

Press Communiqué

Unified Communist Party of Nepal (Maoist) denounces and demands to abrogate the agreement of the government with an Indian company to print the MRP (Machine Readable Passport), which is against the national security and interest. Our party has decided one day, on 12th April, 2010, 'Shut Down' all over the country for dismissal of the anti-national step, which has come neglecting the special authority of the legislative-parliament by breaching the present statute and disobeying the directives of the Public Accounts Committee, and dissolution of this anti-national government.

UCPN(M) calls heartily all of the patriotic, democratic powers and mass community to be united with the struggle and make success with active participation.

Date: 8th April, 2010

Puspakamal Dahal 'Prachanda'
Chairman
UCPN(Maoist)
