liberation, just and lasting peace, and true democracy. We call upon all the people of Myanmar to deepen our ties with the people of Palestine. For the people united will never be defeated!
