

# Remembering comrade Hafiz

To  
Central Committee,  
Communist (Maoist) Party of Afghanistan

Dear comrades,

We condole the death of comrade Hafiz, a veteran Maoist and staunch proletarian internationalist. He is remembered by us, especially for his effort to ensure the success of the historic Expanded Meeting of the RIM, which adopted Marxism-Leninism-Maoism as its ideological guide.

Today your party and the world Maoist forces are faced with great ideological and political responsibilities in the fight against new brands of revisionism such as Avakianism and Prachanda-Bhattarai right opportunism. The loss of such an experienced and capable comrade at this juncture is no doubt a big blow. The dedication and commitment brought by comrade Hafiz to his communist tasks remain with us as an inspiration to overcome it.

Through you we express our sorrow to comrade Hafiz's family and to all the members of your party.

With revolutionary greetings,  
Central Organising Committee,  
Communist Party of India (Marxist-Leninist) NAXALABARI
